Mr. Strong may be a bit too strong for his

own good. But if you need a helping hand--he's your man!

THE LADY DETECTIVE Penguin

Whether enemy or ally, demon or god, the source of satisfaction or the root of all earthly troubles, the penis has forced humanity to wrestle with its enduring mysteries. Here, in an enlightening and entertaining cultural study, is a book that gives context to the central role of the penis in Western civilization. A man can hold his manhood in his hand, but who is really gripping whom? Is the penis the best in man -- or the beast? How is man supposed to use it? And when does that use become abuse? Of all the bodily organs, only the penis forces man to confront such contradictions: something insistent yet reluctant, a tool that creates but also destroys, a part of the body that often seems apart from the body. This is the conundrum that makes the penis both hero and villain in a drama that shapes every man -- and mankind along with it. In *A Mind of Its Own*, David M. Friedman shows that the penis is more than a body part. It is an idea, a conceptual but flesh-and-blood measuring stick of man's place in the world. That men have a penis is a scientific fact; how they think about it, feel about it, and use it is not. It is possible to identify the key moments in Western history when a new idea of the penis addressed the larger mystery of man's relationship with it and changed forever the way that organ was conceived of and put to use. *A Mind of Its Own* brilliantly distills this complex and largely unexamined story. Deified by the pagan cultures of the ancient world and demonized by the early Roman church, the organ was later secularized by pioneering anatomists such as Leonardo da Vinci. After being measured "scientifically" in an effort to subjugate

some races while elevating others, the organ was psychoanalyzed by Sigmund Freud. As a result, the penis assumed a paradigmatic role in psychology -- whether the patient was equipped with the organ or envied those who were. Now, after being politicized by feminism and exploited in countless ways by pop culture, the penis has been medicalized. As no one has before him, Friedman shows how the arrival of erection industry products such as Viagra is more than a health or business story. It is the latest -- and perhaps final -- chapter in one of the longest sagas in human history: the story of man's relationship with his penis. A Mind of Its Own charts the vicissitudes of that relationship through its often amusing, occasionally alarming, and never boring course. With intellectual rigor and a healthy dose of wry humor, David M. Friedman serves up one of the most thought-provoking, significant, and readable cultural works in years.

Mr. Greedy Penguin

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of

the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle A Wrinkle in Time Quintet A Wrinkle in Time A Wind in the Door A Swiftly Tilting Planet Many Waters An Acceptable Time A Wrinkle in Time: The Graphic Novel by Madeleine L'Engle; adapted & illustrated by Hope Larson Intergalactic P.S. 3 by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of A Wrinkle in Time. The Austin Family Chronicles Meet the Austins (Volume 1) The Moon by Night (Volume 2) The Young Unicorns (Volume 3) A Ring of Endless Light (Volume 4) A Newbery Honor book! The perfect book for anyone who has ever been part of the dating pool, reluctantly or not. Little Miss Shy likes being single and loves nothing more than staying in with a good book. But her mother feels quite differently and she reluctantly decides to give online dating a try. Will one of the Mr Men be her Mr Right? The Mr Men for Grown-Ups series now gives adults the chance to laugh along as the Mr Men and Little Miss try to cope with the very grown-up world around them. Featuring Roger Hargreaves classic artwork alongside hilariously funny new text.

Mr Men Adventures Farrar, Straus and Giroux (BYR)

The Mr. Men have been tickling children for generations with their funny and charming antics. The Mr Men for Grown-Ups series now gives adults the chance to laugh along as the Mr Men and Little Miss try to cope with the very grown-up world around them. Featuring Roger Hargreaves classic artwork alongside hilariously funny new text. Mr Happy is usually a very happy fellow. But the morning after the office party, he doesn't feel so happy. In fact, he loses his smile. It couldn't be that bad, could it? The perfect book for anyone who has ever been to a work party and lived to tell the tale. Also available in The Mr Men for Grown-Ups series: Little Miss Shy Goes Online Dating, Mr Greedy Eats Clean to Get Lean and Little Miss Busy Surviving Motherhood.

Mr Greedy Eats Clean to Get Lean
Penguin

Be optimistic in your life. Without optimistic, you can't live your life. It is only your optimism that leads you even in the darkness of your life. It is only your optimism that shows you the silver lining in the dark clouds. If you are optimistic, it means you know yourself. If you are optimistic, it means you love yourself. If you are optimistic, it means you are positive in your life. If you are optimistic, it means you believe in yourself. If you are optimistic, it means you have self-confidence. If you are optimistic, it means you know your goal. If you are optimistic, it means you have a purpose in your life. Only an optimistic person can live in this world. Only an optimistic person can enjoy his life fully even in the midst of sorrows and hardships. An optimistic person sees possibility in every calamity. But a pessimistic person sees impossible in every golden opportunity.

Mr. Men Little Miss Happy Diwali Simon

and Schuster

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships and a wake-up call for single women about getting real about Mr. Right. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

Mr. Funny Penguin

Mr. Strong Ladybird Books

Read the book that inspired the movie! Sixteen-year-old Starr lives in two worlds: the poor neighbourhood where she was born and raised and her posh high school in the suburbs. The uneasy balance between them is shattered when Starr is the only witness to the fatal shooting of her unarmed best friend, Khalil, by a police officer. Now what Starr says could destroy her community. It could also get her killed. Inspired by the Black Lives Matter movement, this is a powerful and gripping novel about one girl's struggle for justice.
