Digital transformation  
is top of the agenda at  
banks and insurers

across the globe. And  
operational excellence  
and cost efficiency are  
the key themes;  
moving traditional  
banking and insurance  
to the digital world:  
digitalizing processes  
and optimizing  
operations. Cost

reduction is absolutely necessary; no doubt about that. But many banks and insurers see the digitalization of processes as the end result. All these efforts are really just bringing the basics up to date. What they do is restoring the past; they are not creating the future. The financial services industry is in a new phase. Banks and insurers have to operate much closer to the market. Digital technologies and changing customer behavior are changing the fundamentals of the industry; too fundamental to be solved by cost focus alone. In Reinventing Customer Engagement bestselling authors Roger Peverelli and Reggy de Feniks introduce a practical set of guiding

principles to help bankers and insurers make the next leap and close the gap between 'digital transformation to restore the past' and 'digital transformation to create a future': \* How can financial institutions deploy technology to not only reduce costs and solve basic frictions, but simultaneously to lift customer engagement to a dramatically higher level? \* What engagement strategies fit best with new customer behaviour? \* What new forms of customer engagement are made possible by new technologies? \* How can banks and insurers use new engagement strategies to open new revenue streams and create a next level of business models? The next level

of digital transformation is about reinventing customer engagement to create more and new value for customers as well as for financial institutions. With more than 200 best practices Reinventing Customer Engagement will spark loads of new ideas. A must read for anyone working in the financial sector.

**Engagement** Lid Pub Incorporated  
In this essential handbook—a blend of Rich Dad, Poor Dad and The Happiness Project—the co-host of the wildly popular InvestED podcast shares her yearlong journey learning to invest, as taught to her by her father, investor and bestselling author Phil Town. Growing up,

the words finance, savings, and portfolio made Danielle Town's eyes glaze over, and the thought of stocks and financial statements shut down her brain. The daughter of a successful investor and bestselling financial author of Rule #1, Phil Town, she spent most of her adult life avoiding investing—until she realized that her time-consuming career as lawyer was making her feel anything but in control of her life or her money. Determined to regain her freedom, vote for her values with her money, and deal with her fear of the unpredictable stock market, she turned to her father, Phil, to help her take charge of her life and her future

through Warren Buffett-style value investing. Over the course of a year, Danielle went from avoiding everything to do with the financial industrial complex to knowing exactly how and when to invest in wonderful companies. In *Invested*, Danielle shows you how to do the same: how to take command of your own life and finances by choosing companies with missions that match your values, using the same gold standard strategies that have catapulted Warren Buffett and Charlie Munger to the top of the Forbes 400. Avoiding complex math and obsolete financial models, she turns her father's investing knowledge into twelve easy-to-understand lessons. In each

chapter, Danielle examines the investment strategies she mastered as her increasing know-how deepens the trust between her and her father. Throughout, she streamlines the process of making wise financial decisions and shows you just how easy—and profitable—investing can be. Capturing a warm, charming, and down-to-earth give and take between a headstrong daughter and her mostly patient dad, *Invested* makes the complex world of investing simple, straightforward, and approachable, and will help you formulate your own investment plan—and foster the confidence to put it into action.

Identify mistakes standing in the way of investment success  
With so much at stake in investing and wealth management, investors cannot afford to keep repeating actions that could have serious negative consequences for their financial goals. The Five Mistakes Every Investor Makes and How to Avoid Them focuses on what investors do wrong so often so they can set themselves on the right path to success.

In this comprehensive reference, readers learn to navigate the ever-changing variables and market dilemmas that often make investing a risky and daunting endeavor. Well-known and respected author Peter Mallouk shares useful investment techniques, discusses the importance of disciplined investment management, and pinpoints common, avoidable mistakes made by professional and everyday investors alike. Designed to provide a workable, sensible framework for investors, *The Five Mistakes Every Investor Makes and How to Avoid Them* encourages investors to refrain from certain negative actions, such as fighting the market, misunderstanding

performance, and letting one's biases and emotions get in the way of investing success. Details the major mistakes made by professional and everyday investors. Highlights the strategies and mindset necessary for navigating ever-changing variables and market dilemmas. Includes useful investment techniques and discusses the importance of discipline in investment management. A reliable resource for investors who want to make more informed choices, this book steers readers away from past investment errors and guides them in the right direction.

