CAMERON BROWN

[French Women Poets of Nine Centuries](#) University of Hawaii Press

Austria-France, 1769. Marie Antonia of Vienna has her whole life mapped out ahead of her. She is to marry Dauphin Louis Auguste, eldest grandson of King Louis XV. As his wife, she will be called Marie Antoinette and will be the highest princess of France. Upon the death of the King, she will become Queen Marie Antoinette. But she dreads both new roles.

La Rose de Versailles, Lady Oscar Disney Electronic Content

A thoroughly entertaining and darkly humorous roundup of history's notorious but often forgotten female con artists and their bold, outrageous scams—by the acclaimed author of *Lady Killers*. From Elizabeth Holmes and Anna Delvey to Frank Abagnale and Charles Ponzi, audacious scams and charismatic scammers continue to intrigue us as a culture. As Tori Telfer reveals in *Confident Women*, the art of the con has a long and venerable tradition, and its female practitioners are some of the best—or worst. In the 1700s in Paris, Jeanne de Saint-Rémy scammed the royal jewelers out of a necklace made from six hundred and forty-seven diamonds by pretending she was best friends with Queen Marie Antoinette. In the mid-1800s, sisters Kate and Maggie Fox began pretending they could speak to spirits and accidentally started a religious movement that was soon crawling with female

con artists. A gal calling herself Loreta Janeta Velasquez claimed to be a soldier and convinced people she worked for the Confederacy—or the Union, depending on who she was talking to. Meanwhile, Cassie Chadwick was forging paperwork and getting banks to loan her upwards of \$40,000 by telling people she was Andrew Carnegie's illegitimate daughter. In the 1900s, a 40something woman named Margaret Lydia Burton embezzled money all over the country and stole upwards of forty prized show dogs, while a few decades later, a teenager named Roxie Ann Rice scammed the entire NFL. And since the death of the Romanovs, women claiming to be Anastasia have been selling their stories to magazines. What about today? Spoiler alert: these “artists” are still conning. *Confident Women* asks the provocative question: Where does chutzpah intersect with a uniquely female pathology—and how were these notorious women able to so spectacularly dupe and swindle their victims?

Equally Wed Rizzoli Publications

"And you thought sisters were a thing to fear. In this scandalous follow-up to Sally Christie's clever and absorbing debut, we meet none other than the Marquise de Pompadour, one of the greatest beauties of her generation and the first bourgeois mistress ever to grace the hallowed halls of Versailles. I write this before her blood is even cold. She is dead, suddenly, from a high fever. The King is inconsolable, but the way is now clear. The way is now clear. The year is 1745. Marie-Anne, the youngest of the infamous Nesle sisters and King Louis XV's most beloved mistress, is gone, making room for the next Royal Favorite. Enter Jeanne-Antoinette Poisson, a stunningly beautiful girl from the middle classes. Fifteen years prior, a fortune teller had mapped out young Jeanne's destiny: she would become the lover of a king and the most powerful woman in the land. Eventually connections, luck,

and a little scheming pave her way to Versailles and into the King's arms. All too soon, conniving politicians and hopeful beauties seek to replace the bourgeois interloper with a more suitable mistress. As Jeanne, now the Marquise de Pompadour, takes on her many rivals--including a lustful lady-in-waiting; a precocious fourteen-year-old prostitute, and even a cousin of the notorious Nesle sisters--she helps the king give himself over to a life of luxury and depravity. Around them, war rages, discontent grows, and France inches ever closer to the Revolution. Enigmatic beauty, social climber, actress, trendsetter, patron of the arts, spendthrift, whoremonger, friend, lover, foe. History books may say many things about the famous Marquise de Pompadour, but one thing is clear: for almost twenty years, she ruled France and the King's heart. Told in Christie's witty and modern style, this second book in the Mistresses of Versailles trilogy will delight and entrance fans as it once again brings to life the world of eighteenth century Versailles in all its pride, pestilence and glory"--

