Positive Discipline

Harmony

Do you wish there was
a way to raise well-

behaved children
without punishment?
Are you afraid the only
alternative is being
overly indulgent? With
Positive Discipline, an
encouragement model
based on both
kindness and firmness,

you don't have to choose between these two extremes. Using these 49 Positive Discipline tools, honed and perfected after years of real-world research and feedback, you'll be able to work with your children instead of against them. The goal isn't perfection but providing you with the techniques you need to help your children develop the life and social skills you hope for them, such as respect for self and others, problem-solving ability, and self-regulation. The tenets of Positive Discipline consistently foster mutual respect so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline

without losing his or her dignity. In this new parenting guidebook, you'll find day-to-day exercises for parents to improve their parenting skills, along with success stories from parents worldwide who have benefited from the Positive Discipline philosophy. With training tools and personal examples from the authors, you will learn:

- The "hidden belief" behind a child's misbehavior, and how to respond accordingly
- The best way to focus on solutions instead of dwelling on the negative
- How to encourage your child without pampering or praising
- How to teach your child to make mistakes and follow through on agreements
- How to foster creative

thinking
Parenting For New Parents Createspace
 Independent Publishing Platform
 The Acclaimed
 Bestseller That Can
 Improve Your
 Classroom Experience
 Forever! Over the
 years millions of
 parents and teachers
 have used the
 amazingly effective
 strategies of Positive
 Discipline to restore
 order and civility to
 their classrooms and
 homes. And in today's
 classroom, where
 teachers must
 compete with digital
 distractions for their
 students' attention
 while trying to satisfy
 increasingly
 demanding academic
 standards, it is more
 important than ever
 that educators be able
 to combat apathy,
 instill vital problem-

solving skills, and
 create a climate that
 maximizes learning.
 Now you too can use
 the time tested
 Positive Discipline
 strategies as a
 foundation for fostering
 cooperation, problem-
 solving skills, and
 mutual respect in
 children. This new
 edition of Positive
 Discipline in the
 Classroom is updated
 with essential tools for
 the modern teacher.
 Imagine, instead of
 controlling behavior,
 you can be teaching;
 instead of confronting
 apathy, you will enjoy
 motivated, eager
 students! Inside, you'll
 learn how to: ·Create a
 classroom climate that
 enhances academic
 learning ·Use
 encouragement rather
 than praise and
 rewards ·Instill
 valuable social skills

and positive behavior through the use of class meetings -Learn why involving students in solving problems is much more effective than punishment ·Understand the motivation behind students' behavior instead of looking for causes ·And much more! “A must for every educator. The jargon-free concepts and strategies are easy to follow and have changed my life as a principal, as well as the lives of my teachers and students.” - Bill Scott, Principal of Birney Elementary, Marietta, Georgia “This book should be standard operating procedure. I highly recommend it to anyone who seeks to teach young people!” - Robert W. Reasoner, president of the

International Council for Self-Esteem
“Transforms the way teachers view themselves and their students. The activities in this book show how learning shifts from head to heart, where positive change can really take route.” - Dina Emser, M.A., former elementary school principal and education consultant
Positive Discipline in the Classroom Bart Anderson
Empowering Methods for Effective Childcare
As a professional childcare provider, you want to create an environment that is inviting and nurturing for children as well as encouraging for your adult staff. You want to find ways to form a partnership with parents in their children's

development. Simply put, you want to provide an all-around quality childcare experience at every level. This book is also great for parents who want to take an active role in assuring the best childcare for their children. Positive Discipline for Childcare Providers offers a thorough, practical program that is easily adaptable to any childcare or preschool situation and setting. Inside are workable solutions to many of today's toughest childcare issues and everything you need to develop an enriching experience for children, parents, and workers alike. You'll learn how to:

- Create a setting where children can laugh, learn, and grow
- Support healthy physical, emotional,

and cognitive development in all children, including those with special needs

- Encourage parents to establish a partnership with you and provide the same kind, firm limits and respectful environment at home
- Uncover support and learning opportunities for yourself and fellow childcare providers
- And much more!