 Hailed by Tony Robbins

as the “definitive breathwork handbook,” Just Breathe will teach you how to harness your breath to reduce stress, increase productivity, balance your health, and find the path to spiritual awakening. Big meeting jitters? Anxiety over a test or taxes? Hard time focusing? What if you could control your outcomes and change results simply by regulating your breath? In this simple and revolutionary guide, world-renowned pioneer of breathwork Dan Brulé shares the Breath Mastery technique that has helped people in more than fifty countries reduce anxiety, improve their health, and tap infinite stores of energy. Just Breathe reveals the truth that

elite athletes, champion martial artists, Navy SEAL warriors, first responders, and spiritual yogis have always known—when you regulate your breathing, you can moderate your state of well-being. So if you want to clear and calm your mind and spark peak performance, the secret is just a breath away. Breathwork gives you the tools to achieve benefits in a wide range of issues including: managing acute/chronic pain; helping with insomnia, weight loss, attention deficit, anxiety, depression, trauma, and grief; improving intuition, creativity, mindfulness, self-esteem, and leadership; and much more. Recommended “for those who wish to

destress naturally” (Library Journal), Just Breathe will help you utilize your breath to benefit your body, mind, and spirit.

FOREWORD BY

NOURIEL ROUBINI  
\$UPERHUBS is a rare, behind-the-scenes look at how the world's most powerful titans, the -superhubs- pull the levers of our global financial system.

Combining insider's knowledge with principles of network science, Sandra Navidi offers a startling new perspective on how superhubs build their powerful networks and how their decisions impact all our lives. \$UPERHUBS reveals what happens at the

exclusive, invitation-only platforms - The World Economic Forum in Davos, the meetings of the International Monetary Fund, think-tank gatherings and exclusive galas. This is the most vivid portrait to date of the global elite: the bank CEOs, fund managers, billionaire financiers and politicians who, through their interlocking relationships and collective influence are transforming our increasingly fragile financial system, economy and society.

#### **52 Wege zum Erfolg**

Simon and Schuster  
Die durch die Corona-Pandemie ausgelöste

volkswirtschaftliche Krise ist ein extremer Belastungstest für alle Wirtschaftsteilnehmer. Auch die Steuerberatungsbranche und ihre Mandantenunternehmen sehen sich großen Herausforderungen gegenüber: Existenzsicherung in der Krise, Risikofaktoren identifizieren, Neuausrichtung strategischer Optionen und Umgang mit dem Digitalisierungsschub. Die Corona-Krise hat dabei zwar nicht die grundsätzlichen Aufgaben neu gestellt, aber die Geschwindigkeit der Veränderung enorm beschleunigt. Eine erfolgreiche Bewältigung der anstehenden Aufgaben erfordert in den Kanzleien

veränderungsbereite Steuerberater, die kaufmännisches Faktenwissen mit neuen Methoden verbinden und das klassische Steuerberatergeschäft weiterentwickeln. Zudem wird nur eine zukunftsorientiert aufgestellte Kanzlei ihren Mandanten auch ein zukunftsweisender Berater sein. Das vorliegende Buch bietet vor diesem Hintergrund eine Handreichung insbesondere zu folgenden Themen: - Krisenaktionsplan und Mandantenbegleitung in der Krise - Erschließung neuer Geschäftsfelder durch betriebswirtschaftliche Beratung - Kanzleiworflows digitalisieren und automatisieren - Innovationsfähigkeit

entwickeln - Mitarbeiterfindung und aktives Personalcontrolling erfolgreich umsetzen Ausführliche Praxisbeispiele, Checklisten und eine Mustersammlung unterstützen bei der Umsetzung im Praxisalltag.  
**Giant Steps** Simon and Schuster  
 Wer finanziell unangreifbar ist, den lässt selbst in Krisenzeiten nichts aus der Ruhe bringen. Doch die Welt ist sehr komplex, und die Entwicklung der Finanzmärkte lässt sich niemals zu 100 Prozent vorhersagen. Daher ist es wichtig, sich vorzubereiten und zu agieren anstatt zu reagieren. Leider haben viele Menschen Angst vor einer Marktkorrektur und lassen sich dadurch

von einer Investition in Wertpapiere abhalten. Sie befürchten, ihr ganzes Geld zu verlieren. Doch wer sein Geld auf einem Sparkonto anlegt, verdient aufgrund der Niedrigst- oder Negativzinsen garantiert nichts. Selbst wenn Sie nicht bei den niedrigsten Kursen einsteigen, ist es mittel- und langfristig ungünstiger, gar nicht zu investieren und sein Geld zu horten! Anstatt sich von Horrorszenarien aus den Medien ablenken zu lassen, sollten Sie sich lieber auf die Fakten konzentrieren. Wer die Fakten kennt und berücksichtigt, kann seine Risiken minimieren. Es ist besser, die Kontrolle zu übernehmen als sich nur über die

