The Official  
NHL Hockey  
Treasures  
McClelland &  
Stewart  
Limited  
Extremely  
thorough and  
expertly  
detailed, this  
guide is the  
most valuable  
resource for  
referees,  
coaches,  
leagues, and  
serious fans of  
the National  
Hockey  
League. The  
singular  
resource for  
the official

rules of the  
game,  
updated for  
the most  
recent  
changes, this  
book includes  
everything  
that is  
necessary to  
know in order  
to be a  
professional  
hockey  
expert--on or  
off the ice.  
From puck  
dimensions to  
penalty calls,  
and with  
informative  
diagrams and  
a complete  
index, nothing  
is overlooked  
in this  
essential  
hockey  
reference.  
The National

Hockey  
League  
Official Guide  
& Record  
Book, 1997-98  
Triumph  
Books (IL)  
This updated  
record book  
ensures that  
devotees of  
puck-driven  
action are as  
well educated  
on the sport  
as they are  
loyal to it. The  
only official  
book of its  
kind and  
presented by  
the National  
Hockey  
League itself,  
this guide to  
all things  
hockey  
reflects the  
2016-2017  
season in an

easy-to-understand format. The book is annually updated to feature new statistics, an index of every retired player since 1917, a detailed breakdown of the hot prospects for the next generation of teams, and information on all the current players.

[NHL Official Guide and Record Book 2010](#)

This expanded edition offers hockey fans a complete history of the sport and is filled with

facts and statistics gathered from more than 75 writers, historians, and statisticians.

**The Official NHL Hockey Treasures**

Total Sports  
No sport is as important to Canadians as hockey.

Though there may be a great many things that divide the country, the love of hockey is perhaps its single greatest unifier. Before the latest labour unrest in the National Hockey League (NHL), however, it

was easy to forget that hockey is also a multi-million dollar business run, not by the athletes or coaches, but by corporate boards and businessmen. The Lords of the Rinks documents the early years of hockey's professionalization and commercialization and the emergence of a fledgling NHL, from 1875 to 1936. As the popularity of hockey grew in Canada in the late nineteenth

century, so too did its commercial aspects, and players, club directors, rink owners, fans, and media had developed deep emotional, economic, and ideological interests in the sport. Disagreement came in the ways and means of how organized hockey, especially at the elite level, should be managed. Hence, some coordination, by way of governing bodies, was required to maintain a

semblance of order. These early administrative bodies tried to maintain a structure that would help to coordinate the various interests, set up standards of behaviour, and impose mechanisms to detect and punish violators of governance. In 1917, the NHL held its first games and by 1936 had become the dominant governing body in professional hockey. Having performed extensive

research in the NHL archives – including league meeting minutes, letters, memos, telegrams, as well as gate receipt reports – John Chi-Kit Wong traces the commercial roots of hockey and argues that, in its organized form, the sport was rarely if ever without some commercial aspects despite labels such as amateur and professional. The Lords of the Rinks is

the only truly comprehensive and scholarly history of the league and the business of hockey. Electronic Format Disclaimer: The image on page 22 has been removed at the request of the rights holder. *The National Hockey League Official Guide & Record Book, 2004* Triumph Books (IL) Interest in the National Hockey League is bigger than ever, and so is the NHL

Official Guide & Record Book. This revised and updated edition reflects the 2012 season and features an easy-to-understand expanded format, new statistics, an index of every retired player since 1917, a detailed breakdown of all the hot prospects, and information on every current player. Researched and compiled by the National Hockey League, this is the only official

reference on hockey, used by sports media throughout the world, and it features hundreds of action-packed photos from the one-of-a-kind ice sport. The NHL Official Rule Book Triumph Books (IL) The inspiring true story of Manon Rhéaume, the first and only woman to play a game in the National Hockey League, featuring an afterward from Manon herself. "One day, a woman will play in the

National Hockey League. If no one prevents her," said a twelve-year-old Manon Rhéaume. Manon always dreamed of playing hockey. So, when the team her father coached needed a goalie, five-year-old Manon begged for the chance to play. She didn't care that she'd be the only girl in the entire league or that hockey was considered a "boys' sport" in her hometown of

Lac-Beauport, Quebec, Canada. All she cared about was the game. After her father gave her that first chance to play, she embarked on a spectacular, groundbreaking career in hockey. At every level of competition, Manon was faced with naysayers, but she continued to play, earning her place on prestigious teams and ultimately becoming the first woman to play a game in the NHL. Including an

afterword written by Manon herself, *Breaking the Ice* is the true story of one girl's courage, determination, and love for the sport.

**The National Hockey League Official Guide & Record Book, 2015**

Triumph Books (IL) The Official Rules of the NHL is the essential resource for serious fans of the game, as well as for those who are new to the sport and want to be sure to play

by the rules. Updated and revised for 2003, this book is the singular source for the rules of the game.

**Official Rules of the NHL**

Triumph Books (IL)

To some, March 23, 1996, may have just been another Saturday, but for 26 National Hockey League teams, more than 600 professional hockey players, countless men and women behind the scenes and millions of fans, March 23

will be forever remembered as A Day in the Life of: The National Hockey League.

During the heat of pre-playoff competition, 80 of the world's best sports and lifestyle photographers set out to create images depicting the thrill and excitement of the National Hockey League.

