Use this flexible, research-based program to reinforce

key math skills for at-risk students. Perfect for Summer school or after-school programs, Math Around the Clock helps you provide targeted, individualized instruction to help every child stay on grade level. Lessons are organized by content strand and are designed to be taught in 45-60 minute teaching periods. The materials for every activity and lesson in the program are provided with each student workbook, including graph paper, dot paper, fraction strips, and base-ten blocks.
