The Restoration Collection A. D. Chronicles

Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Woven into the fabric of prophecy, a young boy named Nehemiah must choose to embrace his destiny as cupbearer to the King of Kings. When Nehemiah, the child of Jewish exiles, begins hearing whispers and experiencing portentous visions, it quickly becomes clear to his father and his rabbi that the young cupbearer is

meant for a higher purpose . . . but what? Certain that the Messiah is alive at that very moment, the family waits for the boy's destiny to be revealed. From the ancient site of the Garden of Eden, Nehemiah undertakes a perilous journey. The caravan route is full of danger, hardship, and mystery—all of it linked to what Nehemiah has in his keeping. In due time, his path becomes clear. It leads to Jerusalem, to a wealthy Pharisee named Joseph of Arimathea . . . and to Jesus of Nazareth. In *Take This Cup*, the second installment of the Jerusalem Chronicles, Bodie & Brock Thoene envision more of Scripture's most enigmatic moments and expand their award-winning canon of historical fiction with unprecedented power and depth.

FIRST LIGHT. A.D. CHRONICLES. Simon and Schuster

From the New York Times bestselling author of *The Good House*, the story of two friends, raised in the same orphanage, whose loyalty is put to the ultimate test when they meet years later at a controversial institution—one as an employee; the other, an inmate. It's 1927 and eighteen-year-old Mary Engle is hired to work as a secretary at a remote but scenic institution for mentally disabled women called the Nettleton State Village for Feebleminded Women of Childbearing Age. She's immediately in awe of her employer—brilliant, genteel Dr. Agnes Vogel. Dr. Vogel had been the only woman in her class in medical school. As a young psychiatrist she was an outspoken crusader for women's suffrage. Now, at age forty, Dr. Vogel runs one of the largest and most self-sufficient public asylums for women in the country. Mary deeply admires how dedicated the doctor is to the poor and vulnerable women under her care. Soon after she's hired, Mary learns that a girl from her childhood orphanage is one of the inmates. Mary remembers Lillian as a beautiful free spirit with a sometimes-tempestuous side. Could she be mentally disabled? When Lillian begs Mary to help her escape, alleging the asylum is not what it seems, Mary is faced with a terrible choice. Should she trust her troubled friend with whom she shares a dark childhood secret? Mary's decision triggers a hair-raising sequence of events with life-altering consequences for all. Inspired by a true story about the author's grandmother, *The Foundling* offers a rare look at a shocking chapter of American history. This gripping page-turner will have readers on the edge of their seats right up to the stunning last page...asking themselves, "Did this really happen here?"
