WOOD GILLIAN

Escape from the Antarctic by Mocktime Publication

Inspired by Penguin's innovative Great Ideas series, our new Great Journeys series presents the most incredible tours, voyages, treks, expeditions, and travels ever written- from Isabella Bird's exaltation in the dangers of grizzlies, rattlesnakes, and cowboys in the Rocky Mountains to Marco Polo's mystified reports of a giant bird that eats elephants during his voyage along the coasts of India. Each beautifully packaged volume offers a way to see the world anew, to rediscover great civilizations and legends, vast deserts and unspoiled mountain ranges, unusual flora and strange new creatures, and much more.

Escape from the Antarctic DigiCat

Could you survive being stranded in the Antarctic? Ernest Shackleton: Survival in the Antarctic in the True Survival series explores Shackleton's shocking survival story. The book is written with a high interest level and lower level of complexity to serve more mature students reading at lower levels. Clear visuals, colorful photographs (including images of the survivors!), and considerate text help with comprehension and wild facts hold the readers' interest from the first page to the last. A table of contents, glossary, and index all enhance comprehension and vocabulary.

Aurora Australis The Rosen Publishing Group, Inc

His destination Antarctica, his expectations high, veteran explorer Sir Ernest Shackleton set out, on the eve of the First World War, in pursuit of his goal to lead the first expedition across the last unknown continent. Instead, his ship, the Endurance, became locked in sea ice, and for nine months Shackleton fought a losing battle with the elements before the drifting ship was crushed and his crew marooned. Shackleton's gripping account of his incredible voyage follows him and his men across 600 miles of unstable ice floes to a barren rock called Elephant Island. It records how, with a crew of four, he crossed 850 miles of the worst seas in a twenty-two-foot-long open boat and how, after

landing on South Georgia Island, they then had to traverse over twenty miles of mountainous terrain to reach the nearest outpost of civilization. Shackleton recounts, too, the efforts of his support party aboard the Aurora, who in temperatures of -50 [degree] and winds of 80 m.p.h. still managed to drop off supplies on the opposite side of the continent, little suspecting the fate of the Endurance and the ordeal of its crew. The harrowing experience recounted in Shackleton's memoir is also strikingly illustrated with eighty-eight diagrams and original photographs taken in the course of this incredible voyage.

Ernest Shackleton Simon and Schuster

"By endurance we conquer."--Shackleton family motto Eighty years after Ernest Shackleton's death, his legend and the extraordinary story of the Endurance South Pole expedition still hold a grip on the public imagination. Trapped in drifting polar pack-ice for ten months, Ernest Shackleton and his crew fought for survival against all the odds. When the Endurance was finally crushed, they were stranded on ice floes for more than a year before reaching Elephant Island. From there Shackleton; and five of his men embarked on the most remarkable rescue mission in maritime history, sailing in a small open boat to South Georgia Island across eight hundred miles of the world's roughest seas to bring help to the others. Though he failed to reach the South Pole, Shackleton's story lives on because of his unique qualities of leadership and the extraordinary fact that all of his men survived. This compelling narrative probes the profound influence of Shackleton's Irish and Quaker roots in the making of a great leader. It offers a vivid portrait of a man at odds with the world and with himself, whose ambition was tempered by his flawed humanity and egalitarianism. Here too are the untold stories of Shackleton's upbringing in Kildare, his time in the Merchant Navy, his 1901 voyage on the Discovery with Robert Falcon Scott, his 1907 Nimrod expedition, his marriage and love affairs, his life as a public figure and politician, and the haunting story of his final, fatal expedition on the Quest. Drawing on family records, diaries, and letters--and hitherto unpublished photographs and archive material--this mesmerizing book takes us beyond the myth to Shackleton; the man, for whom "optimism is true moral courage,"

and whose greatest triumph was that of life over death.

Shackleton: An Irishman in Antarctica is lavishly illustrated with more than a hundred photographs, maps, and engravings, some of them appearing in print for the first time. Shackleton: An Irishman in Antarctica, copublished by the Lilliput Press in Dublin and the University of Wisconsin Press, presents Shackleton family history with a particular focus on the explorer.

