Ida Lupino did not want to
be an actress; composing
and writing were her
major interests. Ida
branched out into film
directing and producing in
1949, becoming one of
two women to enter the
male-dominated field.
While her feature films
were primarily aimed at

female audiences, on
television Ida Lupino
quickly became known for
her skill at directing
westerns, mysteries and
detective dramas - shows
aimed at male viewers
and many featuring all-
male casts. "No one ever
asked me to direct a love
story," she said. About the
Author Mary Ann
Anderson has had a
varied and extensive

career in the world of show business. She was exposed to the entertainment industry early on as the daughter of Emily McLaughlin, who played nurse Jesse Brewer for more than 25 years in ABC's General Hospital. As an author, Mary Ann has published Portrait of a Soap Star: The Emily McLaughlin Story. Mary Ann served as conservator for Ida Lupino, the actress and director, from 1984 to 1995. Many Brentwood residents who lived on Old Oak Lane recall the time

Miss Lupino set her mailbox on fire. She also delighted in watering her lawn and the neighbors - not the neighbors' lawns, but the neighbors! Through her association with Miss Lupino, Mary Ann met many other legends of "Old Hollywood," such as Olivia de Havilland, Joan Fontaine, Barbara Hale and Marie Windsor. Mary Ann has been instrumental in bringing the stories of Ida Lupino to A&E's Biography and Jeffrey Hunter to E!'s Mysteries and Scandals,

by researching, writing and appearing in them. She also worked on the Ida Lupino Paper Doll Book, released by Paper Studio Press.

Design is One World Bank Publications 1906. William is ten years old when his family leaves London for Barellito, a small Italian fishing village. The quiet of the village will not last long, however, thanks to the ripples created by the arrival of William and his family. His own life, too, is about to be upturned, in this remarkable and

wondrous new land where he will find new southern landscapes, a new kind of liberty, and above all new friends: Paolo, Nino, and the charming Lisa, united forever by an extraordinary event and a strange object...

and to get Ares Hildago to
notice her. For as long as

For decades performers, instrumentalists, composers, technicians and sound engineers continue to manipulate sound material. They are

trying with more or less success to create, to innovate, improve, enhance, restore or modify the musical message. The sound of distorted guitar of Jimi Hendrix, Pierre Henry's concrete music, Pink Floyd's rock psychedelic, Kraftwerk's electronic music, Daft Punk and rap T-Pain, have let emerge many effects: reverb, compression, distortion, auto-tune, filter, chorus, phasing, etc. The aim of this book is to introduce and explain these effects and sound treatments by

addressing their theoretical and practical aspects.

THE REAL AMITYVILLE HORROR: The True Story Behind The Brutal DeFeo Murders Settled in an affluent neighborhood in Long Island, New York is the one of the most infamous houses in all of America, or perhaps the world. The house with the iconic double-windows, white siding, and chimney

at 112 Ocean Avenue is the home to the one of the most horrific family massacres in history, as well as an infamous haunting hoax. The haunting of the Amityville house is much more prominently known than the murders that took place in the same house. The Amityville or DeFeo family murders committed by Ronald "Butch" DeFeo Jr. have gone down in both true crime and pop culture history. The book and the subsequent horror film series about the case continue to

fascinate and fear audiences years later. Both cases are clouded in unreliable testimony, profiteering, admitted fabrication, and greed. This is the real story of what happened at Amityville, and the events leading up to this horrific crime.
