*The Dalai Lama's Little Book of Inner Peace* Duncan Baird  
 Publishers

You already have everything to transform your life into anything you desire. Do you believe it? The Law of Attraction is the power key to unlock your destiny, to consciously attract more of what you want and less of what you don't want. This book teaches you how to use the hidden energy within you to alter your life circumstances to create abundance of happiness and success. Once you read this book, there is no turning back. So grab your copy now and start manifesting your dreams into reality! Mitesh Khatri is an internationally trusted leadership trainer, motivational speaker and national-best-selling author of *Awaken the Leader In You*. He founded Guiding Light Consultants with his wife and co-author Indu Khatri. Indu Khatri is a best-selling author and principle content designer for Guiding Light's corporate training programs and executive coaching.

*Just One Thing* Penguin

You've heard the expression, "It's the little things that count." It's more than a simple platitude. Research has shown that integrating little daily practices into your life can actually change the way your brain works. This guide offers simple things you can do routinely, mainly inside your mind, that will support and increase your sense of security and worth, resilience, effectiveness, well-being, insight, and inner peace. For example, they include: taking in the good, protecting your brain, feeling safer, relaxing anxiety about imperfection, not knowing, enjoying your hands, taking refuge, and filling the hole in your heart. At first glance, you may be tempted to underestimate the power of these seemingly simple practices. But they will gradually change your brain through what's called experience-dependent neuroplasticity. Moment to moment, whatever you're aware of—sounds, sensations, thoughts, or your most heartfelt longings—is based on underlying neural activities. This book offers simple brain training practices you can do every day to protect against stress, lift your mood, and find greater emotional resilience. Just one practice each day can help you to:

- Be good to yourself
- Enjoy life as it is
- Build on your strengths
- Be more effective at home and work
- Make peace with your emotions

With over fifty daily practices you can use anytime, anywhere, *Just One Thing* is a groundbreaking combination of mindfulness meditation and neuroscience that can help you deepen your sense of well-being and unconditional happiness.

*Buddha Doodles: Imagine the Possibilities* Red Wheel/Weiser  
Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear - Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

*The Buddha Book* Harmony

A sympathetic illustrated guide to learning to live with your mind—even when it tries to trick you. Most of us spend our lives trailing after our minds, allowing our brains to take us in directions that are safe and secure, controlled and conformed. Your mind doesn't want you to take that new job, sign up for that pottery class, or ask someone out. It wants you to stay unemployed, unfulfilled, and single because it enjoys routine and is resistant to change, no matter how positive the change may be. But more often than not, that's not what you want. *Whose Mind Is It Anyway?* will help you learn how to separate what you want from what your brain wants and how to do less when your mind is trying to trick you into doing more. In a colorful, funny, and nonthreatening way, it answers the difficult question of how we can take control of our self-defeating behaviors. Filled with charming illustrations, this book will be the friendly voice in your head to counter your negative thoughts, and it will teach you how to finally be at peace with all that you are.

*Tiny Buddha* Hay House, Inc

His Holiness the Dalai Lama offers powerful, profound advice on

how to live a peaceful and fulfilling life amidst all the conflicts of the modern world. In this distillation of his life and teachings, the Dalai Lama paints a compelling portrait of his early life, reflecting on the personal and political struggles that have helped to shape his understanding of our world. Offering his wisdom and experience to interpret the timeless teachings of the Buddha, *The Dalai Lama's Little Book of Inner Peace* is fresh and relevant to our troubled times. He explains in a simple and accessible way how each of us can influence those around us by living with integrity. And he holds out hope that, through personal transformation, we can all contribute to a better world. Replaces ISBN 9781571746092

*A Liberated Mind* Hampton Roads Publishing

"In all my years studying personal growth, Acceptance and Commitment Therapy is one of the most useful tools I've ever come across, and in this book, Dr. Hayes describes it with more depth and clarity than ever before."-Mark Manson, #1 New York Times best-selling author of *The Subtle Art of Not Giving a F\*ck* Life is not a problem to be solved. ACT shows how we can live full and meaningful lives by embracing our vulnerability and turning toward what hurts. In this landmark book, the originator and pioneering researcher into Acceptance and Commitment Therapy (ACT) lays out the psychological flexibility skills that make it one of the most powerful approaches research has yet to offer. These skills have been shown to help even where other approaches have failed. Science shows that they are useful in virtually every area--mental health (anxiety, depression, substance abuse, eating disorders, PTSD); physical health (chronic pain, dealing with diabetes, facing cancer); social processes (relationship issues, prejudice, stigma, domestic violence); and performance (sports, business, diet, exercise). How does psychological flexibility help? We struggle because the problem-solving mind tells us to run from what causes us fear and hurt. But we hurt where we care. If we run from a sense of vulnerability, we must also run from what we care about. By learning how to liberate ourselves, we can live with meaning and purpose, along with our pain when there is pain. Although that is a simple idea, it resists our instincts and programming. The flexibility skills counter those ingrained tendencies. They include noticing our thoughts with curiosity, opening to our emotions, attending to what is in the present, learning the art of perspective taking, discovering our deepest values, and building habits based around what we deeply want. Beginning with the epiphany Steven Hayes had during a panic attack, this book is a powerful narrative of scientific discovery filled with moving stories as well as advice for how we can put flexibility skills to work immediately. Hayes shows how allowing ourselves to feel fully and think freely moves us toward commitment to what truly matters to us. Finally, we can live lives that reflect the qualities we choose.

