ROWE MELODY

Business Ethics Henry Holt and Company (BYR)

The first book in Edgar-nominated Anne Holt's international bestselling mystery series featuring detective Hanne Wilhelmsen, last seen in 1222. A small-time drug dealer is found battered to death on the outskirts of the Norwegian capital, Oslo. A young Dutchman, walking aimlessly in central Oslo covered in blood, is taken into custody but refuses to talk. When he is informed that the woman who discovered the body, Karen Borg, is a lawyer, he demands her as his defender, although her specialty is civil, not criminal, law. A couple of days later another lawyer is found shot to death. Soon police officers Håkon Sand and Hanne Wilhelmsen establish a link between the two killings. They also find a coded message hidden in the murdered lawyer's apartment. Their maverick colleague in the drugs squad, Billy T., reports that a recent rumor in the drug underworld involves drug-dealing lawyers. Now the reason why the young Dutchman insisted on having Karen

Borg as a defender slowly dawns on them: since she was the one to find and report the body, she is the only Oslo lawyer that cannot be implicated in the crime. As the officers investigate, they uncover a massive network of corruption leading to the highest levels of government. As their lives are threatened, Hanne and her colleagues must find the killer and, in the process, bring the lies and deception out into the open.

Timothy of the Cay Indiana Historical Society

In 2020, ex-special forces war hero Ted Akers accepts an assignment to protect the second-African-American president, who is being targeted for assassination by an extremist militia group.

The Wisdom of Faith Government Printing Office

Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

The Space Between Puffin

"Fridtjof Nansen: A Book for the Young" by Jacob B. Bull (translated by M. R. Barnard). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

History of the Colony of New Haven Chicago Review Press

A tense, exciting thriller combined with a perceptive and harrowing portrait of life on the streets as a serial killer preys on the young and vulnerable homeless. 17-year-old Link is distrustful of people until he pairs up with Deb, homeless like him. But what Deb doesn't tell him is that she's an ambitious young journalist on a self-imposed assignment to track down the killer and that she's prepared to use herself as bait ... Winner of the Carnegie Medal

Blind Goddess HarperCollins

A riveting story of a pivotal battle in the Seven Years' War that changed Canadian history forever.

Seventeen-year-old Sébastien de L'Espérance and his friend Guillaume have fought to keep the British from getting a foothold in Île Royale (now Cape Breton Island) ever since the young men came from France two years ago. Britain has blockaded Louisbourg, and supplies for the 4000 inhabitants are running short. Despite Louisbourg's massive defences, if cut off from supplies provided by France, it cannot survive. Both young men are members of the Compagnies Franches de la Marine. They are sent out on scouting missions that provide valuable information about the British troops — troops which outnumber the French three to one. When British warships arrive in force, Sébastien vows to defend the town, his friend Guillaume, and the woman he loves.

One On One Human Kinetics Publishers

All 11-year-old Jared St. George can think about is making his school basketball team. What Jared refuses to think about is math, and the fact that he's failing it. The problem is tough: a poor math grade plus an unsympathetic coach equals no basketball team. Jared's only hope is peer tutoring from Ellie Brejovic, the weirdo classmate whom everyone teases. To his surprise, Ellie makes math make sense, except that Jared would rather admit to cheating than let the guys know about her. Turns out that's the really big mistake, one that could cost Jared not just a spot on the team, but something far more valuable. One on One is Don Aker's new novel for middle readers, a story that taps into the classic "making the team" dilemma with authentic characters, intelligent plotting and terrific writing. Kids who live to play basketball will love this book; kids who live to read will love it too.

Right State Good Press

A unique travel guide to the British Isles provides helpful information about landmarks, attractions, restaurants, and other sites associated with such beloved children's books as Winnie the Pooh, Peter Rabbit, Paddington Bear, The Secret Garden, Alice in Wonderland, and the Narnia and Harry Potter series. Original. 15,000 first printing.

Once Upon a Time in Great Britain Houghton Mifflin Harcourt

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and

everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

Stones Scholastic Canada

The Great Escape was the most daring and meticulously planned prisoner-of-war breakout of the Second World War. Yet not many Canadians—least of all children—know the heroic story of Wally Floody, a Canadian airman imprisoned in Stalag Luft III, who was a key figure in digging a set of sophisticated tunnels. Now acclaimed children's writer Barbara Hehner has penned a gripping action-adventure that tells Floody's incredible story, and how he eventually became the consultant for the movie *The Great Escape*. Packed with the kind of details kids love—like the fact that the prisoners built their own radios from empty cookie tins, or how the tunnels were shored up using 4,000 boards from the prisoners' beds—*The Tunnel King* also provides an informative and dramatic Canadian context to the Second World War. Written in a lively style infused with Hehner's obvious passion for her subject, this is a book that kids will devour.