From Marie-Antoinette's Garden Routledge

A Library Journal Best Book of 2014: Historical Fiction The amazing power and truth of the Rapunzel fairy tale comes alive for the first time in this breathtaking tale of desire, black magic and the redemptive power of love French novelist Charlotte-Rose de la Force has been banished from the court of Versailles by the Sun King, Louis XIV, after a series of scandalous love affairs. At the convent, she is comforted by an old nun, Sœur Seraphina, who tells her the tale of a young girl who, a hundred years earlier, is sold by her parents for a handful of bitter greens... After Margherita's father steals parsley from the walled garden of the courtesan Selena Leonelli, he is threatened with having both hands cut off, unless he and his wife relinquish their precious little girl. Selena is the famous red-haired muse of the artist Tiziano, first painted by him in 1512 and still inspiring him at the time of his death. She is at the center of Renaissance life in Venice, a world of beauty and danger, seduction and betrayal, love and superstition. Locked away in a tower, Margherita sings in the hope that someone will hear her. One day, a young man does. Award-winning author Kate Forsyth braids together the stories of Margherita, Selena, and Charlotte-Rose, the woman who penned Rapunzel as we now know it, to create what is a sumptuous historical novel, an enchanting fairy tale retelling, and a loving tribute to the imagination of one remarkable woman.

Queer Enchantments Oxford University Press on Demand

Presents an illustrated account of the creation of one of the world's most dazzling and extensive gardens, the gardens at the palace of Versailles, noting the unique four-decade friendship between Louis XIV, the creator of the garden, and Andre Le Ntre, the gardener.

Rose Bertin, the Creator of Fashion at the Court of Marie-Antoinette Simon and Schuster

Women have been represented in art, literature, music, and more for decades, with the image of the woman changing through time and across cultures. However, rarely has a multidisciplinary approach been taken to examine this imagery and challenge and possibly reinterpret old women-related myths and other taken-for-granted aspects (e.g., grammatically inclusive gender). Moreover, this approach can better place the ideologies as myth creators and propagators, identify and deconstruct stereotypes and prejudices, and compare them across cultures with the view to spot universal vs. culturally specific approaches as far as women's studies and interpretations are concerned. It is important to gather these perspectives to translate and unveil new interpretations to old ideas about women and the feminine that are universally accepted as absolute, impossible to challenge, and invalidated truths. The Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines is a comprehensive reference book that provides an interdisciplinary and multidisciplinary perspective on the perception and reception of women across time and space. It tackles various perspectives: gender studies, linguistic studies, literature and cultural studies, discourse analysis, philosophy, anthropology, sociology, etc. Its main objective is to present new approaches and propose new answers to old questions related to gender inequalities, stereotypes, and prejudices about women and their place in the world. Covering significant themes that include the ethics of gender embodiment, myth of motherhood at the crossroad of ideologies, translation of women's experiences and ideas across cultures, and discourses on women's rehabilitation and dignification across centuries, this book is critical for linguists, professionals, researchers, academicians, and students working in the fields of women's studies, gender studies, cultural studies, and literature, as well as other related categories such as political studies, education studies, philosophy, and the social sciences.

The Rose of Versailles Volume 4 Henry Holt and Company

Marie Antoinette has remained atop the popular cultural landscape for centuries for the daring in style and fashion that she brought to 18th century France. For the better part of the queen's reign, one man was entrusted with the sole responsibility of ensuring that her coiffure was at its most ostentatious best. Who was this minister of fashion who wielded such tremendous influence over the queen's affairs? Winner of the Adele Mellen Prize for Distinguished Scholarship, Marie Antoinette's Head: The Royal Hairdresser, The Queen, and the Revolution charts the rise of Leonard Autie from humble origins as a country barber in the south of France to the inventor of the Pouf and premier hairdresser to Queen Marie-Antoinette. By unearthing a variety of sources from the 18th and 19th centuries, including memoirs (including Léonard's own), court documents, and archived periodicals the author, French History professor and expert Will Bashor, tells Autie's mostly unknown story. Bashor chronicles Leonard's story, the role he played in the life of his most famous client, and the chaotic and history-making world in which he rose to prominence. Besides his proximity to the queen, Leonard also had a most fascinating life filled with sex (he was the only man in a female dominated court), seduction, intrigue, espionage, theft, exile, treason, and possibly, execution.

