Stephen
Curry,
acclaimed

bestselling
author Dan
Wetzel tells
the inspiring,

electrifying story of the NBA superstar, beginning a new series of sports biographies for young readers! Featuring comic-style illustrations by Zeke Peña! When you think of Stephen Curry, one word comes to mind: greatness. From shooting three-pointers with laser precision to his clutch ability to hit buzzer-beaters time and again, he has established

himself as one of the best players in pro basketball. But greatness was never a guarantee for Steph. The son of a talented NBA player, he dreamed of one day playing professionally just like his dad. Yet Steph, who was always smaller and weaker than the competition, was told over and over that he would never be talented enough to be a college star or NBA player-let alone the

MVP of the entire league. Through tenacity and hard work, he proved them all wrong and went on to dismantle the record books. With the high energy of a TV commentator, and featuring dynamic comic-style illustrations, this engaging biography tells the story of an NBA All-Star and the path he took to achieve his dreams. * "Wetzel knows how to organize the facts and tell a good story. . . an unusually informative

and enjoyable sports biography for young readers."

Renowned sports journalist Dan Wetzel shoots and scores with Epic Athletes: Lionel Messi, an inspiring young readers biography of a soccer great

who rose from an underdog to a champion! Featuring comic-style illustrations by Jay Reed! Lionel Messi has taken the soccer world by storm. He scored the most goals in a season. He's racked up championships. There was even a statue built in his honor. Despite the accolades, he's still hungry for more goals, more championships, more opportunities to shine on the soccer pitch. Messi's

drive to succeed has motivated him ever since he first stepped on his local, worn down field as a kid. Yet his success didn't come without bumps in the road. Filled with sports action and bold illustrations, this thrilling

biography details the rise of a living soccer legend. Praise for Epic Athletes: "An unusually informative and enjoyable sports biography for young readers."