*Tiny Buddha* Andrews McMeel Publishing

Bringing the energy of true presence into our lives really does change things for the better—and all it takes is a little training. This treasury of 365 gems of daily wisdom from one of the most beloved Buddhist teachers of our age is a help and support for anyone who wants to train to meet every moment of life with 100 percent attention. Thich Nhat Hanh shows how practicing mindfulness can transform every area of our lives—and how its benefits radiate beyond us to affect others and the whole, larger world.

*Buddhism Plain and Simple* HarperCollins

Sleep deprivation is a growing problem worldwide. We go to our doctors for advice, but they seem to have nothing but pills to counteract this predicament, and these quick fixes fail to get to the root of the problem. *Buddha's Book of Sleep* is the first book to treat sleep disorders from the perspective of mindfulness

meditation. Yet this is a natural choice - mindfulness meditation has proven effective for other psychological problems such as stress, depression and anxiety and these very issues are what become sleep problems when our heads hit the pillow. Divided into two sections, this book attacks sleep disorders with a combination of wisdom and practical meditation exercises. The first section describes the reasons why mindfulness meditation's basis in self-awareness is appropriate for dealing with this problem, detailing the practices of this popular form of meditation. The second section contains seven specific exercises to practice at bedtime or in the wee hours of the morning, depending on when sleeping problems occur. Supplying readers with a new perspective on why they cannot fall asleep (even when they feel exhausted), and arming them with easy-to-use tools from the practices of mindfulness meditation, Buddha's Book of Sleep will help the reader calm their hurried thoughts and rest easy.

**Tiny Buddha's 365 Tiny Love Challenges** Shambhala Publications  
Zen and the art of falling in love . . . At once practical, playful, and spiritually sound, this book is about creating a new love story in your life. Drawing from Christian, Buddhist, Sufi and other spiritual traditions, *If the Buddha Dated* shows how to find a partner without losing yourself. Kasl, a practicing psychotherapist, workshop leader, and Reiki healer for thirty years, offers practical wisdom on using the path to love as a means of awakening. *If the Buddha Dated* teaches that when you stay loyal to your spiritual journey, you will bring curiosity, fascination, and a light heart to the dating process.

**Kindness** Hampton Roads Publishing

Awaken your heart and engage your mind with Buddhist Wisdom: Daily Reflections, a simple but powerful collection of Buddhist sayings and extracts that offer an easy way to incorporate the Buddha's greatest teachings into your everyday life. Use it daily or at random to find help facing a particular issue, problem or simple uncertainty. Illustrated with photographs of traditional Buddhist people, sacred places and monuments, the book provokes contemplation and deeper understanding for all individuals, regardless of religious persuasion. Buddhist Wisdom also offers a brief overview of the life of the Buddha, Buddhist teachings and the spread of Buddhism around the world; includes a Buddhist calendar of celebration days and festivals.

**Buddha's Book of Sleep** Year of Daily Reflections

"The essence of all spiritual life is your attitude to others." --His Holiness the Dalai Lama With clarity and candor, the Dalai Lama expounds on the core teachings of Buddhism. Fusing ancient wisdom with a modern sensibility, he gently encourages each of us to embrace lives of love and compassion; to embrace individual responsibility. His pithy reflections encourage us to rid ourselves of preoccupation with the ephemera of daily life and to find refuge in Buddha, Dharma, and Sangha. Inspiring, provocative, and thoughtful, this slim volume will be read and treasured for years to come.

