The book covers numerous tech entrepreneurial founders and software developers, and the exciting brands or products that they created. It goes deep on a handful of them, narrowly divulging exactly how a few software developers and startup founders created breakthrough tech products like Gmail, Dropbox, Ring, Snapchat, Bitcoin, Groupon, and more. It highlights and unpacks the general hero-worship that the media and our own minds practice about tech founders and tech entrepreneurs. This idealization of tech success can create a paradox, preventing average tech professionals from their own successful journeys. This book provides hard evidence that anyone in tech can create, and anyone on the peripheral of tech can break through to the center where innovation, creativity, and opportunity meet. The anecdotes, stories, evidence, facts, arguments, logic, principles, and techniques provided in this book have helped individuals and businesses engage in slow creation cycles, improve the morale of their development teams, and increased their delivery potential of their technology solutions overall. Average Joe covers: Genius - The systematic deconstruction and debunking of the commonly held assumptions in the tech industry around supreme intelligence, and how that intelligence has been worshipped and sought after, despite the facts. Slow Creation - How to force-manufacture creative ideation. How conscious and subconscious cycles of patterns, details, and secrets can lead to breakthrough innovations, and how those P.D.S. cycles, and systematic mental grappling, can be conjured and repeated on a regular basis. Little-C Creativity - The conscious and miniature moments of epiphany that leak into our active P.D.S. cycles of Slow Creation. Flow - Why it's great, but also - why it's completely unreliable and unnecessary. How to perpetually innovate without relying on a flow state. Team Installation - How teams and companies can engage their employees in Slow Creation to unlock dormant ideas, stir up creative endeavors, and jumpstart fragile ideas into working products. User Manipulation - How tech products are super-charged with tricks, secret techniques, and neural transmitters like Dopamine, Oxytocin, and Cortisol; how those products leverage cognitive mechanisms and psychological techniques to force user adoption and user behaviors. Contrarianism - How oppositional and backward-thinking leaders create brand-new categories and the products which dominate those categories. Showmanship - How tech players have presented their ideas to the world, conjured up magic, manufactured mystique, and presented compelling stories that have captured their audiences. Sustainable Mystique Triad - A simple model for capturing audiences consistently without relying on hype and

hustle.

IT WAS past three o'clock in the morning when Joe Calzaghe experienced the sweetest validation of his professional life. Victory over Jeff Lacy, a 28-year-old American compared to a young Mike Tyson because of his power and "take-no-prisoners attitude", left no one in doubt about the world super middleweight champion's talent. For years, Calzaghe's virtuosity remained a legend of the Welsh valleys. His defeat in 1997 of Chris Eubank brought him to prominence, winning for him the World Boxing Organisation (WBO) super middleweight title. But despite a record number of defences of the belt, his career lacked a defining contest. A long line of challengers and ex-titleholders were disposed of but the biggest names in American boxing avoided the ultimate showdown he craved. Hand injuries further obscured the true level of his aptitude for an art he began to learn from his father, Enzo, at the age of eight when - inspired by Sugar Ray Leonard - a rolled-up carpet in the family home in Newbridge became a makeshift heavy bag. This is the story of Calzaghe's extraordinary life, from his humble beginnings in his hometown of Newbridge, to his ascent to personal greatness, becoming the first super middleweight boxer to win the prized belt awarded by The Ring, the bible of boxing, in the division's near 20-year history. One of Britain's foremost sporting champions, a warrior and working-class hero, this is the story of the triumphs and trials that made Calzaghe a legend.