Beginning at 12 a.m., these renowned photographers sought out the essence and spirit of "the Coolest Game

on Earth," not only through the players but also through the fans, officials, families, media, past NHLers and the countless others for whom NHL hockey is more than just a game. They captured the mounting excitement as the ice was prepped, the sticks taped, the microphones checked and as 18 teams prepared both mentally and physically for nine games across North America: They also covered

the eight other teams as they traveled, practiced and prepared for their games in days ahead. The resulting visual celebration, with over 300 photographs created both on and off the ice, presents a never-before-seen look at *A Day in the Life of: The National Hockey League*. In addition to dramatic photographs of game action, *A Day in the Life of: The National Hockey League*

features candid portraits of some of hockey's current superstars, including Wayne Gretzky, Pavel Bure, Brett Hull and Mario Lemieux. Also featured are coaches, such as Mike Keenan and Scotty Bowman, former hockey greats such as Denis Potvin and Henri Richard as well as a look into the NHL offices as they prepare for *A Day in the Life of: The National Hockey*

*League*. These captivating photographs are accompanied by essays written by some of North America's foremost sports writers. With a foreword by NHL commissioner Gary Bettman, *A Day in the Life of: The National Hockey League* is a tribute to NHL hockey throughout North America, both in words and pictures.

Official Guide  
and Record  
Book 2017*  
Carlton Books  
The years  
1942-67  
marked a  
golden era in  
the history of  
the NHL, when  
the best 120  
players in the  
world played  
before sold-  
out houses in  
six cities --  
New York,  
Boston,  
Chicago,  
Detroit,  
Montreal, and  
Toronto. Such  
names as  
Gordie Howe,  
Rocket  
Richard, and  
Bobby Hull

remain the enduring icons of the sport, and the standards for excellence against which all who follow are measured. Special essays by hockey's finest writers enrich the fast-paced narrative and gripping photographs. Illustrations include nostalgic programs and trading cards. The book also includes a CD-ROM and a unique Internet site. National Hockey League Official Guide & Record Book

2018 Triumph Books (IL) The complete go-to resource for all the latest information on NHL rules changes and updates Extremely thorough and expertly detailed, this guide is the most valuable resource for referees, coaches, leagues, and serious fans of the National Hockey League. The singular resource for the official rules of the game, updated for the most recent

changes, this book includes everything that is necessary to know in order to be a professional hockey expert--on or off the ice. From puck dimensions to penalty calls, and with informative diagrams and a complete index, nothing is overlooked in this essential hockey reference. **Years of Glory, 1942-1967** Triumph Books (IL) This edition, revised and updated for

the 2007-2008 season, features an easy-to-understand expanded format, new statistics, an index of every retired player since 1917, a detailed breakdown of all the hot prospects, and information on every current player. Photos throughout.

**National Hockey League Official Guide and Record Book 2016** Triumph Books (IL)  
Endorsed by the NHL, a large-format history of the sport's peak

years, complemented by essays by hockey's best commentators and more than three hundred photographs, commemorates the great goals, players, rivalries, and moments of the period.

*Official Rule Book of the National Hockey League* Simon and Schuster  
Celebrate the centenary of the National Hockey League with this fully revised and updated edition of *The Official NHL Hockey Treasures*.

Now in a brand-new format This new edition of *The Official NHL Hockey Treasures* -- which includes the 2015-16 Stanley Cup won by the Pittsburgh Penguins--tells the fascinating story of the sport through hundreds of photographs and an exhaustively researched text. As always, it covers hockey's origins and evolution, as well as the great players and memorable

games. But this title really scores with its awe-inspiring collection of 30 interactive facsimiles of hockey memorabilia. The removable items include 90-year-old newspaper articles about the NHL's first games, letters from the President of the NHL, player contracts--including Gordie Howe's deal to play with his two sons on the Hartford Whalers--collectible hockey cards, and much

more. Hockey fans will treasure this forever. *Total Stanley Cup* Syracuse University Press How did a small Canadian regional league come to dominate a North American continental sport? *Joining the Clubs: The Business of the National Hockey League* to 1945 tells the fascinating story of the game off the ice, offering a play-by-play of cooperation and competition

among owners, players, arenas, and spectators that produced a major league business enterprise. Ross explores the ways in which the NHL organized itself to maintain long-term stability, deal with its labor force, and adapt its product and structure to the demands of local, regional, and international markets. He argues that sports leagues like the NHL pursued a strategy that

responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning. Leagues successfully used the cartel form—an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey—along with a focus on locally branded clubs, to manage competition

and attract spectators to the sport. In addition, the NHL had another special challenge: unlike other major leagues, it was a binational league that had to sell and manage its sport in two different countries. Joining the Clubs pays close attention to these national differences, as well as to the context of a historical period characterized by war and peace, by rapid

economic growth and dire recession, and by the momentous technological and social changes of the modern age.

**National Hockey League Official Guide and Record Book**

**2015** Triumph Books (IL)  
This official publication of the National Hockey League chronicles the full history of Lord Stanley's celebrated trophy, presenting all the statistics, including complete records of

every team and player to appear in the playoffs. A 16-page photo insert showcases the top performers and key moments in Cup history. *National Hockey League Official Rules Total/Sports Illustrated* This edition features an expanded format making it easier to read and includes new statistics, such as game-winning goals, average time on ice per game played and hits. It

also includes an index of every retired player since 1917, photos and records of every current player, a section on hot prospects, and a detailed breakdown of the NHL draft. 100 photos, illustrations throughout. **National Hockey League Official Guide and Record Book 2014** University of Toronto Press Includes such information as the name of every player who appeared in an NHL game during

the 2013-2014 season, their lifetime record, records for retired players, Hall-of-Fame inductees, all star teams, and rule changes for the year. *National Hockey League Official Rules 2015-2016* McFarland This work not only relates the story of the growth and expansion of hockey from the frozen ponds in Canada to the sun-belt states of America, but also tells how

it has become  
one of the

world's most  
popular  
sports.

Photographs  
throughout.