**Buddhist Boot Camp** Mango Media Inc.

From the author of *Tiny Buddha's 365 Tiny Love Challenges* and founder of the popular online community *Tiny Buddha* comes a flexibound interactive journal to help readers creatively foster gratitude in their daily lives. Even in the hardest of times, we have things to be grateful for. Lori Deschene, founder of *TinyBuddha.com*, helps us recognize these small blessings with this journal dedicated to thankfulness. Each page of *Tiny Buddha's Gratitude Journal* includes a question or prompt to help readers reflect on everything that's worth appreciating in their lives. Sprinkled throughout this soulful journal are fifteen coloring pages depicting ordinary, often overlooked objects that enhance our lives, with space for written reflection on the page. With *Tiny*

*Buddha's Gratitude Journal*, readers will be able to recognize small blessings, focus on the positive, and foster optimism to help them be their best, happiest selves every day.

**Random Acts of Kindness Then & Now** Tuttle Publishing

During the last years of his life, Leo Tolstoy kept one book invariably on his desk, read and reread it to his family, and recommended it to all his friends: a compendium of wise thoughts gathered over the course of a decade from his wide-ranging readings in philosophy and religion, and from his own spiritual meditations. It was banned under the Communists, and only one volume, *A Calendar of Wisdom*, drawn largely from the writings of other famous thinkers, has been published before in English. *Wise Thoughts For Every Day* is the volume comprising Tolstoy's own most essential ideas about spirituality and what it is to live a good life. Designed by Tolstoy to be a cycle of daily readings, this book offers thoughts and aphorisms for every day according to a succession of themes repeated each month—such as God, the soul, desire, our passions, humility, inequality, evil, truth, happiness, prayer, and the blessings of love. At once challenging, comforting, and inspiring, this is a spiritual treasure trove and a book of great human warmth.

**Tiny Buddha's Gratitude Journal** New Harbinger Publications  
Cartoonist and children's illustrator/author Mollycules(tm) invites you to enjoy this whimsical compilation of comics known as 'Buddha Doodles.' 'Buddha Doodles' emerged from a practice that Mollycules(tm) started in the fall of 2011 as a way to begin each day with an illustrated affirmation or quote. The comic quickly gained popularity and is now featured on the Huffington Post daily. Drawn promptly upon waking, the practice peacefully rests in the belief that there are no mistakes.

**A Year of Buddha's Wisdom** HarperOne

With simple, whimsical drawings and simple, profound truths, *Buddha Doodles* celebrates the amazing possibilities of the divine light within us all. These inspiring messages, little doodles, and feel-good sayings can help you get in-tune while you meditate or inspire you toward mindfulness.

**The Other Side of Organized** HarperCollins

Building on the age-old art of storytelling, this beautiful book retells 20 ancient Buddhist tales in a way that will aid relaxation and prepare your child for sleep.

**Buddha's Brain** Tuttle Publishing

*Six Simple Rules for a Better Life* is not another self-help manual touting all kinds of grand changes that are meant to impress you but that instead serve to oppress you, making you feel so guilty that you avert your eyes as you walk past the shelf where it sits next to a bunch of other impulsively bought, unread books, each accusingly calling out to you, *Why aren't you following my instructions? What it is:* *Six Simple Rules for a Better Life* is a book filled with practical, achievable suggestions for all kinds of ways you can improve your life, along with a game plan for doing so. In *Six Simple Rules for a Better Life*, you'll learn that Life is Long and that you can achieve your goals when you slow down to make the changes and stop to celebrate the progress.

**Awakening the Buddha Within** Jaico Publishing House

Samuels suggests that becoming organized can reduce the stress of life's details and make time to embrace passions. Thousands of clients and readers have found help and inspiration in her advice, personal reflections on change and connection, and vision of what can be accomplished.

**If the Buddha Dated** Sourcebooks, Inc.

The *Buddhism Reading Cards* are designed as an easy and simple introduction to the fundamental teachings of Buddhism in a fun and practical way. Each card represents one fundamental, core principal of Buddhism. The cards are simple to use, each containing a wisdom that, like a glimmer of light, brings healing,

direction and inspiration to your life. The peaceful Buddha image helps the wisdom to flow easily, gently penetrating your mind and spirit. By choosing the card that you most connect with, you can easily open up a way to positively communicate with your subconscious mind. You will find that the cards shine new light on situations by inviting inner solutions that come easily from the energy, creativity and intelligence found within your own, deep being. The deck comprises 36 cards in total and is divided into four sections.

*Buddha Doodles* New Harbinger Publications

How would your life be different if you could regularly access boundless wisdom? Would it be more peaceful? Fun? Expansive? What are you waiting for? Each one of us sits upon our own toolbox--our own treasure trove of inner resources. The trick is learning how to open your toolbox and skillfully use the tools inside. In *Sitting on the Toolbox: Buddha's Wisdom for a Joyful Life*, Buddhist monk Venerable Bhante Sujatha uses humor, personal anecdotes, and a mix of ancient and modern stories to show you how to access your own deep truths and live a fuller, more joyful life.