Rebel Rose (Volume 1) Seal Press

By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. Kirsten Palladino will fill that need with this definitive book to inspire couples everywhere who are seeking a meaningful, personal ceremony and a momentous beginning to legally married life. Equally Wed brings author Palladino's expertise as the founder and editorial director of the world's leading online

resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, Equally Wed has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds, and shares her invaluable insider tips for making the most of each vendor; she also addresses fashion advice specific for LGBTQ readers, such as suiting up as a nonbinary nearlywed or attending fittings as a butch lesbian or a transgender woman. And best of all, she does it with the celebratory, joyful approach that all couples deserve. With a beautiful 2-color package, a total absence of heteronormative terms and assumptions, and a wealth of advice on every wedding-related topic imaginable, Equally Wed is set to be the go-to LGBTQ wedding guide just as every couple is finally free to wed.

Marie Antoinette's Head Metropolitan Museum of Art

To the uninitiated, the films of French New Wave director Jacques Demy can seem strange and even laughable, with their gaudy color schemes and sung dialogue. Yet since the late 1990s, a generation of queer filmmakers in France have found new inspiration in Demy's cinema. In this volume, author Anne E. Duggan examines Jacques Demy's queer sensibility in connection with another understudied characteristic of his oeuvre: his recurrent use of the fairy tale. In *Queer Enchantments: Gender, Sexuality, and Class in the Fairy-Tale Cinema of Jacques Demy*, Duggan demonstrates that Demy uses fairy-tale devices to explore and expand the identity categories of his characters, while he broadens the possibilities of the genre of the fairy tale through his cinematic revisions. In each chapter, Duggan examines how Demy strategically unfolds, challenges, and teases out the subversive qualities of fairy-tale paradigms. In chapter 1, Duggan reads Demy's *Lola* and *The Umbrellas of Cherbourg* through the lens of "Cinderella" and "Sleeping Beauty," while in chapter 2, she explores Demy's revision of Charles Perrault's "Donkey Skin" from the particular angle of gay aesthetics. In chapter 3, Duggan situates Demy's rendition of *The Pied Piper* in relation to a specifically Franco-American tradition of the legend, which thus far has not received critical attention. Finally, in Chapter 4, she examines the ways in which Demy's *Lady Oscar* represents the undoing of the figure of the maiden warrior. An epilogue reads Demy's fairy-tale cinema as exemplary of the postmodern tale. Duggan shows that Demy's cinema heightens the inherent tensions and troubles that were already present in fairy-tale texts and uses them to illustrate both the constraints and utopian possibilities of the fairy tale. Both film and fairy-tale studies scholars will enjoy Duggan's fresh look at the distinctive cinema of Jacques Demy.

Lady Oscar collection. Le rose di Versailles Scholastic Inc.

The American decorator Elsie de Wolfe (1858-1950) was the international set's preeminent hostess in Paris during the interwar years. She had a legendary villa in Versailles, where in the late 1930s she held two fabulous parties—her Circus Balls—that marked the end of the social scene that her friend Cole Porter perfectly captured in his songs, as the clouds of war swept through Europe. Charlie Scheips tells the story of these glamorous parties using a wealth of previously unpublished photographs and introducing a large cast of aristocrats, beauties, politicians, fashion designers, movie stars, moguls, artists, caterers, florists, party planners, and decorators. A landmark work of social history and a poignant vision of a vanished world, Scheips's book belongs on the shelf with Abrams' classics such as Slim Aarons: Once Upon A Time and Tony Duquette.

