During the Harlem Renaissance, several literary periodicals encouraged African American women to submit poetry, short stories, essays, or other literary contributions for publication. Opportunity magazine was one such periodical that made immeasurable contributions to the careers of many female African American writers. This anthology collects all of the short stories published in Opportunity by African American women during the

magazine's 25 years of publication. It includes works by both well-known authors (Zora Neale Hurston, Marita Bonner) and more obscure writers. There is also an additional African tale translated by Violette de Mazia, a white woman known for promoting African American art. It also includes an introduction which contextualizes the short stories historically in light of the overall development of African American writing.

Jamey Popilowski dreams of becoming a rock star and Lilah Cellini dreams of Jamey. Together the young couple leave their childhood home of Terrabain Street and hit the open asphalt, kicking up a musical storm along the way. Entering their raw mix of carelessness and longing is Zeke, destiny in black leather. Zeke is the soundman, producer, preacher, but is he angel or devil? Lilah can't make up her mind; however, one thing is certain, he changes all their lives forever. While Jamey embraces the musician's lifestyle, along with its excesses, Lilah is confronted by choices that will ultimately lead her to her own goals. A Raw Mix of Carelessness and Longing follows the intertwined lives of friends and idols and articulates the fine balance between the love of making and performing music and the temptations that hide in the shadows.

In every family there is a rock—the person that keeps things together. In Blaire Sharpe's family, that rock was her grandma. As she shares the inspiring story of her relationship with her grandma, Blaire expands on the notion of what it really means to be loved. When she was just an infant, Blaire's troubled parents divorced. Since both parents were incapable of raising Blaire and her siblings, the children were slated for foster care—until their grandmother, Eleanor, stepped in to raise them as her own. As Eleanor valiantly struggled against a family legacy of alcoholism and depression, she modeled strength and wisdom to endure the most challenging of times. Still, Blaire's life was not perfect. As she matured into adulthood, she battled addictions that eventually led her into recovery, just as Eleanor's health began to decline. When she found herself sandwiched between two generations, each increasingly needy, Blaire poignantly reveals how she discovered the true meaning of love and commitment, and the essence of what it means to be a mother. Not Really Gone is the story about the undying love a grandmother gave her granddaughter—a love that inspired her to carry on and become the rock in her own family.

As Cricket lay in the soft comfort of her bed, continuing to let her mind nest on thoughts of how truly wonderfully attractive Texas Ranger Thibodaux was, she giggled, thinking that looking at him was more refreshing than swimming naked on a summer Sunday afternoon. He was a tall drink of water--far taller than most of the other men in town--and his shoulders were as broad as the state of Texas itself. Sky-blue eyes, bronze skin, square jaw, and dark hair--and that smile! In truth, Cricket had only seen Heathro Thibodaux smile three or four times, but each incidence was something she'd never forget. His smile was bright and white, and the gold tooth he owned on the upper-right incisor of his smile only embellished the richness of it. That one tooth. Cricket's smile faded as she thought of it. Oh, no doubt the flash only added to the splendor of his smile. Yet it also served as a reminder to anyone who had ever read or heard of what had happened in Texas one year before. No doubt it was a powerful remembrance to Heathro Thibodaux himself--a visual indication of true barbarity, pain, and loss. In that moment, Cricket wondered--when Heathro looked in the mirror each morning and saw that tooth, did he think of eight dead girls buried in the bottom of a bleak and barren canyon? Did he think of the eight dead girls that he, for no fault of his own, had been unable to save?