Need to Know about Ernest Shackleton Cherry Lake

Discover the remarkable life of Ernest Shackleton...Ernest

Shackleton was not just a great explorer-he was also a great commander. When the chips were down, he could always be depended upon to put others ahead of himself. Shackleton knew how to push the limits until he was able to exceed well above even the most generous of expectations that had been laid out for him. Yet time and time again, he also proved to be a compassionate leader who made sure that he never left a single man behind on his expeditions. This compassionate concern for those under his charge was brilliantly evidenced in his famous journey to the Antarctic on the ship prophetically named the Endurance. The mission's main objective would prove to be a failure, but what Shackleton achieved in terms of common humanity was stunning all the same. In this book, you will find presented in full the life, the legend, and the enduring spirit of one of the greatest adventurers this world has ever known-Sir Ernest Shackleton. Sir Ernest Shackleton and the Struggle Against Antarctica

Infobase Learning

Adventure, shipwreck, storms and survival on the high seas. ENDURANCE is the story of one of the most astonishing feats of exploration and human courage ever recorded. In 1914 Sir Ernest Shackleton and a crew of 27 men set sail for the South Atlantic on board a ship called the Endurance. The object of the expedition was to cross the Antarctic overland. In October 1915, still half a continent away from their intended base, the ship was trapped, then crushed in ice. For five months Shackleton and his men, drifting on ice packs, were castaways on one of the most savage regions of the world. This utterly gripping book, based on first-hand accounts of crew members and interviews with survivors, describes how the men survived, how they lived together in camps on the ice for 17 months until they reached land, how they were attacked by sea leopards, the diseases which they developed, and the indefatigability of the men and their lasting civility towards one another in the most adverse conditions conceivable.

Who Was Ernest Shackleton? Courier Dover Publications

In 1911 Roald Amundsen beat Robert Falcon Scott to the South Pole, and Scott and his colleagues all died on the return journey. Ernest Shackleton, who had served with Scott on a previous expedition, decided that crossing Antarctica from sea to sea was the last great unattempted journey on the continent. His Imperial Trans-Antarctic Expedition of 1914-17 was a failure. But perhaps because it failed, with Shackleton not only surviving but bringing his crew back alive, the expedition became more famous than many of those adventurous voyages that succeeded. After reaching the Weddell Sea off the coast of the Antarctic Peninsula, Shackleton's ship the "Endurance" became trapped in pack ice and spent 1915 drifting northwards. The "Endurance" was eventually crushed by the ice and sank, leaving 28 men stranded on the ice. They spent months sheltering from the subzero temperatures as the pack ice continued to drift. Eventually Shackleton accepted they could not rely on rescue and had to help themselves, so he led five men on an 800-mile voyage in an open boat to reach South Georgia, from where he was able to mount a rescue of all of the men he had left behind on the ice. "Every one of them survived--a remarkable tribute to his leadership, courage and determination." "South" is Shackleton's own account of the Imperial Trans-Antarctic Expedition. It is a true

story of courageous endurance, survival against the odds and an undeterred sense of adventure. This special edition includes detailed maps so that the reader can see just how extraordinary Shackleton's achievement was.

South Frances Lincoln Children's Books

As war clouds darkened over Europe in 1914, a party led by Shackleton set out to make the first crossing of the entire Antarctic continent via the Pole. But their initial optimism was short-lived as ice floes closed around their ship, gradually crushing it and marooning 28 men on the polar ice. Alone in the world's most unforgiving environment, Shackleton and his team began a brutal quest for survival. And as the story of their journey across treacherous seas and a wilderness of glaciers and snow fields unfolds, the scale of their courage and heroism becomes movingly clear.

Endurance Capstone

Discover the exhilarating true story of Ernest Shackleton's legendary Antarctic expedition Told through the words of the world's greatest living explorer, Sir Ranulph Fiennes - one of the only men to understand his experience first-hand . . . 'For anyone with a passion for polar exploration, this is a must read' NEW YORK TIMES 'THE definitive book on Shackleton and no one could have done it better . . . an authentic account by one of the few men who truly knows what it's like to challenge Antarctica' LORRAINE KELLY _____ In 1915, Sir Ernest Shackleton's attempt to be the first to traverse the Antarctic was cut short when his ship, Endurance, became trapped in ice. He and his crew should have died. Instead, through a long, dark winter, Shackleton fought back: enduring sub-zero temperatures, a perilous lifeboat journey across icy seas, and a murderous march over glaciers to seek help. Shackleton's epic trek is one of history's most enthralling adventures. But who was he? How did previous Antarctic expeditions and his rivalry with Captain Scott forge him? And what happened afterwards to the man many believed was invincible? In this astonishing account, Fiennes brings the story vividly to life in a book that is part celebration, part vindication and all adventure. _____ 'Fiennes makes a fine guide on voyage into Shackleton's world . . . What makes this book so engaging is the author's own storytelling skills' Irish Independent 'Fiennes relates these tales of exploration and survival, adding insight to Shackleton's journeys unlike any other biographer'

Radio Times Praise for Sir Ranulph Fiennes: 'The World's Greatest Living Explorer' Guinness Book of Records 'Full of awe-inspiring details of hardship, resolve and weather that defies belief, told by someone of unique authority. No one is more tailor-made to tell [this] story than Sir Ranulph Fiennes' Newsday 'Fiennes' own experiences certainly allow him to write vividly and with empathy of the hell that the men went through' Sunday Times 'Fiennes brings the promised perspective of one who has been there, illuminating Shackleton's actions by comparing them with his own. Beginners to the Heroic Age will enjoy this volume, as will serious polar adventurers seeking advice. For all readers, it's a tremendous story' Sara Wheeler, The Wall Street Journal [The South Pole](#) New Word City