Queen of Fashion Abrams

Jehannette, an illiterate peasant girl of seventeen, hears voices that tell her she must help the Dauphin become king. But this proves hard to accomplish in 15th century France as the British occupy parts of the country, including Rheims where the crowning must take place. Jehannette must first convince the Dauphin of her mission and then help lead his army to push back the occupiers. Will this tough, radical yet vulnerable girl be able to triumph without questioning her own sanity? Thomas Keneally's interpretation of Joan of Arc contains a new vigor and authenticity not before seen in the Maid of Orleans stories. Capturing with incredible detail the realities of 15th century life, *Blood Red*, Sister Rose imaginatively portrays one of history's most inspiring passages with immediacy and drama.

La Rose de Versailles Getty Publications

The French Revolution brings to mind violent mobs, the guillotine, and Madame Defarge, but it was also a publishing revolution. Douthwaite explores how the works within this corpus announced the new shapes of literature to come and reveals that vestiges of these stories can be found in novels by the likes of Mary Shelley.

The Sun King's Garden JHU Press

This account of old regime Europe explores the cultural revolution which transformed 18th-century Europe. In the process the author explains, among other things, how Prussia became the dominant power in Europe & why the French monarchy collapsed.

The Culture of Power and the Power of Culture Wayne State University Press

capitaine de la garde royale Oscar François de Jarjayes. Oscar est une fille élevée comme un garçon et devenue un soldat par tradition familiale.

Marie-Antoinette, Oscar et le beau gentilhomme Axel de Fersen ont tous trois 18 ans, leur rencontre va bouleverser leur existence dans cette période qui marquera à jamais le destin de la France !

Rose Bertin, the creator of fashion at the court of Marie-Antoinette Rowman & Littlefield

Oscar François de Jarjayes is the commander of the French Royal Guards, but even this fearless noblewoman may have met her match. Enter Loulou de la Laurencie, Oscar's mischievous young niece. Loulou was sent to Oscar's house to improve her manners, but instead finds herself entangled in a bevy of adventures. She quickly becomes the key to helping Oscar and her loyal friends André and Rosalie solve some thrilling mysteries! This volume collects the four new stories written and illustrated by Riyoko Ikeda in 1984 & 1985, collectively known as *The Rose of Versailles Side Stories: The Great Detective Loulou*.

The Lady's Magazine and Museum of the Belles-lettres, Fine Arts, Music, Drama, Fashions, Etc Udon Entertainment

France, au printemps 1770, l'archiduchesse Marie-Antoinette, fille de l'impératrice d'Autriche Marie-Thérèse de Habsbourg, se marie à 14 ans avec un Bourbon, le futur Louis XVI. La dauphine est protégée à tout instant par le capitaine de la garde royale, Oscar François de Jarjayes, qui n'est autre que la fille cadette d'une respectable famille de soldats. Un jour, alors que Marie-Antoinette se rend à un bal masqué à l'opéra, elle y fait la rencontre d'un

gentilhomme suédois, Axel de Fersen et en tombe amoureux. Ils ont tous les trois 18 ans leur rencontre va, à jamais, bouleverser le cours de leur existence. Au Japon, le manga fut publié pendant 82 semaines : du printemps 1972 à l'automne 1973. Aujourd'hui encore, il est considéré comme le "manga pour jeunes filles" par excellence. Il marqua toute une génération, il bénéficia d'une popularité immédiate, et celle-ci est incroyablement stable depuis 30 ans.

The Gardener of Versailles Kana

Marie Antoinette at Petit Trianon challenges common perceptions of the last Queen of France, appraising the role she played in relation to the events of French Revolution through an original analysis of contemporary heritage practices and visitor perceptions at her former home, the Petit Trianon. Controversy and martyrdom have placed Marie Antoinette's image within a spectrum of cultural caricatures that range from taboo to iconic. With a foundation in critical heritage studies, this book examines the diverse range of contemporary images portraying Marie Antoinette's historical character, showing how they affect the interpretation and perception of the Petit Trianon. By considering both producers and receivers of these cultural heritage exponents - Marie Antoinette's historical figure and the historic house museum of the Petit Trianon - the book expands current

understandings of twenty-first century cultural heritage perceptions in relation to tourism and popular culture. A useful case study for academics, researchers and postgraduate students of cultural heritage, it will also be of interest to historians, keepers of house museums and those working in the field of tourism studies.
