Some of the poems are
in English only; others

are in both English and Spanish; at least one has a Spanish title but English text. Only a few of the poems were translated by Dr. Rosa.

Saving Jemima

Bilingual Review Press Danger Dan and Gadget Girl are back together for another time-travelling adventure, involving riots, a musician, spicy noodles and a flood! Say what? In Danger Dan Tackles the Majulah Mayhem, it's up to Danny and Melody, to save the composer of the national anthem from giving up on music. But the time warp appears to be more sinister than Danger Dan initially thought. What is the real story behind these time glitches?

Danny Danger and the Cosmic Remote
Penguin

Daniel Lewis's legacy as a hugely influential choreographer and teacher of modern dance is celebrated in this biography. It showcases the many roles he played in the dance world by organizing his story around various aspects of his work, including his years at the Juilliard School, dancing and touring with the Jose Limon Company, staging Limon's masterpieces around the world, directing his own company (Daniel Lewis Dance Repertory Company), writing and choreographing operas and musicals, and his years as dean of dance at New World School of the Arts. His life has spanned a particular period of growth of modern and contemporary dance, and his biography

gives insight into how the artistic and journalistic perspectives on modern dance were influenced by what was occurring in the broader dance and arts communities. The book also offers rarely seen photographs and interviews with unique perspectives on many dance luminaries.

Daniel Lewis Penguin Fans of the hit TV show Heroes will love Quantum Prophecy! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the

unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil.

You Are Me iUniverse Brad Coram intends to take over the orangutan reserve at Pumai. But Danny has a plan to save the reserve.

Danny's Blog ISD LLC Saving money for something? Then this

is the book for you! Danny Dollar, the “King of Cha-Ching,” will teach you to make money, save money, and spend money wisely—and to dream big! Maybe you get an allowance (clean the bathroom anyone?) or have been gifted money (birthday present?) but did you know that you can actually start a business and make your own money? Even as a kid! It’s called being an entrepreneur. Danny shares tips for starting your own business, like how to write a business plan and raise start-up money (the money you need to get your business going). Plus, you’ll learn how to open a bank account, create a budget, invest, and donate money. Danny will

even introduce you to real life kids who are making their own money—and lots of it. Free yourself from having to ask your parents for money, and start making your own today!

Danny the Champion of the World Anchor Canada

The fifteenth fostering memoir by Cathy Glass. Danny was petrified and clung to me in desperation as I carried him to my car. Trapped in his own dark world, he couldn't understand why his parents no longer loved or wanted him, and were sending him away.

Power to Choose
A riveting quest for true love, capturing the journey of a wounded soul toward hope

restored. Perfect for readers of Charles Martin or Dale Cramer. Little Danny's Dream
Bus Atlantis; To the Cities of Goodness!

Penguin

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens,

freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and

hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

Trejo Penguin

For fans of *Wesley the Owl* and *The Soul of an Octopus*, the story of a sick baby bird nursed back to health and into the wild by renowned writer/artist Julie Zickefoose. When *Jemima*, a young orphaned blue jay, is brought to wildlife rehabilitator Julie Zickefoose, she is a

virtually tailless, palm-sized bundle of gray-blue fluff. But she is starved and very sick. Julie's constant care brings her around, and as *Jemima* is raised for eventual release, she takes over the house and the rest of the author's summer. Shortly after release, *Jemima* turns up with a deadly disease. But medicating a free-flying wild bird is a challenge. When the PBS show *Nature* expresses interest in filming *Jemima*, Julie must train her to behave on camera, as the bird gets ever wilder. *Jemima* bonds with a wild jay, stretching her ties with the family. Throughout, Julie grapples with the fallout of *Jemima*'s illness, studies molt and migration, and does her best to keep

Jemima strong and wild. She falls hard for this engaging, feisty and funny bird, a creative muse and source of strength through the author's own heartbreaking changes. Emotional and honest, *Saving Jemima* is a universal story of the communion between a wild creature and the human chosen to raise it.

The Outsiders A&C
Black

Newbery Award-winning and New York Times bestselling author Matt de la Peña's *Mexican WhiteBoy* is a story of friendship, acceptance, and the struggle to find your identity in a world of definitions. Danny is tall and skinny. Even though he's not built, his arms are long enough to give his

pitch a power so fierce any college scout would sign him on the spot. Ninety-five mile an hour fastball, but the boy's not even on a team. Every time he gets up on the mound, he loses it. But at his private school, they don't expect much else from him. Danny is brown. Half-Mexican brown. And growing up in San Diego that close to the border means everyone else knows exactly who he is before he even opens his mouth. Before they find out he can't speak Spanish, and before they realize his mom has blond hair and blue eyes, they've got him pegged. But it works the other way too. And Danny's convinced it's his whiteness that sent his father back to Mexico. That's why he's spending the

summer with his dad's family. But to find himself, he may just have to face the demons he refuses to see--the demons that are right in front of his face. And open up to a friendship he never saw coming. Matt de la Peña's critically acclaimed novel is an intimate and moving story that offers hope to those who least expect it. "[A] first-rate exploration of self-identity." --SLJ "Unique in its gritty realism and honest portrayal of the complexities of life for inner-city teens...de la Peña poignantly conveys the message that, despite obstacles, you must believe in yourself and shape your own future." --The Horn Book Magazine "The baseball scenes...sizzle like Danny's fastball.

