MOHAMMED GILLIAN

My Special Tree Rayo

Why should you be a friend to trees? Trees are a valuable natural resource. People depend on trees for food, and animals depend on trees for food and shelter. But most important, we depend on trees because they add oxygen, a gas we all need, to the air. While trees give us many wonderful products, we must also protect them because we can't live without them.

Little Tree AuthorHouse

Three little trees stood and dreamed of what they wanted to become when they grew up.

Be a Friend to Trees Harper Collins

Emmy loves trees. She loves oak trees with acorns. She loves pine trees with cones, and willow trees with swishy branches. But best of all, Emmy loves the mimosa tree that grows in her grandmother's pasture. So when Emmy decides she wants a mimosa tr

The Tree Book Knopf Books for Young Readers

A story to help us remember the importance of the 'Go Green' initiative.

Thank You, Tree Random House (UK)

Teaching a child to love trees is the first step in creating a better future for our planet. This book delightfully shares the cycle of life of trees with young readers as it teaches love for Mother Nature.

Turtle in a Tree Harper Collins

Immerse yourself in the beauty and power of nature with a different tree for every day of the year. Spend every day of the year with one of the world's most fascinating trees. In *A Tree a Day* seasoned nature writer and journalist Amy-Jane Beer shares 365 majestic and memorable trees from around the world. From the strength of Alder trees to the biology behind the autumn colors of New England; from folkloric medicines in tree sap to Shakespeare's Birnam Wood; from the giant sequoias of California to Klimt's Birch trees—*A Tree a Day* explores the botany, poetry, folklore, rich history, and natural beauty of trees. Dip in and out or spend each day exploring a new natural wonder. With award-winning photography, works of art, and detailed illustrations on every page, *A Tree a Day* illuminates the timeless splendor and power of the world's trees. GORGEOUS ILLUSTRATIONS: Each tree is illustrated with a unique work of art—from classical painting to breathtaking photographs. MEDITATIVE START TO EACH DAY: *A Tree a Day* is a beautiful reminder to pause each day and appreciate the natural world—no matter where you are. Each of the 365 entries offers a seasonal quote, fact, or story about trees to inspire gratitude and wonder. EVERGREEN: Nature lovers will

return to this book day after day, year after year—it makes for the perfect bite-sized, bedside reading. AUTHOR EXPERTISE: In addition to being a nature writer for *The Guardian*, Amy Jane-Beer has written more than 30 books about science and natural history. Perfect for: Tree and Nature Enthusiasts; Gardeners; Hikers, Backpackers, and Campers; Environmentalist; Fans of *A Cloud a Day*

Tree Full of Wonder Penguin

Rhyming verse and brightly colored illustrations tell the story of a boy and his family planting a tree for Tu B'Shevat and watching it grow. This board book is just right for little hands.

There Was a Tree Greenwood Books Ltd

Have you ever wondered why trees are important? Why do we need to protect them? *Tree Full of Wonder* is a vibrant, rhyming, educational and unique picture book showing the unbreakable bond between people and trees. Children will fall in love with nature and will become Protectors of the Trees. Mindful stories for kids create a brighter and calmer future, one child at a time. Through included, simple information, breathtaking illustrations and worksheets at the end, children will discover: - Why trees are important and useful to us. - What can we do to protect them. - How to recognise common trees. Buy your copy now and discover the wonder of trees!

Night Tree Penguin

In this delightful exploration of the seasons in nature, an oak tree and its animal inhabitants change and grow over the course of a year — just like their human neighbors! A large oak tree stands near an empty house. Like the house, it provides shelter and a place to raise a family. From its branches to its roots, six animals share the tree as a home. We follow the tree and the animals — a raccoon, opossum, acorn weevil, gray squirrel, blue jay, chipmunk — through the four seasons. Meanwhile, in the illustrations, we watch as a human family moves into the empty house, grows and adapts over time. Trees and animals — including humans! — follow life cycles across the seasons. Kids will love exploring nature's parallel lives.

A Tree Is a Home David C Cook

If you listen closely, the lone tree behind Oak Lane School has a story to tell. It starts with one owl, two spiders, and goes all the way up to ten earthworms using the tree as their home! So what does this tree need? Learn about the importance of trees and count from one to ten in this tale about going green.

A Tree Is Nice (Spanish edition) Harper Collins

The beloved American classic about a young girl's coming-of-age at the turn of the century, Betty Smith's *A Tree Grows in Brooklyn* is a poignant and moving tale filled with compassion and cruelty, laughter and heartache, crowded with life and people and incident. The story of young, sensitive, and idealistic Francie

Nolan and her bittersweet formative years in the slums of Williamsburg has enchanted and inspired millions of readers for more than sixty years. By turns overwhelming, sublime, heartbreaking, and uplifting, the daily experiences of the unforgettable Nolans are raw with honesty and tenderly threaded with family connectedness -- in a work of literary art that brilliantly captures a unique time and place as well as incredibly rich moments of universal experience.

Tap the Magic Tree Board Book Chronicle Books

Even though its kind sacrifices for the animals of the forest have marred the perfection of its shape, Small Pine is selected to be the Christmas tree in the Queen's castle, demonstrating that living for the sake of others makes us most beautiful in the eyes of God.

A Tree for Mr. Fish Greenwillow Books

"Trees are very nice," says Janice May Udry in her first book for children. She goes on to explain that even one tree is nice, if it is the only one you happen to have. Some of the reasons why trees are so good to have around are funny. Some are indisputable facts. But in all of them there is a sense of poetic simplicity and beauty which will be sure to entrance any young child. Whether he knows one tree or many, he will relish the descriptions of the delights to be had in, with, or under a tree. Marc Simont's joyous pictures, half of them in full color, accentuate the child-like charm of the words. And each painting of a tree or trees shows just how very nice they can be.

The Tale of Three Trees Marshall Cavendish

A tree is the biggest plant that grows. Trees can live for a very long time, and they are alive all year long, even when they look dead in winter. In this newly illustrated book, you will learn how a tree grows and how it gets food and water. You can also find out what happens to water after it travels through a tree's roots, branches, and leaves, and how to figure out a tree's age. Clyde Robert Bulla's simple and concise text and Stacey Schuett's lush illustrations follow a tree's continuous life cycle through spring, summer, winter, and fall.

Leo's Tree Illumination Arts

A spare and laugh-out-loud-funny picture book about seeing only half the full picture . . . and admitting when you're not quite all the way right. A greyhound swears there's a turtle in the tree. A bulldog says it's a squirrel. After all, a turtle in a tree? Who's ever heard of such a thing? But their argument leads to a most surprising discovery . . . that maybe neither one of them is all the way wrong, or all the way right, and friendship is all about listening to someone else's perspective.

This Tree Counts! Brooklyn Botanic Garden

Four children play in the moonlight before bedtime on a soft summer night.

A Tree Is Nice Kar-Ben

Trees are beautiful. They fill up the sky. If you have a tree, you can climb up its trunk, roll in its leaves, or hang a swing from one of its limbs. Cows and babies can nap in the shade of a tree. Birds can make nests in the branches. A tree is good to have around. A

tree is nice.
