Although one of the fastest growing religious movements in the world, the Church of Jesus Christ of Latter-day Saints remains a mystery in terms of its core beliefs and theological structure. This timely book provides an important introduction to the basic history, doctrines and practices of The LDS--the "Mormon" Church. Emphasizing sacred texts and prophecies as well as the crucial Temple rituals of endowments, marriage and baptism, it is written by a non-believer, who describes Mormonism in ways that non-Mormons can understand.

R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees over the past decade.

Although condemned by mainstream churches, this folk saint's supernatural powers appeal to millions of Latin Americans and immigrants in the U.S. Devotees believe the Bony Lady (as she is affectionately called) to be the fastest and most effective miracle worker, and as such, her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude, two other giants of Mexican religiosity. In particular, Chesnut shows Santa Muerte has become the patron saint of drug traffickers, playing an important role as protector of peddlers of crystal meth and marijuana; DEA agents and Mexican police often find her altars in the safe houses of drug smugglers. Yet Saint Death plays other important roles: she is a supernatural healer, love doctor, money-maker, lawyer, and angel of death. She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes.

Moms are eager for tips and wisdom to help them build strong relationships with their daughters, and Kari Kampakis's Love Her Well gives them ten practical ways to do so, not by changing their daughters but by changing their own thoughts, actions, and mind-set. For many women, having a baby girl is a dream come true. Yet as girls grow up, the narrative of innocence and joy changes to gloom and doom as moms are told, "Just wait until she's a teenager!" and handed a disheartening script that treats a teenage girl's final years at home as solely a season to survive. Author and blogger Kari Kampakis suggests it's time to change the narrative and mind-set that lead moms to parent teen girls with a spirit of defeat, not strength. By improving the foundation, habits, and dynamics of the relationship, mothers can connect with their teen daughters and earn a voice in their lives that

allows moms to offer guidance, love, wisdom, and emotional support. As a mom of four daughters (three of whom are teenagers), Kari has learned the hard way that as girls grow up, mothers must grow up too. In Love Her Well, Kari shares ten ways that moms can better connect with their daughters in a challenging season, including: choosing their words and timing carefully, listening and empathizing with her teen's world, seeing the good and loving her for who she is, taking care of themselves and having a support system, and more. This book isn't a guide to help mothers "fix" their daughters or make them behave. Rather, it's about a mom's journey, doing the heart work and legwork necessary to love a teenager while still being a strong, steady parent. Kari explores how every relationship consists of two imperfect sinners, and teenagers gain more respect for their parents when they admit (and learn from) their mistakes, apologize, listen, give grace, and try to understand their teens' point of view. Yes, teenagers need rules and consequences, but without a connected relationship, parents may never gain a significant voice in their lives or be a safe place they long to return to. By admitting her personal failures and prideful mistakes that have hurt her relationships with her teenage daughters, Kari gives mothers hope and reminds them all things are possible through God. By leaning on him, mothers gain the wisdom, guidance, protection, and clarity they need to grow strong relationships with their daughters at every age, especially during the critical teen years.

This is a unique collection of cover artwork of revolutionary Jazz releases in the USA in the 1970s, a time of great political and social importance for African-American artists. Martin Luther King, Malcolm X and John Coltrane loom large as self-determination, economic power and musical freedom led to artists finding new paths - both musical and economic. Away from the mainstream, many of these musicians chose to 'take control' of their economic worth by recording, releasing and distributing their own material. Thirty years later and these artefacts are a striking reflection of the time; pre-desktop publishing, pre-internet these small-run (sometimes as low as 500 copies), self-made sleeves are as iconic and historically important as the revolution of D-I-Y culture that sprang out of Punk. Soul Jazz Records have produced many releases relating to this music and this book is the first ever collection of this amazing artwork. The book comes with a large introduction contextualising the music and artwork and relating how the music came about along with interviews with many of the people involved.

In this culinary memoir, readers get a personal tour of the storied New Orleans restaurant with the woman who put it—and Creole cuisine—on the map. Meet Ella Brennan: mother, mentor, blunt-talking fireball, and matriarch of a New Orleans restaurant empire. Ella is famous for bringing national attention to Creole cuisine, and her unique vision is best summed up in her own words: "I don't want a restaurant where a jazz band can't come marching through." In this candid autobiography, Ella shares her life story from childhood in the Great Depression to opening acclaimed eateries. When the Brennans launched Commander's Palace, it became the city's most popular restaurant. Many of the city's most famous chefs such as Paul Prudhomme, Emeril Lagasse, Troy McPhail, and many others, got their start there. Miss Ella of Commander's Palace describes the drama, the disasters, and the abundance of love, sweat, and grit it takes to become the matriarch of New Orleans' finest restaurant empire.