"In a magical way, Positive Discipline for Childcare Providers demonstrates techniques that decrease misbehavior by increasing the child's sense of capability, courage, and community feeling." —Rob Guttenberg, a state-certified childcare trainer, director of parenting education at YMCA Youth Services

Maryland, and author of *The Parent As Cheerleader* "Wow! This book is an incredible resource full of effective and practical ideas—from creating an environment where everyone feels welcome to a model of discipline that respects and empowers adults and children." —Mary Jamin Maguire, M.A., L.P., LICSW, trainer, Minnesota School-Age Childcare Training Network

Positive Parenting
Independently
Published

Why do so many of our kids--raised in the most affluent nation on earth--fail to thrive and strive and enter adulthood lacking appropriate and effective coping skills? Drs. Swihart and Cotter have come up with a

revolutionary theory on why our kids are having such a tough time of it today: It is because we allow our children to manipulate us, and the world around them, rather than teaching them how to respond to life and life's tough situations. The result is that manipulative behavior is directly tied to low self-esteem, which only heightens its negative impact on kids, families, and the larger communities we live in. The good news is that Drs. Swihart and Cotter have created a radical and clinically proven program for breaking manipulative behavior and getting our kids back on track. The program teaches parents to say no without feeling guilty; to resist the urge to feel responsible for their

child's happiness; to view their children as emotionally competent and resilient; and most importantly, to realize that effective parenting means allowing your child to make mistakes and develop a sense of competence, which leads to enhanced self-esteem and an ability to live independently and successfully in the real world. Drawing on their twenty-five years in private practice, the authors illustrate their program with examples of successful kids, as well as case studies of how parents have regained control and effectively blocked their children's manipulative behavior. The positive results will enlighten, and even astound you, and give you the tools needed to become a better parent.

Positive Discipline: The First Three Years, Revised and Updated Edition Kevin Harris
 Have you tried different discipline methods but nothing seems to work with your child? Are you afraid that your child may have problems in the future if he does not receive good discipline now? Don't you know which strategy to use anymore? Are you going to give up? Keep reading... My name is Susan Garcia and a few years ago I was in the same situation as you. I am the mother of two wonderful children and thanks to my work as an educator and family counselor I have been in contact with thousands of children and parents throughout my career. The problem

that happened to me most frequently is the fear of discipline. Discipline is always associated with something negative by parents. But this is not the case at all. Discipline is a good thing if you know how to use it. The first thing to understand is that there is a big difference between discipline and punishment. While discipline is essential to raising your child, punishment is not always the right technique to use. Today's children are growing faster, and the techniques that worked a few years ago today are no longer effective. You need something completely different, a new approach to educating children. Positive

Discipline is just what you need. Positive disciplines completely changed my way of approaching children's education. Since I started using this technique with my children I have seen some incredible improvements in our relationship since the first few weeks. Later I also transferred my experience to my work and in a few years I achieved sensational results. Not only did the parents solve their daily problems quickly, but they improved the connection and communication with their children thanks to positive discipline. In this book I transferred all my experience on the revolutionary technique of Positive Discipline and the best way to apply it to everyday life. In this

book you will discover: All you need to know about positive discipline Why the old techniques doesn't work today Practical examples of daily life with children How to impose logical consequences without punishment How to improve communication with your child How to avoid most common mistake every parents make How to connect with your child How to raise a happy and disciplined children Being a good parent is easier than you think. Following this guide you will notice improvements in your family life in less than a month. This simple but comprehensive guide is fine even if you have already tried other methods in the past without good

results. Suitable for both parents with young children (For Teenagers I have written another book that you should read) and to those about to become a parent. Stop being afraid for your child's future. Start now to build a relationship of trust, to improve communication and to understand how to correct his behavior. This way you will improve his self-esteem and prepare him for a successful life. Don't wait any longer. Scroll up and click "Add to Cart" RIGHT NOW!

Positive Discipline for Teenagers, Revised 3rd Edition

Bantam

Positive Discipline Methods covers Discipline Basics, Consider Where Your

Child Struggles, Use Age Appropriate Consequences, Be Clear About Expectations And Consequences, One Firm Warning Is Enough, Don't Give In And Be Consistent and The Consequences Of Incorrect Discipline. As a person just like you who has struggled with correcting my child, I have searched high and low to find the best strategies to fix this problem and I am fully qualified and equipped to help you put an end to your frustration with trying to wade through all the info you need to know to be a success! Good discipline measures are meant to teach a child right from wrong and not simple address the wrong. Making the child understand self control and socially acceptable

behavior is one way of encouraging the method of good discipline. And all of this up til now is just the beginning! Are you ready?