From a New York Times–bestselling author, a “gripping and beautifully written” novel of love and family set against the backdrop of Cold War Berlin (Bookpage). Berlin, 1961. Days before the Wall rises, three teenagers from an American school in West Germany travel to the Communist side of the divided city to join a May Day rally. One of them has brought along a flight bag belonging to his father, a US intelligence officer. Before long, the teens are in the custody of the secret East German police, the notorious Stasi. Unbeknownst to them, their parents have unfinished business, reaching back to World War II, which will pull the three friends into the vortex of an international incident. Told through flashbacks by alternating narrators, *Secret Father* is a novel of missed signals, cloaked motives, false postures, and panicked responses that tragically echo across borders and generations. Like the classic period thrillers of Graham Greene, James Carroll’s politically charged coming-of-age tale provides a “somber and evocative look at some of the most frightening times in one of the most frightening places in the Cold War” (Kirkus Reviews). “Carroll writes with rich, lyrical ease,” raves Publishers Weekly. “His characters are richly drawn, and the pieces of his impeccably paced story fit together with the cool precision of a Mercedes-Benz.”

Not Your Average Joe Simon and Schuster

'He's a great coach. He lives and breathes the game. There's nothing he doesn't know' Brian O'Driscoll 'The best coach Irish rugby - arguably Irish sport - has ever had' Malachy Clerkin, Irish Times In the autumn of 2010, a little-known New Zealander called Joe Schmidt took over as head coach at Leinster. He had never been in charge of a professional team. After Leinster lost three of

their first four games, a prominent Irish rugby pundit speculated that Schmidt had 'lost the dressing room'. Nine years on, Joe Schmidt has stepped down as Ireland coach having achieved success on a scale never before seen in Irish rugby. Two Heineken Cups in three seasons with Leinster. Three Six Nations championships in six seasons with Ireland, including the Grand Slam in 2018. And a host of firsts: the first Irish victory in South Africa; the first Irish defeat of the All Blacks, and then a second; and Ireland's first number 1 world ranking. Along the way, Schmidt became a byword for precision and focus in coaching, remarkable attention to detail and the highest of standards. But who is Joe Schmidt? In *Ordinary Joe*, Schmidt tells the story of his life and influences: the experiences and management ideas that made him the coach, and the man, that he is today. And his diaries of the 2018 Grand Slam and the 2019 Rugby World Cup provide a brilliantly intimate insight into the stresses and joys of coaching a national team in victory and defeat. From the small towns in New Zealand's North Island where he played barefoot rugby and jostled around the dinner table with seven siblings, to the training grounds and video rooms where he consistently kept his teams a step ahead of the opposition, *Ordinary Joe* reveals an ordinary man who has helped his teams to achieve extraordinary things. 'Rugby obsessives and amateur coaches will revel in the insight that Schmidt offers into his training methods, tactics and preparation ... Full of insight, emotion and considered analysis' Irish Daily Mail 'An insight into the fascinating personality of the man who has been the single most influential figure in Irish rugby over the last decade' Irish Times 'He is clearly more than an ordinary coach, the winning of two Heinekens, beating New Zealand twice, the 2018 Grand Slam and reaching no.1 in the World Rankings are positive brushstrokes, marking Irish rugby for ever ... A rocky read about exceptional deeds, told in extraordinary fashion' Irish Daily Star 'Undoubtedly the greatest coach in Irish rugby history' Daily Telegraph

"What is happening to my life?" Have you ever honestly asked yourself that question? As young boys, we dreamed of being pilots, firefighters, doctors, and cowboys. Now we're older, with a wonderful wife and kids, as well as a mortgage, a minivan, and a fulfilling but not-so-glamorous job. What happened? All the dreams that once inspired us have evaporated into traffic jams, computer screens, bills, and deadlines. Why is life so ordinary? If you think your life is nothing special, take a look at it through God's eyes. The revealing truth is that God chooses "ordinary," faithful men to do His most important work—regular guys like Peter the fisherman, David the shepherd, Stephen the waiter, Gideon the farmer, Paul the tentmaker, and even Jesus the carpenter. In this engaging book, Troy Meeder blends stories about biblical characters and contemporary men to show that an "average-Joe" life, an "ordinary" existence, shapes a man's integrity, moral stability, resolve, and strength. The world desperately needs an army of "average Joes." Like you. "Troy Meeder's heart-felt accounts from both his own personal experience and those of friends and family touch a raw nerve in your soul.... Average Joe reminds us that living a life focused on faith, family, and friends is what makes a man exceptional." —Rick Wiggers, average Joe and account manager Includes a study guide for use by men's groups.

