I wish there

was only

today, just

right now, and

no forever. It seems fitting that I fell in love in Paris, the most beautiful city in the world. And if I pretend, I can almost believe that my life is normal and everyone I care about is safe. But as

long as I'm with Vincent, "normal" doesn't exist. Gorgeous, charming, and witty, he's everything you could ask for in a boyfriend—but his destiny is so much more. Even more

terrifying than his destiny are his dangerous enemies, enemies who will kill for immortality. How are Vincent and I supposed to be together forever if we're always in danger? I know I'll do whatever it takes—even if it means lying to the people I love—to fight against a fate that is trying to tear us apart. Capture the Crown Simon and Schuster A classic romance, suspense thriller, rip-roaring

adventure, and macabre comedy all at once, Dearly, Departed redefines the concept of undying love. CAN A PROPER YOUNG VICTORIAN LADY FIND TRUE LOVE IN THE ARMS OF A DASHING ZOMBIE? The year is 2195. The place is New Victoria—a high-tech nation modeled on the mores of an antique era. Sixteen-year-old Nora Dearly is far more interested in her country's

political unrest than in silly debutante balls. But the death of her beloved parents leaves Nora at the mercy of a social-climbing aunt who plans to marry off her niece for money. To Nora, no fate could be more horrible—until she's nearly kidnapped by an army of walking corpses. Now she's suddenly gunning down ravenous zombies alongside mysterious black-clad commandos

and confronting a fatal virus that raises the dead. Then Nora meets Bram Griswold, a young soldier who is brave, handsome, noble . . . and thoroughly deceased. But like the rest of his special undead unit, Bram has been enabled by luck and modern science to hold on to his mind, his manners, and his body parts. And when his bond of trust with Nora turns to tenderness, there's no

turning back. Eventually, they know, the disease will win, separating the star-crossed lovers forever. But until then, beating or not, their hearts will have what they desire. BONUS: This edition contains an excerpt from Lia Habel's *Dearly, Beloved*. "Heart-pounding . . . Nora and Bram's touching and tender relationship, with its emphasis on equality and living in the moment, feels

particularly special."—Publishers Weekly "Absolutely spellbinding . . . full of ingenious inventions and dynamic characters."—RT Book Reviews "A zombie romance? You bet."—Library Journal *Kiss of Steel* Houghton Mifflin Harcourt SOMETIMES YOU CHOOSE YOUR BATTLES. AND SOMETIMES, THEY CHOOSE YOU... Once, Max dreamed of a career, a home, a loving family. Blood Heir

Random House Horror, history, and Russian folklore collide in this brutal survival tale, where the worst prison in the world is

merely the gateway to even darker terrors. In 1953, the Siberian Gulag of Kolyma is hell on Earth-which is why Roman Morozov leaps at the chance to escape it. But even if they make it out, Roman and his fellow escapees still have hundreds of miles of frozen tundra between them and freedom. With the help of a mysterious being straight out of his childhood fairy tale stories, Roman just

might make it-or is the being simply a manifestation of the brutal circumstances driving him insane?

Kiss of Frost
Kensington Publishing Corp.

An erotic vampire romance set in historical times.

Synopsis: The village of Greenwich is rundown by an unknown blood disease, the only hope for survival is to stay isolated from everyone.

Beautiful and spirited
Serena Polland is

unable to hide away from the rest of the world. Defying her mother, Serena takes a job at the makeshift hospital, working as a nurse. At this hospital, each night, she spends working side by side with the mysterious doctor, Alexander Debergman. For Alexander, life was nothing more than a mere two hundred years of solitude and darkness. His work was the only thing that could sustain

him, until he met Serena. She was the sunlight he hadn't seen in centuries, she was a vision of warmth and beauty, love and desire. The unexpected happens when Serena not only loses her beloved mother to the sickness, but falls ill from it herself. When Alexander finds Serena fighting for her life and slowly losing the battle, he does the only thing he can do to save her life-make her what he is, a vampire.

LOVECRAFT, "Supernatural Horror in Literature" Howard Phillips Lovecraft forever

changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes--dread Cthulhu, Yog-Sothoth, the Plateau of

Leng, the Mountains of Madness-- have earned him a permanent place in the history of the macabre. In Tales of the Cthulhu Mythos, a pantheon of horror and fantasy's finest authors pay tribute to the master of the macabre with a collection of original stories set in the fearsome Lovecraft tradition: The Call of Cthulhu by H. P. Lovecraft: The slumbering monster-gods

return to the world of mortals. Notebook Found in a Deserted House by Robert Bloch: A lone farmboy chronicles his last stand against a hungry backwoods evil. Cold Print by Ramsey Campbell: An avid reader of forbidden books finds a treasure trove of deadly volumes-- available for a bloodcurdling price. The Freshman by Philip José Farmer: A student of the

After escaping from Evernight Academy, the vampire boarding school where they met, Bianca and Lucas take refuge with Black Cross, a fanatical

group of vampire hunters. Bianca must hide her supernatural heritage or risk certain death at their hands. But when Black Cross captures her friend—the vampire Balthazar—hiding is no longer an option. Soon, Bianca and Lucas are on the run again, pursued not only by Black Cross, but by the powerful leaders of Evernight. Yet no matter how far they travel, Bianca can't escape

her destiny. Bianca has always believed their love could survive anything . . . but can it survive what's to come? Spartan Destiny Sourcebooks, Inc. Destined delivers all the romance and action that fans expect as it brings Aprilynne Pike's Wings series to a deeply satisfying conclusion. Laurel used to think she was an ordinary girl from Crescent City, California. She

never would have believed she was truly a faerie from a realm called Avalon. Now Laurel must risk her life to save Avalon from destruction by Yuki—a rare and powerful Winter faerie—and troll-hunter Klea. But Laurel won't have to fight alone; David and Tamani, two boys she loves in different ways, will be by her side, along with her best friend, Chelsea. Readers of the *Need and Graceling*

series will want to follow Laurel's story from its beginning in Wings to its heart-stopping end in Destined. A Stroke of Midnight Jennifer Estep High school gets even harder when there's an evil god on the loose in the New York Times bestselling author's YA urban fantasy novel. My name is Gwen Frost, and I go to Mythos Academy, a school of myths, magic and warrior whiz kids. And

now there's also Loki, the evil god I helped set free against my will. On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos. But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get

arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself.

Kill the Queen Harper Collins This Spartan makes her own destiny . . . Most kids at the Colorado

branch of Mythos Academy know me as Rory Forseti, the daughter of Reaper assassins. Secretly, I'm a member of Team Midgard, a group of students and adults tasked with stopping Covington, the evil leader of the Reapers of Chaos. For me, the mission is a deeply personal one, since Covington is also the man who murdered my parents. When my friends and I get a lead on

a powerful artifact that Covington wants to steal, we think we finally have a chance to thwart the Reapers and stop them for good. Team Midgard comes up with a plan, but everything goes sideways, and I'm suddenly in the fight of my life. My worst fears might have come true, but I know what my Spartan destiny is—to save my friends, or die trying . . . *The Bear and the Nightingale*