The Manipulative Child

Three Rivers Press
Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. In this latest edition, teachers learn how to create and maintain an atmosphere where learning can take place--and where students and teachers can work together to solve problems.

Discipline Dynamics

National Academies Press
Discover the Power of Positive Time-Out

Time-out is one of the most popular disciplinary techniques used in homes and schools today. But instead of being the positive, motivating, experience it should be for children, it is often punitive, counterproductive, and damaging to their gentle psyches. In this book, bestselling parenting author Jane Nelsen shows you how to make time-out a positive learning experience for children. Inside, you'll discover how positive time-out can teach children the art of self-discipline and instill such invaluable qualities as self-confidence and problem-solving skills. You'll also learn how to:

- Make time-out an encouraging experience
- Develop an

attitude and action plan to avoid power struggles with children

- Empower children by involving them in the behavior changing process
- Understand the mistaken goals of negative behavior

"Gives parents and teachers the encouragement and tools they need to help children handle their own behavior."—Sheryl Hausinger, M.D., Texas Children's Pediatric Associates and mother of three

"Offers more than 50 ways that parents can set limits while still encouraging their kids. It should be in every doctor's waiting room."—Jody McVittie, M.D., family physician

Positive Discipline A-Z
 Harmony
 For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline with no loss of dignity.

Inside you'll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior "It is not easy to improve a classic book, but Jane Nelson has done so in this revised edition. Packed with updated examples that are clear and specific, *Positive Discipline* shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your

children, this is the book for you." –Sal Severe, author of *How to Behave So Your Children Will, Too!* Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice. *Positive Discipline for Teenagers* Harmony Have you tried different discipline methods but nothing seems to work with your child? POSITIVE DISCIPLINE THE COMPLETE

GUIDE Harmony

As seen in the New York Times -- a practical guide that presents an alternative to shouting, shaming, and blaming--to give kids the skills they need to grow and thrive Discipline is an essential part of raising happy and successful kids, but as more and more parents are discovering, conventional approaches often don't work, and can even lead to more frustration, resentment, power struggles, and shame. Enter Sarah Ockwell-Smith, a popular parenting expert who

believes there's a better way. Citing the latest research in child development, psychology and neuroscience, Gentle Discipline debunks common myths about punishments, rewards, the "naughty chair," and more, and presents practical, connection-based techniques that really work--and that bring parents and kids closer together instead of driving them apart. Topics include: Setting--and enforcing--boundaries and limits with compassion and respect Focusing on connection and positivity instead of negative consequences Working with teachers and other caregivers Breaking the cycle of shaming and blaming Filled with ideas to try today, Gentle

Discipline helps parents of toddlers as well as school-age kids embrace a new, more enlightened way to help kids listen, learn and grow.

Discipline Kids

Harmony

In order to establish a smoothness that will enable a person to function in an acceptable manner, everyone needs to have some type of discipline ingrained within their lives. The majority of these aspects of discipline are acquired at an extremely young age, and the majority of the time, the parents of the child are the ones that start it off. These forms of discipline are required so that the child can be prepared for eventual integration into society and taught how to behave in a

way that is manageable. Good discipline is not about meting out punishments, as this does not really teach the child about the true negative aspects of the act that requires some attention from the parent in the form of some form of discipline. Instead, what it does is demonstrate to the child that the more powerful variable in an equation almost always gets to dictate, while the less powerful variable is forced to just follow along. Effective methods of discipline should handle the problem at hand, but they should also educate children right from wrong. One approach to supporting an appropriate manner of discipline is to teach the child about self-

control and behavior that is socially acceptable by demonstrating these concepts to the youngster. This instructional book will teach you how to discipline your child effectively without making him/her look sad or inferior. This is very important. Your method of approach can either mar or make your child's psychological being. A healthy form of discipline does not involve making the child feel humiliated or using humiliating methods to inflict pain on them. The use of methods such as yelling and calling the child names will not be of any benefit to the child in any way.

Positive Discipline for Today's Busy (and Overwhelmed)

Parent Independently Published

[This title] operates on the radical premise that neither child nor parent must dominate.

-- Review.

Parenting Matters

Ballantine Books

Good discipline

measures are meant to teach a child right from wrong and not simply address the wrong.

