This workbook is the second in a series of two student workbooks that coincide with the 300 level Poiema course. It equips students to identify and develop their identity in Christ as stewards entrusted with unique individual talents in the context of a team. The Apostle Paul notes "we are God's Poiema (his workmanship) created in Christ Jesus to do good works, which he prepared in advance for us to do (Ephesians 2:10).

The course gives students the tools to discover, explore and practice their God-given talents. Through the material, students will acquire foundational principles, knowledge, and understanding for further growth; preparing them to steward their talents as reflections of Christ in their circles of influence. What students are saying . . . Before taking this class, I wasn't even sure that that I had talents, much less what they were! But through taking the class, I have had the privilege of learning my talents so I have a better idea of what God has gifted me with, and what His plan is for me. I can only be who God has uniquely created to be, no matter how hard I try, there are things that I will never be good at or understand. That whole concept of breaking myths with

the truth has been more than eye opening it was freeing. God has put so much care and purpose in making every person. No two people have been gifted by God in the same way. I have learned that I am special and that God has a purpose for me and made me specifically for that purpose. The one big idea that I have taken from the first part of class was the whole idea of being "okay" with who God made me to be. *The Bible Unlocked: Following Jesus (edition in Black and White)* Precept Ministries International

Build Effective Scouting Ministry in Your Church Thomas Nelson

The United Methodist Church is endowed with certain responsibilities that allow scouting and civic youth serving programs to become a ministry. This is what differentiates us from a civic or community-based club. This Guideline will help explain the Office of Civic Youth Serving Agencies/Scouting (OCYSAS), the five chosen programs, and how to lead in this ministry area. This is one of the twenty-six Guidelines for Leading Your Congregation 2017-2020 that cover church leadership areas including

Church Council and Small Membership Church; the administrative areas of Finance and Trustees; and ministry areas focused on nurture, outreach, and witness including Worship, Evangelism, Stewardship, Christian Education, age-level ministries, Communications, and more.

Developing Your Spiritual Understanding (DYSU) is a confirmation lesson focusing on: increasing spiritual awareness; teaching youth how to make sound Christian decisions; and encouraging active participation in the church, school, community and the world. While spiritual development is personal, it is fostered through educating individuals about prayer, worship and service. It is imperative for youth in the 21st century to become empowered with a renewed sense of confidence and self-esteem.

This can only be accomplished when given the right tools to make spiritual life choices. We welcome each youth to take this confirmation journey in developing their spiritual understanding..

The Covenant Divorce Recovery Student Workbook Cokesbury

Do you know someone struggling with depression, anxiety, fear, rage, relationship difficulties and/or self-destructive behaviors such as alcohol and drug abuse, eating disorders, cutting or even suicidal thoughts? Do you desire to help but don't know how? The Go in Peace Biblical Discipleship Curriculum will give you the answer. This one-of-a-kind curriculum is: * Attention grabbing! It captures the interest of the brokenhearted and pinpoints their need for help. * Compassionate! It offers God's

healing touch to all who are struggling, no matter what the issue may be- including such heartbreaking issues as, divorce, abuse, rape and post-abortion. * Effective! It identifies the issues that are driving the self-destructive behaviors. * Practical! It provides tangible, life-changing application of God's Word to bring hope to the hurting. * Conceptual! Concept upon concept builds throughout the curriculum making the biblical truths taught within easy to grasp and apply. * Biblical! One hundred percent based upon the Word of God. * Easy to use! Whether you've discipled for years or have no prior training in how to minister to those in need this curriculum holds the answers. Depression, anxiety, outbursts of anger are just a few of the consequences associated with deep

heart hurts. Cherie Fresonke uses the story of the Sinful Woman in Luke chapter 7 as the foundation to help heal the brokenhearted in this powerful, life-changing curriculum. This Bible study teaches practical application of God's Word to help set the captives free. Those learning from the pages within will soon discover their fear replaced with strength, depression with joy, anxiety with faith, and rage with rest. Best yet, they will discover what it means to go in peace! The Go in Peace Biblical Discipleship Curriculum is easy to use. Order the Go in Peace Leader's Manual (ISBN: 978-0983167846) for yourself and order the Go in Peace Student Workbook (ISBN: 978-0983167853) for the person you wish to disciple. Then simply read the text out loud from the Leader's

Manual as the one you are discipling follows along in the Student Workbook. Every place the Leader's Manual has a bold/underlined word, the Student Workbook has a blank space. The curriculum was written in this manner to keep the student's attention. By having to fill in the blank the student not only pays attention, but God can speak deeper to his or her heart as the blanks are filled in with thought provoking words. You can also order the book Go in Peace (ISBN: 978-0983167815) which is assigned throughout the curriculum as homework, however the homework is optional and is not necessary to complete the curriculum. But it does reinforces the Biblical concepts which are taught in the curriculum. Here are a few words that some have penned after

going through the Go in Peace Biblical Discipleship Curriculum: "Amazing and life changing!" "Easy to understand and apply!" "Awesome resource!" "Great discipleship tool!" "Highly recommended!" "God blessed my life through it!" "Go in Peace will expose you to yourself!" "I will never be the same again-praises to the Lord!" Note from Cherie about the Go in Peace Leader's Manual Men's Edition: I must say that I was surprised to hear from so many men how this curriculum ministered to them. All I can say is: Praise the Lord! As the original flowery cover portrays I never intended to target men as my readers. But obviously God had greater plans! Since my original intent was never to write to men, the pages within this book remains the same as the original Go in

Peace Leader's Manual, only the cover has been changed. As inspiration for the cover, the Lord kept bringing a sentence to mind that He had me write in the curriculum. "Why do we choose to stand in the prison cell when the door is wide open? Accept the gift . . . go in peace." To learn more visit Cherie's website at: www.cheriefresonke.com.

This Course discusses common traditions of men concerning healing. A Biblical response to each tradition is presented since the best remedy against error is not silence, but proclamation of the truth of God's Word. As we remove traditions and objections concerning healing, we remove barriers blocking divine healing from occurring. The Psalmist David

indicated that although he previously declared his own ways he now desired to learn the ways of God..

This workbook goes with the Book/Study of the same title: Building Strong Family

Relationships to Avoid Family Drama and Division. This workbook contains several teaching tools for each day: Weekly Memory Verse - A short memory verse connected to the weekly lesson. By the fourth day of the specific lesson, your student should be able to recite the verse from memory. There is space on the fourth day to write the verse from memory. Scripture Prayer - Each week will also have a scripture that your student will rewrite into a prayer. This can be done by simply using the personal pronouns I and me or your student can completely rewrite the passage in their own words as a prayer. Example: Ephesians 4:31-32, "I will be kind to every person, tender-hearted, forgiving each person, just as God in Christ has forgiven me." After writing the

prayer on the first day, the student should pray aloud the prayer each day. Vocabulary - Each week will also have a few vocabulary words. Feel free to change or add to this list to make it more appropriate for your student. Each day will have some exercises to learn the vocabulary words. Comprehension - Each day's lesson has a lesson on comprehension. A variety of methods is used: fill in the blank, True and False, what does this scripture mean to you as well as other methods. Answers are in the main book. With subjective questions, you should make sure that the student has the right idea. Life application: This section has an assignment for using a tool from the week's lesson. Also included in the life application section each day is a place

for the student to write three things for which he is grateful.