"Radical Transformation is a tour de force."— Thomas Homer-Dixon, author of *The Upside of Down: Catastrophe, Creativity and the Renewal of Civilization* Radical Transformation is a story about

industrial civilization's impending collapse, and about the possibilities of averting this fate. Human communities first emerged as egalitarian, democratic groups that existed in symbiotic relationship with their environments. Increasing complexity led to the emergence of oligarchy, in which societies became captive to the logic of domination, exploitation, and ecological destruction. The challenge facing us today is to build a movement that will radically transform civilization and once more align our evolutionary trajectory in the direction of democracy, equality, and ecological sustainability.

A Far-From-Average Sports Book for the Average Joe Go beyond the 24/7 online highlights and celebrate the hilarious humor and heartwarming heroics of the sports world in this all-star collection of trivia, quotes, and anecdotes. For example... Did You Know? The Chicago Bears were originally known as the Staleys before being moved from Decatur, Illinois. The Decatur Staleys, as the team was known, was the pride of the city that holds the motto, "The Soybean Capital of the World." Houston Astros infielder Julio Gotay played every game with a cheese sandwich in his back pocket. Others had less cheesy items in their back pockets. Pitcher Sean Burnett had a poker chip in his, while pitcher Al Holland opted for a two-dollar bill. While accepting his NBA MVP award in 2014, basketball star Kevin Durant focused his remarks on his mother, Wanda Pratt. "The odds were stacked against us, a single parent with two boys by the time you were 21 years old," Durant said. "You made us believe, you kept us off the street, put clothes on our backs, food on the table. When you didn't eat, you made sure we ate. You went to sleep hungry; you sacrificed for us. You're the real MVP." Packed with incredible facts, quirky moments, and heart-warming stories, *The Average Joe's Super Sports Almanac* will delight fans of all ages and makes a great gift for the sports buff in your life - whether superfan or average Joe.

Do you ever find yourself shouting at the television as you listen to a politician spout ideas you know are unsound? Joe Blankenship has been doing that more and more often over the past several years, and it's his belief that someone needs to step forward and represent sound ideals for the community. Then one day, an idea presents itself: What if that someone was me? Join authors Robert Hickman and Susanna Hickman Bartee as they introduce you to Average Joe's everyman Joe Blankenship—a retired, small-town American rancher who decides to speak up and run for office just to see if the establishment will listen. Joe is no political expert, and not even his own family expects his campaign to last long. But when he begins giving speeches about how the government ought to be held to the same standards as private citizens and businesses, his message resounds with just enough people—and support—to keep him going. He may always be just an Average Joe, but it turns out that might be exactly who his community has been looking for.

Born during the Great Depression and not expected to live at birth, Joseph A. Nava is homeless at age fifteen, loses his chance at a college football scholarship after breaking his leg, and then struggles to support his growing family. Joe finds opportunity in the challenges he faces by moving his family from Massachusetts to Alaska, with no job offer, only hope. In Alaska Joe completes his education, works at the jobs he dreamed of, and with his intense love of hunting and competitive shooting, serves not only his community but nationally on the National Rifle Association board of directors. As a wildlife biologist, hunter, executive officer of the Institute of Arctic Biology, NRA All-American shooter, licensed assistant big game guide, pilot and community volunteer, Joe shares humorous and inspiring stories. Ever the teacher, Joe provides lessons on firearms safety, hunting, competitive shooting and from his sought-after bear safety classes, how to stay safe in bear country. Through Joe's example, we learn that with hard work we can be anything we want to be.