Hondo HarperCollins

Who is Jenna Fox? Seventeen-year-old Jenna has been told that is her name. She has just awoken from a coma, they tell her, and she is still recovering from a terrible accident in which she was involved a year ago. But what happened before that? Jenna doesn't remember her life. Or does she? And are the memories really hers? This fascinating novel represents a stunning new direction for acclaimed author Mary Pearson. Set in a near future America, it takes readers on an unforgettable journey through questions of bio-medical ethics and the nature of humanity. Mary Pearson's vividly drawn characters and masterful writing soar to a new level of sophistication. *The Adoration of Jenna Fox* is a 2009 Bank Street - Best Children's Book of the Year.

The Thousandth Floor Graywolf Press

Reef is an embittered young offender, hardly able to contain his anger at the world over the death of his grandmother, the only person who had shown him any love. Seventeen-year-old Leeza is mourning the death of her older sister. A stone hurled in rage shatters both their lives and throws them together in the most unexpected way—and offers them a chance at healing.

The Glass Lake HarperCollins Canada

"Ben's world is falling apart, all because his teacher has taken an interest in his writing. But after so many new starts, he cannot face another move - especially now that he has found Ann" Cf. Our choice, 1996-1997.

King of the Journeymen Hachette UK

2014 Locus Awards Finalist, Nonfiction Category In this hip, accessible primer to the music, literature, and art of Afrofuturism, author Ytasha Womack introduces readers to the burgeoning community of artists creating Afrofuturist works, the innovators from the past, and the wide range of subjects they explore. From the sci-fi literature of Samuel Delany, Octavia Butler, and N. K. Jemisin to the musical cosmos of Sun Ra, George Clinton, and the Black Eyed Peas' will.i.am, to the visual and multimedia artists inspired by African Dogon myths and Egyptian deities, the book's topics range from the "alien" experience of blacks in America to the "wake up" cry that peppers sci-fi literature, sermons, and activism. With a twofold aim to entertain and enlighten, Afrofuturists strive to break down racial, ethnic, and social limitations to empower and free individuals to be

themselves.

The Sports Rules Book Vertigo

A companion to Taylor's bestselling modern classic "The Cay," this prequel-sequel tells the rest of the story of Phillip, a young white boy, and Timothy, an old black man, who become stranded on a small sandy cay in the Caribbean.

Experience And Education HarperCollins Canada

Just dumped by his girlfriend, Jace Antonakos has recorded a proclamation in a notebook his English teacher made him take on his winter vacation to the Mayan Riviera: I'm going to Mexico to get laid. The fact that he's only days away from turning 18 and still a virgin has Jace spooked, and he figures that Playa del Carmen's golden beaches draped with equally golden girls should increase his odds of success. On the other hand, the fact that he's travelling with his mother, his aunt and his nine-year-old autistic brother just about kills that bet. Then he meets Kate, who he thinks might be just the person to help him with his "problem." If only he knew what to say to her. Nothing new there -- no one in his family has been talking much after what happened to his older brother, Stefan. Until now, the no-talking thing has been working for Jace, who has kept a secret from everyone -- including himself -- for nearly a year. Opening up to someone may be way more than he can handle.

Scars and Other Stories John Wiley & Sons

We were going out stealing horses. That was what he said, standing at the door to the cabin where I was spending the summer with my father. I was fifteen. It was 1948 and one of the first days of July. Trond's friend Jon often appeared at his doorstep with an adventure in mind for the two of them. But this morning was different. What began as a joy ride on "borrowed" horses ends with Jon falling into a strange trance of grief. Trond soon learns what befell Jon earlier that day—an incident that marks the beginning of a series of vital losses for both boys. Set in the easternmost region of Norway, *Out Stealing Horses* by Per Petterson begins with an ending. Sixty-seven-year-old Trond has settled into a rustic cabin in an isolated area to live the rest of his life with a quiet deliberation. A meeting with his only neighbor, however, forces him to reflect on that fateful summer.

Fridtjof Nansen: A Book for the Young Simon and Schuster

Western adventure.

Hoosiers and the American Story Simon and Schuster

Reef is back in Halifax for the funeral of Frank Colville, his former mentor. Memories of Frank compete with memories of Leeza and the terrible way their relationship ended. Mindful that the restraining order against him has been renewed by Leeza's mother, Reef has no intention of staying in Halifax for long. Leeza, in the meantime, is feeling stifled by her mother's "concern." A first-year student at Dalhousie, she is kicking herself for not attending university out of town. Despite Reef's best efforts to stay away, circumstances push him and Leeza ever closer to each other. An eager political crusader wants to close Reef's former group home, and he will stop at nothing to get media attention, including manipulating news items. Reef is shocked to discover that he has been photographed outside Leeza's house and, therefore, in violation of the restraining order. Finding himself at the centre of growing controversy, Reef is pushed to his limits. Before he leaves town, Reef must face his demons and make some tough choices or else risk losing everything he has worked for, including the only girl he has ever loved.
