**Peak District** Jonglez Publishing

We tried 1,000 places. And included only the 30 best. 30 unforgettable experiences that capture the soul of Rome.

**Elbrus and the Upper Baksan Valley** Lonely Planet

Visit an extraordinary hill where the "little angels" are buried; discover remarkable forgotten Art Deco buildings; see a plane taking off at really close range, leftovers from the 1908 and 1922 Universal Expositions, a beautiful private palace open to visitors once a month, modernist ceramics hidden on the 15th-floor terrace of a former government building, a remarkable secret staircase; experience little-known walks and views of the city; find an Amazonian talisman at Copacabana, vestiges of the Carioca river, a rare statue of the great-grandmother of Jesus, a taxi nightclub, a work of art in a favela, a disused airship hangar ... Far from the crowds and the usual beach and carnival clichés, Rio de Janeiro has countless treasures it reveals only to residents and travellers who wander off the beaten track. An indispensable guide for all those who thought they were familiar with Rio or would like to discover the other face of the city.

**Lonely Planet Denmark** Editions Jonglez

The Outer Hebrides are a place apart, an island chain stretching almost 200km from the Butt of Lewis to Barra Head with some of Britain's most mesmerising beaches, dramatic mountain ranges, wonderful wildlife, a long and fascinating history and a rich and vibrant Gaelic culture. This book features 40 mostly moderate walks, with many ideal for families, which take in magnificent sweeps of sand, soaring sea cliffs and memorable hill ascents, as well as celebrated cultural sights.

**Lonely Planet's Global Beer Tour** Dorling Kindersley Ltd

Bradt's fully illustrated wildlife guides focus on regions of the world particularly celebrated for their amazing and often unique species. With spectacular photography or exclusive watercolour drawings throughout, each visitors' guide provides an introduction to the region's principal flora and fauna alongside suggested wildlife itineraries, practical information on when to go and what to take and photography tips. Written in a deliberately engaging way, they offer something different from dry field guides, and will appeal to the interested layman as much as the wildlife devotee. Ideal as a lightweight companion to any wildlife trip they also make a handsome souvenir. Beautifully illustrated with full-colour photographs throughout, Madagascar Wildlife is a celebration of the unique fauna of a remarkable island. Featuring over 250 species - from lemurs to millipedes - this guide is ideal for natural history enthusiasts and travellers alike. Newly discovered species and recently protected habitats are all covered in this fully revised edition. Also included is practical advice on visiting the key national parks and reserves plus special features on the evolution, camouflage, night-time wildlife and conservation issues.

A map of Malaysia, designed for tourists and visitors. In addition to the main map of Malaysia, areas of special interest are shown in greater detail. There are area maps of Kuala Lumpur, Langkawi, Pulau Pinang, Pulau Tioman, Pulau Pangkor, Sabah and Sarawak, and the Cameron Highlands, and there is a site map of the Niah Caves. There are town plans of Kuala Lumpur city centre, Melaka, Kuala Terengganu, Kuantan, Kuching, Kota Kinabalu, Kota Bharu, Johor Bahru and Georgetown. The plans pinpoint key buildings and places of interest as well as where to stay. Distance and climate

charts should enable travellers to plan their visits, while photographs conjure up Malaysia's special atmosphere. Other features include marked scenic routes, and a calendar of events.

**Secret Venice** Bradt Travel Guides

Winemaking firefighters, a tree in a church, an inverted phallus at a well-known entrance, an atomic bomb shelter under Gare de l'Est, unsuspected traces of former brothels, a patron saint of motorists, royal monograms hidden in the Louvre courtyard, the presentation of Christ's crown of thorns, a prehistoric merry-go-round, a sundial designed by Dalí, war-wounded palm trees, bullet holes at the

ministry, religious plants in a priest's garden, a mysterious monument to Freemasonry at the Champ-de-Mars, a solid gold sphere in parliament, a Chinese temple in a parking lot, the effect of the Bièvre river on Parisian geography, a blockhouse in the Bois de Boulogne ... For those who thought they knew Paris well, the city is still teeming with unusual and secret places that are easily accessible.

Männer wie wir sehen Dinge. Wir tun Dinge, die uns gefühllos machen. Das ist der Preis für Macht und Geld, dafür, dass wir la belle vie leben und die französische Mafia leiten. Dann tauchte sie auf wie eine hübsche Wildblume, die durch die Ritzen eines schmutzigen Pflasters wächst - zerbrechlich und doch unverwundlich, ein Hauch von Schönheit inmitten des Schmutzes. Sie sollte nur ein weiterer Job sein, eine namenlose Person, die ich aus ihrem Leben reißen und meinem Bruder übergeben sollte, nichts weiter als ein Pfand in unserem Diamantengeschäft. Für Männer wie uns gibt es einen psychologischen Stempel. Uns fehlt es an Empathie und Schuldgefühlen. Wir tun Dinge, um zu bekommen, was wir wollen, Dinge, die Blumen verwelken lassen.

