recipes, each more seductive than the last, in a book that makes every dinner a turn-on. "I want you to see this. Then you'll know everything. It's a cookbook," he says and opens to some recipes, with color photos. "I want to prepare you, very much." This isn't just about getting me hot till my juices run clear, and then a little rest. There's pulling, jerking, stuffing, trussing. Fifty

preparations. He promises we'll start out slow, with wine and a good oiling . . . Holy crap. "I will control everything that happens here," he says. "You can leave anytime, but as long as you stay, you're my ingredient." I'll be transformed from a raw, organic bird into something—what? Something delicious. So begins the adventures of Miss Chicken, a young free-range, from raw innocence

to golden brown ecstasy, in this spoof-in-a-cookbook that simmers in the afterglow of E.L. James's sensational Fifty Shades of Grey trilogy. Like Anastasia Steele, Miss Chicken finds herself at the mercy of a dominating man, in this case, a wealthy, sexy, and very hungry chef. And before long, from unbearably slow drizzling to trussing, Miss Chicken discovers the sheer thrill of becoming the

main course. A parody in three acts—"The Novice Bird" (easy recipes for roasters), "Falling to Pieces" (parts perfect for weeknight meals), and "Advanced Techniques" (the climax of cooking)—Fifty Shades of Chicken is a cookbook of fifty irresistible, repertoire-boosting chicken dishes that will leave you hungry for more. With memorable tips and revealing photographs, Fifty Shades of

Chicken will have you dominating dinner. *The Storyteller* Sourcebooks, Inc. THE OFFICIAL MOVIE TIE-IN EDITION. In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Fifty Shades Darker: Book Two of the Fifty Shades Trilogy." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting

With the mystery of Maureen Johnson and Brittany Cavallaro and the historical intrigue of Romanov, this genre-bending YA will pull readers into one girl's journey of discovering the impossible tale of a long-lost aunt—and through her, the importance of being true to

yourself. It's not every day you discover you might be related to Anastasia...or that the tragic princess actually survived her assassination attempt and has been living as the woman you know as Aunt Anna. For Jess Morgan, who is growing tired of living her life to please everyone else, discovering her late aunt's diaries shows her she's not the only one struggling to hide who she really is. But was her aunt

truly a Romanov princess? Or is this some elaborate hoax? With the help of a supremely dorky but undeniably cute local college student named Evan, Jess digs into the century-old mystery. But soon Jess realizes there's another, bigger truth waiting to be revealed: Jess Morgan. Because if she's learned anything from Aunt Anna, it's that only you can write your own story.