Danny's struggle to find his place will speak strongly to all teens, but especially to those of mixed race." --Booklist "De la Peña blends sports and street together in a satisfying search for personal identity." --Kirkus Reviews "Mexican WhiteBoy...shows that no matter what obstacles you face, you can still reach your dreams with a positive attitude. This is more than a book about a baseball player--this is a book about life." --Curtis Granderson, New York Mets outfielder An ALA-YALSA Top Ten Best Book for Young Adults A Junior Library Guild Selection Danny Simon and Schuster Out into the world goes the narrator from Save

Me From Tomorrow, who at different times calls himself Sal, Nick or Jake, names of his favorite characters in American fiction. He goes out in search of adventure and experiences like those of his literary heroes, Kerouac, Fitzgerald and Hemingway. At age twenty-three he gives up his unexceptional job in Manhattan and plans to explore the highways and byways of America. Then a chance meeting with an old friend and the appearance of a beautiful and intriguing girl named Val cause him to alter his plans and shift locations to London. Working in the somewhat seedy yet vibrant world of a London pub, he encounters an eclectic assortment of Londoners and

American expatriates, each with stories and secrets of their own. His story quickly becomes intertwined with theirs as he continues his pursuit of Val and seeks to live the fantastic life he imagined. When the lives of his fellow travelers begin to converge, the consequences of his quest become all too real.

From Morality to Mayhem Peter Lang Pub Incorporated Danny is the story of a true event about a man with Down syndrome who was senselessly and viciously murdered. His life is recounted, and the criminal investigation, trial and its results are laid out for the reader's scrutiny. Only then are readers able to

understand what happened to the criminals and to Danny's family. Throughout Danny's life there were many crises, which he overcame by the strength of his personality and family support. Danny had many clear-headed attributes, and he certainly utilized his intellectual abilities to their maximum. Out of determination and need, Danny created his own business enabling him to become self-supporting and financially independent. But rather than giving him the recognition he deserves, we are left pondering his fate. Danny was brave and didn't submit to his aggressors. His bravery was no different than a soldier's on the field of

battle. Danny's death, unfortunately, presents us with a dilemma: Did he fail to receive equal justice under the law, because he was handicapped? In many ways, our society and the people who govern it appear to be unable to properly cope with individuals like Danny. On the face of it, for whatever reason, our highly technical society is regrettably able to abstract itself from the needs of its less fortunate members. Heroes are not selected. If they were, they would all be glamorous, rich and, perhaps, celebrities. In reality, we must accept a hero from whence he comes. Danny was an authentic hero, even though he came to us from poverty and obscurity. The Only Poet U of

Nebraska Press
 "The Adventures of
 Danny and Checkers"
 focuses on our brave
 literary hero, Danny,
 and his trusty sidekick,
 Checkers, who just
 happens to be a panda
 of the stuffed animal
 variety. In each book,
 Danny will don a
 different hat from his
 collection, and based
 on the hat he wears,
 he and his panda will
 be whisked away on an
 astonishing adventure
 full of fascinating feats
 and stupendous
 discoveries brought to
 life through
 breathtaking art. More
 often than not, their
 fantastical adventures
 wind up saving the day
 for Danny's little sister,
 Mabel, back in the real
 world. I teach English

The Awakening #1
 Simon and Schuster
 Opening with David
 Mancuso's seminal
 "Love Saves the Day"
 Valentine's party, Tim
 Lawrence tells the
 definitive story of
 American dance music
 culture in the
 1970s—from its
 subterranean roots in
 NoHo and Hell's
 Kitchen to its gaudy
 blossoming in midtown

Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago, Boston, San Francisco, Los Angeles, Newark, and Miami. Tales of nocturnal journeys, radical music making, and polymorphous sexuality flow through the arteries of *Love Saves the Day* like hot liquid vinyl. They are interspersed with a detailed examination of the era's most powerful djs, the venues in which they played, and the records they loved to spin—as well as the labels, musicians, vocalists, producers, remixers, party promoters, journalists, and dance crowds that fueled dance music's tireless engine. *Love Saves the Day* includes

material from over three hundred original interviews with the scene's most influential players, including David Mancuso, Nicky Siano, Tom Moulton, Loleatta Holloway, Giorgio Moroder, Francis Grasso, Frankie Knuckles, and Earl Young. It incorporates more than twenty special dj discographies—listing the favorite records of the most important spinners of the disco decade—and a more general discography cataloging some six hundred releases. *Love Saves the Day* also contains a unique collection of more than seventy rare photos. [Saving Danny](#) Duke University Press "A funny and riveting story that will help you make smart decisions about landing your

next--your best--job or relationship."-- Amazon.com. *Traces Storey Publishing, LLC* The bestselling business book from award-winning restaurateur Danny Meyer, of Union Square Cafe, Gramercy Tavern, and Shake Shack Seventy-five percent of all new restaurant ventures fail, and of those that do stick around, only a few become icons. Danny Meyer started Union Square Cafe when he was 27, with a good idea and hopeful investors. He is now the co-owner of a restaurant empire. How did he do it? How did he beat the odds in one of the toughest trades around? In this landmark book, Danny shares the lessons he learned developing the

dynamic philosophy he calls Enlightened Hospitality. The tenets of that philosophy, which emphasize strong in-house relationships as well as customer satisfaction, are applicable to anyone who works in any business. Whether you are a manager, an executive, or a waiter, Danny's story and philosophy will help you become more effective and productive, while deepening your understanding and appreciation of a job well done. *Setting the Table* is landmark a motivational work from one of our era's most gifted and insightful business leaders.