Explore the vibrant world of craft beer with Lonely Planet Global Beer Tour. We've selected some of the finest tap rooms, bars and breweries that thirsty travellers can visit in 30 countries around the world. Discover how to find them, which beers to sample, and learn about local places of interest with our recommended itineraries. Each country is introduced by a beer expert and includes regional beverages that shouldn't be missed. There's a world of great beer to taste - go and discover it! So why go beer touring, especially when it's easy and cheap to find interesting craft beers in your local shop? Firstly, craft beer doesn't travel too well and is affected by changes in temperature and long distances. And secondly, due to the explosion in small-scale breweries, many great beers aren't distributed outside their city or region. Beer often tastes better the closer it is to home, especially if that's straight from a tap in the actual brewery. The craft beer revolution has seen waves of breweries open up to the public, not just in the United States, the UK and Australia, where the trend is well established, but all over the world. Visit European beer capitals like Belgium, Italy and Germany, and sample local favourites in Canada, Australia and New Zealand. In Asia, explore hotspots in Japan, Vietnam and China, then venture to South America, Africa and the Middle East. Each brewery is accompanied by a selection of sightseeing ideas and activities, from local museums and galleries, to great hikes or bike rides. The book also features fun sections on beer trails, hangover cures and the world's wildest beers. There's also practical advice like how to ask for a beer in the local language and the ideal snacks to accompany your drink. The lyrical, bestselling 2014 German Book Prize winner. It is 1989, and a young literature student named Ed, fleeing unspeakable tragedy, travels to the Baltic island of Hiddensee. Long shrouded in myth, the island is a notorious destination for hippies, idealists, and those at odds with the East German state. On the island, Ed stumbles upon the Klausner, Hiddensee's most popular restaurant, and ends up washing dishes there, despite his lack of papers. Although he is keen to remain on the sidelines, Ed feels drawn towards the charismatic Kruso, unofficial leader of the seasonal workers. Everyone dances to Kruso's tune. He is on a mission — but to what end, and at what cost? Ed finds himself drawn ever deeper into the island's rituals, and ever more in need of Kruso's acceptance and affection. As the wave of history washes over the German Democratic Republic, the friends' grip on reality loosens and life on the island will never be the same. PRAISE FOR LUTZ SEILER 'An enigmatic Bildungsroman, adapting the literary trope of the island refuge to the dying days of East German socialism ... English readers can delight in this prizewinning translation from Tess Lewis, which renders Seiler's vision in prose of startling clarity.' The Saturday Age 'Kruso [is] the first worthy successor to Thomas Mann's Magic Mountain to appear in contemporary German literature.' Der Spiegel

The Sahara: a dream-like, far away landscape of Lawrence of Arabia and Wilfred Thesiger, The English Patient and Star Wars, and home to nomadic communities whose ways of life stretch back millennia. Today it's a teeth-janglingly dangerous destination, where the threat of jihadists lurks just over the horizon. Following in the footsteps of 16th century traveller Leo Africanus, Nicholas Jubber went on a turbulent adventure to the forgotten places of North Africa and the legendary Timbuktu. Once the seat of African civilization and home to the richest man who ever lived, this mythic city is now scarred by terrorist occupation and is so remote its own inhabitants hail you with the greeting, 'Welcome to the middle of nowhere'. From the cattle markets of the Atlas, across the Western Sahara and up the Niger river, Nicholas joins the camps of the Tuareg, Fulani, Berbers, and other communities, to learn about their craft, their values and their place in the world. The Timbuktu School for Nomads is a unique look at a resilient city and how the nomads pit ancient ways of life against the challenges of the 21st century.

Made up of the old counties of Wigtonshire and The Stewartry, Galloway covers a vast swathe of Scotland's quiet southwest corner. This under-discovered area offers 260km of coast, full of sandy beaches and towering cliffs, lonely heather-clad moors and quiet hills. Add to this plenty of wildlife, a rich artistic heritage, strong spiritual influences and a climate kissed by the warming Gulf Stream, and you have a region beckoning to be visited.

In this stunning book, Lars Jonsson celebrates and explores the beauty of the birds that surround him during the Swedish winter months. Inspired by the desolate, wintry landscapes, the dazzling light and the stark contrast of colours he observes against the snow, Jonsson has created an unparalleled collection of art. Jonsson illustrates each bird in his classic style, and his text provides information on their behaviour and insights into how to identify them as he shares personal observations as both an artist and ornithologist. This unique combination offers an intimate and compelling opportunity to better understand the method behind one of the world's preeminent bird artists.