Geschehnisse am Markt zu beschweren. Der Markt raubt keinen Cent, wenn man es nicht zulässt! Um unangreifbar und finanziell wirklich unabhängig zu werden, müssen Sie investieren. Hierzu benötigt es der Expertise aus erster Hand und spezielle Strategien für Privatanleger. Lernen Sie, wie sich herausragende Investoren auf Worst-Case-Szenarien vorbereiten und dabei sogar noch Gewinne erzielen. Denn Finanzmärkte funktionieren nach Mustern, die man erkennen und für sich nutzen muss. Die hier vorliegende Zusammenfassung konzentriert die Kernaussagen, die wichtigsten Ideen,

Standpunkte und Argumente aus dem Buch „Unangreifbar“ des Autors Tony Robbins. Sie ist geeignet, um das Originalbuch zu rekapitulieren sowie um sich einen profunden Überblick zu verschaffen.

*Your Complete Guide to Factor-Based Investing* Dove Entertainment

The summary devotes one page to the subject of identity - how we see ourselves and how others see us. Our personal identity has a huge influence on our future actions, and this too is something that Robbins believes we have the power to choose and self-correct. The final section of the summary is entitled "A lesson in destiny". It invites us to

take full advantage of our time on earth, living each day as if it were the last. It may sound cliché, but it's true. Replete with inspiring quotes by famous thinkers - from Marcus Aurelius to Benjamin Disraeli - this is an inspiring read which will empower you with the right attitude and actions to master your destiny.

Kissing in Kansas City

Simon and Schuster

A course book for students of the various Dale Carnegie courses.

Just Breathe AB

Publishing, The Rights Company

This account of a teacher in Austria—a friend of Freud and one of the millions of victims of the Holocaust—is “beautifully written and deeply moving” (Joyce Carol Oates). Peter Singer’s *Pushing Time Away* is a rich and loving portrait of the author’s grandfather, David Oppenheim, from the turn of the twentieth century to the end of his life in a concentration camp during the Second World War.

Oppenheim, a Jewish

teacher of Greek and Latin living in Vienna, was a contemporary and friend of both Sigmund Freud and Alfred Adler. With his wife, Amalie, one of the first women to graduate in math and physics from the University of Vienna, he witnessed the waning days of the Hapsburg Empire, the nascence of psychoanalysis, the grueling years of the First World War, and the rise of anti-Semitism and Nazism. Told partly through Oppenheim’s personal papers, including letters to and from his wife and children, *Pushing Time Away* blends history, anecdote, and personal investigation to pull the story of one extraordinary life out of the millions lost to the

Holocaust. A contemporary philosopher known for such works as *The Life You Can Save* and *Animal Liberation*, Singer offers a true story of his own family with “all the power of a great novel . . . resonant of *The Reader* by Bernhard Schlink or *An Artist of the Floating World* by Kazuo Ishiguro” (*The New York Times*). This ebook features an illustrated biography of Peter Singer, including rare photos from the author’s personal collection.

[Coach Yourself to Success](#) neobooks Accelerate your journey to financial freedom with the tools, strategies, and mindset of money mastery. Regardless of your stage of life and your current financial

picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron’s (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled

with real-life success stories and vital lessons, such as... • Why the future is better than you think and why there is no greater time in history to be an investor • How to chart your personally tailored course for financial security • How markets behave and how to achieve peace of mind during volatility • What the financial services industry doesn't want you to know • How to select a financial advisor that puts your interests first • How to navigate, select, or reject the many types of investments available • Success without fulfillment is the ultimate failure! Financial freedom is not only about money—it's about feeling deeply fulfilled

in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money."  
—Jonathan Clements, Former Columnist for The Wall Street Journal  
"Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring."  
—Alan Greenspan, Former Federal Reserve Chairman  
"Tony is a force of nature."  
—Jack Bogle, Founder of Vanguard