Positive Discipline for Preschoolers Susan Garcia

As a parent, you face one of the most challenging—and rewarding—roles of your life. No matter how much you love your child, there will still be moments filled with anger, frustration, and, at times, desperation. What do

you do? Over the years, millions of parents just like you have come to trust the Positive Discipline series for its consistent, commonsense approach to child rearing. In this completely updated edition of Positive Discipline A-Z, you will learn how to use methods to raise a child who is responsible, respectful, and resourceful. You'll find practical solutions to such parenting challenges as: - Sibling Rivalry - Bedtime Hassles - School Problems - Getting Chores Done - ADHD - Eating Problems - Procrastination - Whining - Tattling and Lying - Homework Battles - And Dozens More! This newly revised and expanded

third edition contains up-to-the-minute information on sleeping through the night, back talk, and lack of motivation as well as tips on diet, exercise, and obesity prevention, and new approaches to parenting in the age of computers and cell phones.

Positive Discipline for Teenagers, Revised 2nd Edition

Harmony

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for

parents who increasingly are excluded from their children's lives. This revised edition of Positive Discipline for Teenagers shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents.

Inside, you'll:

- Find out how to encourage your teen and yourself
- Grow to understand how your teen still needs you, but in different ways
- Learn how to get to know who your teen really is
- Discover how to develop sound judgment without being judgmental
- Learn how to use follow-through—the only surefire way to get chores done

Over the years, millions of

parents have come to trust the classic Positive Discipline series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million Positive Discipline books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it."

—H. Stephen Glenn, Ph.D., coauthor of *Raising Self-Reliant Children in a Self-Indulgent World*.
1-2-3 Magic Harmony
A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get

them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right "consequence," look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

Positive Discipline for Childcare

Providers Harmony
 THE KEY TO DISCIPLINE
 IS NOT PUNISHMENT,
 BUT MUTUAL RESPECT
 All parents try to do
 their best--but the best
 of intentions don't
 always produce the

best results. Dr. Jane Nelsen, an experienced psychologist, educator, and mother, believes that children misbehave when they feel thwarted in their need to belong and in their need for love and attention. An authoritative approach, using phrases like "Because I said so!" , will only lead to rebellious behavior. Instead, parents need basic principles that bring them and their children closer. They need Positive Discipline. Dr. Nelsen explains that parents who use kindness and firmness to teach life skills will encourage self-respect, self-discipline, cooperation, good behavior, and problem-solving skills in their children. In Positive Discipline, revised and updated

for the '90s, she shows all of us, parents and teachers alike, exactly how her practical program works-- answering, step-by-step, such important questions as: *What works better than punishment to teach children positive, good behavior? *What mistakes do most parents make " in the name of love" ? *How can parents turn their mistakes into assets? *How can praise be dangerous? *What are the dangers of trying to be " Super Mom" ? *How can teachers avoid discipline problems in the classroom? " It is positive! It works! It saves your sanity! And it is easy to share with others." --Julie Pope, Parent Sacramento, CA " As a parent and psychotherapist, I have

found enormous value and practical wisdom in Positive Discipline. It conveys a win/win atmosphere for parents and children. The techniques are so easy to learn and fun to use...Anyone following these concepts will see almost instant results and big smiles on the faces of their children." --Katherine Dusay, Psychotherapist San Francisco, CA *Positive Discipline Methods* Paw Prints A Positive, Proven Approach to Single Parenting! As a single parent in our complex world, you face the challenge of doing alone a job that was meant for two people. In addition, self-doubt and guilt may dampen the joy you experience raising your child. What do you do? Over the years, millions of

parents just like you have come to trust Jane Nelsen's classic POSITIVE DISCIPLINE series for its consistent, commonsense approach to child rearing. In this completely revised and updated edition of Positive Discipline for Single Parents you'll learn how to succeed as a single parent in the most important job of your life: raising a child who is responsible, respectful, and resourceful. Inside this reassuring book, you'll discover how to:

- Identify potential problems and develop skills to prevent them
- Budget time each week for family activities
- Create a respectful coparenting relationship with your former spouse
- Use

nonpunitive methods to help your children make wise decisions about their behavior

- And much, much more! "Provides very important information for single parents, especially in today's violent society. Used as a resource, it can help parents deal with discipline issues in a positive way and in turn help their children become responsible citizens."—Judy Foy, international vice president, Community Relations, Parents Without Partners
- "Another great resource for both single parents and therapists . . . practical and enjoyable to read. A must for your parenting library."—Stephen Sprinkel, marriage and family therapist