It's the bestselling book ever. It's been translated into more than 2,000 languages. It's changed people's lives around the world. No, it's not *Thin Thighs in 30 Days* . . . it's the Bible! Yet the Bible remains about as well-understood to many people as your typical software license agreement—and about as exciting. That's too bad, because the Bible is exciting, and it doesn't have to be a mystery. Whether you're new to the Bible and think the book of Job is a guide to finding the perfect career, or your rusty Bible knowledge needs a spit-and-polish, or you just want a fresh look at the book you've read so many times, this is the book for you. No dry theological treatise, it's written in an engaging, humorous style you will enjoy. In short, readable chapters, the authors first answer some basic questions: Who wrote the Bible? Is it accurate? How do you find your way around it? And how did Noah fit all those animals into the ark anyway? (Well, maybe not that, but there's still plenty of trivia in there.) Then they take you on a guided tour from Genesis to Revelation, summarizing important people, events, and themes. You'll get a good foundation for understanding and an excitement for reading this most important of books, the Bible. "The title says it all! It's an inspiring trailer for the Best Book in the World. This book was written over a period of some 18 years to combat numerous modern misconceptions about the New Testament, its history, its authors both as given by early Christians and pagans, the reasons it was considered inspired, and the meaning from the actual wording of the New Testament. Modern scholars are so wrong in their assessments of the New Testament with their seemingly "logical proofs" but upon deeper examination those proofs are seen as false assumptions without

any real proof and contradicted by the New Testament itself and its early history from the beginnings of Christianity.

In this third book in a series to help ESL learners, I concentrate on the type of homonyms that are multiple-meaning words like "bat." There are thousands of them, but I chose the most interesting ones. I included the pronunciation in what I hope is an easy way to understand. This book is for people who already know some English and want to improve, as well as for people who just love the English language.

Espresso Fiction: A Collection of Flash Fiction for the Average Joe HarperCollins UK

The story begins with Joe, an average thirty-something-year-old guy, who has just earned his brown belt. Joe is an accountant, husband, and parent who is overweight, hypertensive, and unhappy with his life in general. During his two-year journey towards earning his black belt, he discovers himself, transforms his life, and finds happiness. Though we all know that basic characteristics for success include confidence, desire, discipline, persistence, faith, and learning to deal with failure, many of us lack one or more of them. Through his journey from brown belt to black belt, Joe transforms himself into a positive-minded individual willing to take on challenges and make decisions. His journey is one of self-improvement, from being dissatisfied with his life to being in control of and happy with it.

*Not Your Average Joe* Harmony

When opportunity knocked, Joe Tiller busted the door down. Tiller became a major college head football coach somewhat late in his career. He was hired as the head coach at Wyoming just 12 days after his 48th birthday and became the head coach at Purdue two weeks before his 54th birthday. A disciple of the wide-open offenses used in the former Western Athletic Conference, Tiller's Wyoming teams enjoyed great success in what he fondly refers to as the "Wacky WAC." After leaving the Cowboys for Purdue, some coaches insisted that his one-back, spread offense wouldn't fly in the Big Ten Conference, with its physical, smash-mouth style of play. Instead, Tiller's fast-breaking offense, now nicknamed "basketball on grass," took the Big Ten by storm. Before Tiller came aboard, Purdue had endured 12-consecutive losing seasons. But under Tiller, the Boilermakers have enjoyed arguably their most successful winning stretch ever. Tiller's first eight teams went to bowl games, including the Rose Bowl. Before becoming a head coach, Tiller had served as an assistant at Montana State (his alma mater), Washington State, Purdue and Wyoming. He also spent nine years in Canada with Calgary of the CFL as an assistant coach, interim head coach, and in the front office—where he was responsible for booking rock star Alice Cooper and evangelist Billy Graham for appearances at McMahon Stadium, home of the Stampeders. In many ways, Tiller is a typical who has spent most of his life in the conservative Midwest and the open spaces of the western United States. A regular Joe, Tiller's laid-back style, wry sense of humor and, of course, winning ways has made him a hit with Purdue players and fans alike.