[The South Polar Times](#) BoD - Books on Demand

Hailed as "a rousing read" by The New York Times, this breathtaking chronicle of Antarctic exploration was written by expedition leader Sir Ernest Shackleton. In 1914 he and his 28-man crew boarded the ship Endurance and sailed away to do something no one had ever done: to traverse and chart the mostly unknown territory of the South Pole. But within weeks of their arrival, their vessel became trapped in ice, drifting helplessly for months before sinking and leaving the crew stranded on a

melting ice floe. This account of the expedition's two-year struggle in one of the world's most uninhabitable regions relates a near-miraculous escape from multiple dangers: thousands of miles, traveled in lifeboats across tempestuous seas and in unforgiving landscapes of glaciers and icebergs; relentless cold; and the constant threat of starvation. A century later, Shackleton's firsthand account of the crew's harrowing experiences and their triumphant survival remains among the most thrilling adventure stories ever told.

STC South Sir Ernest Shackleton Stanfords Travel Classics Ernest Shackleton sailed to the South Pole as the First World War broke out in Europe, intent on making the first ever trans-Antarctic crossing. [i]South![/i] is Shackleton's first-hand account of the epic expedition, which he described as the last great journey on earth. During the journey, their ship, the *Endurance*, became trapped by ice and was crushed, forcing the men to survive in and escape from one of the world's most hostile environments. With no hope of rescue, Shackleton and four others set sail in a small open boat on a 600-mile crossing to South Georgia. Shipwrecked on the uninhabited side of the island, they were forced into making the first ever winter crossing of the island, all the time threatened by brutal cold and hunger. [i]South![/i] solidified Shackleton's name as an explorer. The dramatic story, one of the most astonishing feats of Polar escapology, remains as enthralling as when it was first published in 1919. Stanfords Travel Classics feature some of the finest historical travel writing in the English language, with authors

hailing from both sides of the Atlantic. Every title has been rest in a contemporary typeface and has been printed to a high quality production specification, to create a series that every lover of fine travel literature will want to collect and keep.

The Worst Journey in the World, Antarctic, 1910-1913 Voyages Promotion

The Unbelievable Story of Six Men Who Trekked Across the Great Ice Barrier in Support of Ernest Shackleton's Antarctic Expedition One hundred years ago, Sir Ernest Shackleton embarked on the legendary 1914-1917 Imperial Trans-Antarctic Expedition, defying the odds and accomplishing one of history's most remarkable feats of endurance while narrowly escaping death, even though his crew failed in their mission to cross Antarctica. His story, inflated by time and celebrity, has come to personify the Heroic Age of Antarctic Exploration. Less well known, however, is the incredible but often forgotten tale of the Mount Hope Party (also known as the Ross Sea party)—six men who worked in the shadow of Shackleton's greater cause. Sent to the opposite side of the Polar continent, these men dropped life-saving food and fuel depots across the Great Ice Barrier, ensuring that Shackleton had the supplies necessary to complete his mission. Unaware of Shackleton's own failed task, the party persevered in their mission, facing insurmountable obstacles of life on the ice—exhaustion, starvation, and crippling frostbite—risking their lives for the safety of his. Stitching together the previously unpublished diaries of these unsung heroes, McOrist documents their pain and suffering, as well as the humor and camaraderie necessary for their survival. An incomparable record of sheer

heroism and tragedy, Shackleton's *Heroes* tells a story that history ought to remember—one of the indomitable human spirit in the most extreme conditions.

the Impossible Journey of Sir Ernest Shackleton Twenty-First Century Books

Most explorers are famous for their successes and triumphs, but; Antarctic explorer Sir Ernest Shackleton never met his ultimate goal of crossing the Antarctic continent.

Shackleton's personal account of the doomed ship, *Endurance*. This record also credits the support party aboard the *Aurora*, who managed to drop off supplies on the other side of the continent despite temperatures of -50 degrees and 80mph winds.

Ernest Shackleton, Exploring Leadership Penguin UK

Broadly speaking, polar explorer Sir Ernest Shackleton was not successful; he never achieved any of the goals he originally set for himself. But when confronted with crushing adversity, he inspired his crew to work together to survive against incredible odds. While stranded on an ice floe 1,200 miles from civilization, Shackleton's discipline, fortitude, and heroism overcame months of hardship and peril to get all his men to safety. Here, in this brief eBook, Harvard Business School professor Nancy F. Koehn writes that his is an example from which every leader in today's unstoppable turbulence can learn.
