Hello, My Name Is... Random House Books for Young Readers
Mina (Anna Maria Mazzini, born Lombardy, 1940) is an Italian popular music icon who throughout her sixty-year-long career has come to represent a range of diverse meanings. She is one of the best-loved popular music stars in Italy and abroad, with a large fan base across Europe, Asia, and South America. Her career began in the late 1950s and reached its peak in the 1960s and 1970s. Despite having retired from public appearances at the end of the 1970s, Mina remains popular and successful today, and continues to release new albums that consistently debut in the number one spot of the Italian charts. As an Italian popular music star, she is exemplary of the way in which stardom is constructed by different media and has come to represent different local and global identities, values, ideologies, and ways of behaving. This is because whilst Mina is first and foremost a popular music star, she has also been a film star and a television personality during different phases of her career. She has advertised successful Italian brands on television, and she has been a magazine writer

and agony aunt. Her star persona is the product of her work in many different areas, as well as of the promotional materials and commentaries that are produced in response to her work. This book explores these different 'mediums' that Mina has been involved in and which have shaped her career and significance. It traces the process by which she has come to embody a diverse range of meanings that reveal something of the values and ideals at work within contemporary Italian society. Rachel Haworth is a researcher of Italian popular music and culture of the twentieth century, and Senior Lecturer in Italian at the University of Hull, UK. The primary market for this book is students and academics in the following subject areas: Italian Studies; Popular Music Studies; Stardom and Celebrity Studies; Media Studies; Cultural History. Also scholars and researchers working on music divas. The book is suitable for use on courses and modules at all undergraduate and postgraduate levels, which deal with Italian cultural studies, Italy's post-war history, and the role of women in Italy, as well as the wider study of popular music and the construction of stardom and celebrity. The secondary audience for this book will be fans of Mina around the world, accessibly written, this will appeal to fans in Italy who are able to read in English.

You can pay a terrible price for keeping a promise... Evelyn Taylor-Clarke sits in her chair at Forest Lawns Care Home in the heart of the English countryside, surrounded by residents with minds not as sharp as hers. It would be easy to dismiss Evelyn as

a muddled old woman, but her lipstick is applied perfectly, and her buttons done up correctly. Because Evelyn is a woman with secrets and Evelyn remembers everything. She can never forget the promise she made to the love of her life, to discover the truth about the mission that led to his death, no matter what it cost her... When Evelyn's niece Pat opens an old biscuit tin to find a photo of a small girl with a red ball entitled 'Liese, 1951' and a passport in another name, she has some questions for her aunt. And Evelyn is transported back to a place in Germany known as 'The Forbidden Village,' where a woman who called herself Eva went where no one else dared, amongst shivering prisoners, to find the man who gambled with her husband's life... A gripping, haunting and compelling read about love, courage and betrayal set in the war-battered landscape of Germany. Fans of *The Letter*, *The Alice Network* and *The Nightingale* will be hooked. Readers are hooked on *My Name is Eva*: 'Could not put this book down, and heaven help anyone that tried to disturb my reading !!...I absolutely loved this book !...I laughed, I cried, I cheered , I sympathized all because of Evelyn...I could so picture the setting and as Evelyn sets out to fool everyone, I thought you go girl !!...I don't want to say anything else but what a fantastic read... I can't recommend this book enough !!' Goodreads Reviewer, 5 stars 'What a magnificent read! Eva is amazing. One of the best characters in a book EVER! What a fantastic, beautiful, heart-wrenching tale, incredibly told. I absolutely loved every single page. I sat for the last 20% of the book in tears, sad but happy tears. An absolutely beautiful book.' Kim the Bookworm, 5 stars 'A poignant and evocative story of love, betrayal and bravery that kept me page turning and completely engrossed from start to finish. Loved it and would definitely recommend.' NetGalley Reviewer, 5 stars 'A phenomenal story of courage, love, murder and all the atrocities that go with war. Eva is an extraordinary character, strong, loyal, smart, funny, loving, and brave.A phenomenal read!!' Goodreads Reviewer, 5 stars 'This may be my new favorite book!!!! I absolutely love the premise of the heroine faking dementia in her retirement home to cover up her knowledge of (and possible involvement in) questionable activities centering around WWII events. The tempo of this novel

was perfect--kept me wondering until the very last page!' Goodreads Reviewer, 5 stars 'Absolutely loved this book and its riveting plot!... The author has successfully penned a debut novel that I would highly recommend without any hesitation. An excellent debut novel from Suzanne Goldring and I look forward to reading more of her work. Historical fiction is my favourite genre to read and this book was every bit as good as some of the well-known WW2-themed titles published in recent years.' Goodreads Reviewer, 5 stars 'This book was excellent! Totally kept my attention and I wanted to find out what would become of the main characters. Highly recommended.' Goodreads Reviewer, 5 stars 'Everything about this book is amazing. I love the main character Eva, the way the author integrates the past with the present, and the emotional plot that kept me hooked from the beginning to the end. I've read over 30 historical fiction novels in the past year and this one is definitely in my top 10.' Netgalley Reviewer, 5 stars 'My Name is Eva is laugh out loud funny, sad in parts and had me glued to the pages... Wham!... I did not see "that" coming. Oh, the secrets Evelyn has!!!' Goodreads Reviewer, 5 stars 'This book is haunting and moving and told in a way that had me engaged in the story from the start. Recommended!' The Princess and the Pen, 5 stars 'This book had me hooked from the start....and because my grandparents are currently in assisted-living facilities, Evelyn's time in her assisted-living resonated with my heart. I loved her sassy, snarky personality and being privileged to see the inner workings of her mind. And I loved the love letters between she and her husband during WWII. I am excited to read all of Goldring's works! This is the first book of hers I've read, and it won't be the last!' The Book Distiller, 5 stars 'This novel had me hooked from the very first page! I always enjoy delving into historical fiction novels and My Name is Eva is the perfect example of why! This riveting book time hops between the 1940's, 1980's and present day (2016) to tell the tale of Evelyn Taylor-Clarke's life. Suzanne Goldring does a fantastic job with the pacing of this novel, I sometimes find historical fictions can get a little dry, but there wasn't any parts that I felt lagged—love that! The storyline was incredibly moving and depth filled! Evelyn is a character that will definitely stay with me!' Steph and Chris's Book Review, 5 stars

To save her brother, Mina throws herself into the water in Cheong's stead. Swept away to the Spirit Realm, a

I wasn't supposed to fall in love with a werewolf, but he wasn't supposed to break my heart. But he did, and I can either wallow in misery for the rest of my life, or accept that being named after Little Red doesn't mean I have to remake all her mistakes. There's a world out there that doesn't know anything about fated mates, ancient vampire bloodlines, or hoods who magically control silver and have a permanent stick up their butts. (Or at least, the ones in my family do.) A world where I'm not constantly harangued by my mother to finally become the "wolf watcher" I was born to be and assume my rightful place at her side. And it's a world I'm growing to love, with its quirky humans, awesome Thai dumplings, and total lack of lupines... until the night an English werewolf shows up out of the blue and saves my life. All Tobias Somfield wants in return is a little help to track down some vampires. Only, what we discover when we do opens up our eyes to an entirely different kind of destiny. One that was laid down centuries ago when a warrior in a red hood and the alpha werewolf who loved her betrayed their own kind, creating enemies across the entire supernatural world in the process. Or was that really what happened at all, and will the truth, once revealed, save us or lead to our doom? And can we find some great kebabs some where along the way? *The Red Chronicles* is a mythpunked urban fantasy series spiked with comedy, mystery, and yes, a little romance along the way.
