A Libertarian Walks Into a Bear Sleeping Bear Press

Every night Blue Kangaroo falls fast asleep, cuddled in Lily's arms. But as new toy animals start arriving, Blue Kangaroo worries that there just isn't enough room for him anymore. When he goes missing, Lily looks everywhere for him and it turns out NONE of the other toys mean as much to her as her first and favourite Blue Kangaroo.

This Is Pleasure Blue Kangaroo

The award-winning New York Times bestseller about the American women who secretly served as codebreakers during World War II-- a "prodigiously researched and engrossing" (New York Times) book that "shines a light on a hidden chapter of American history" (Denver Post). Recruited by the U.S. Army and Navy from small towns and elite colleges, more than ten thousand women served as codebreakers during World War II. While their brothers and boyfriends took up arms, these women moved to Washington and learned the meticulous work of code-breaking. Their efforts shortened the war, saved countless lives, and gave them access to careers previously denied to them. A strict vow of secrecy nearly erased their efforts from history; now, through dazzling research and interviews with surviving code girls, bestselling author Liza Mundy brings to life this riveting and vital story of American courage, service, and scientific accomplishment.

Two newly-single sisters, one by a divorce, the other by a death, become roommates with a handsome, gay cupcake-baker as they try to return to the dating world of lower Manhattan in this novel from the author of *The Inn at Lake Devine*.

A Field Guide to Other People's Trees Hachette Books

John Hughes's *Pretty in Pink* comes to the South Bronx in this bold and "emotional story about class, race, hard work, and finding one's place" (Publishers Weekly)—from author Lilliam Rivera. *Things/People Margot Hates: Mami*, for destroying her social life *Papi*, for allowing Junior to become a Neanderthal Junior, for

becoming a Neanderthal The supermarket Everyone else After "borrowing" her father's credit card to finance a more stylish wardrobe, Margot Sanchez suddenly finds herself grounded. And by grounded, she means working as an indentured servant in her family's struggling grocery store to pay off her debts. With each order of deli meat she slices, Margot can feel her carefully cultivated prep school reputation slipping through her fingers, and she's willing to do anything to get out of this punishment. Lie, cheat, and maybe even steal... Margot's invitation to the ultimate beach party is within reach and she has no intention of letting her family's drama or Moises—the admittedly good looking but outspoken boy from the neighborhood—keep her from her goal.

One of Publishers Weekly's Best Books of the Year Winner of the Christopher Award Winner of the Catholic Press Association Book Award WITTY, WRYLY HONEST, AND ALWAYS ORIGINAL, *My Life with the Saints* is James Martin's story of how his life has been shaped by some surprising friends—the saints of the Catholic Church. In his modern classic memoir, Martin introduces us to saints throughout history—from St. Peter to Dorothy Day, St. Francis of Assisi to Mother Teresa—and chronicles his lifelong friendships with them. Filled with fascinating tales, Martin's funny, vibrant, and stirring book invites readers to discover how saints guide us throughout our earthly journeys and how they help each of us find holiness in our own lives. Featuring a new chapter from Martin, this tenth-anniversary edition of the best-selling memoir updates readers about his life over the past ten years. In that time, he has been a New York Times best-selling author, official chaplain of *The Colbert Report*, and a welcome presence in the media whenever there's a breaking Catholic news story. But he has always remained recognizably himself. John L. Allen, Jr., the acclaimed Catholic journalist, contributes a foreword that shows how Martin has become one of the wisest and most insightful voices of this era. "An outstanding and often hilarious memoir." —Publishers Weekly "One of the best spiritual memoirs in years." —Robert Ellsberg "Remarkably engaging." —U.S. Catholic "Martin's final word is as Jungian as it is Catholic: God does not want us to be Mother Teresa or Dorothy Day. God wants us to be most fully

ourselves." —The Washington Post Book World

Want to cook dinner for fifteen? Have fifty people for drinks and canapés? Feed your family comforting food at lunch time? Make an elegant dinner for eight? Transport quantities of food to a picnic so it doesn't spill and crumble? In *You're All Invited*, Margot Henderson, who cooks for between 30 to 200 people every day, shows you how—using her panache as a caterer for Arnold & Henderson and restaurateur at London's Rochelle Canteen, and drawing on her family life with Fergus Henderson and their three children, she provides 130 easy and delicious recipes for all occasions. There are ideas for breakfast that you can face making first thing in the morning (bacon buns, spicy eggs); recipes for lunch and supper whether it's delicious things on toast or warming soups and stews (chorizo and potato stew), or Sunday roasts with perfect gravy and vegetables for a lingering lunchtime spread. Fortright and refreshing, Margot advises on how to give a drinks party with a Negroni roar - the crescendo a party reaches when everyone's happily drinking cocktails and eating canapés - and gives tips on feasting as well as packing for a picnic (the joy of Tupperware, the heaven of Scotch eggs) and making a seaside barbecue. *You're All Invited* is all you need to make every meal an occasion to remember.

I Love You, Blue Kangaroo! Sleeping Bear Press

Hasn't he lived long enough? Why not? I could take him like a thief in the night. This is how the Thief thinks. He serves death, the vacuum, the unknown. He's always waiting. Always there. Seventeen-year-old Nina Barrows knows all about the Thief. She's intimately familiar with his hunting methods: how he stalks and kills at random, how he disposes of his victims' bodies in an abandoned mine in the deepest, most desolate part of a desert. Now, for the first time, Nina has the chance to do something about the serial killer that no one else knows exists. With the help of her former best friend, Warren, she tracks the Thief two thousand miles, to his home turf—the deserts of New Mexico. But the man she meets there seems nothing like the brutal sociopath with whom she's had a disturbing connection her whole life. To anyone else, Dylan Shadwell is exactly what he appears to be: a

young veteran committed to his girlfriend and her young daughter. As Nina spends more time with him, she begins to doubt the truth she once held as certain: Dylan Shadwell is the Thief. She even starts to wonder . . . what if there is no Thief? From debut author Margot Harrison comes a brilliantly twisted psychological thriller that asks which is more terrifying: the possibility that your nightmares are real . . . or the possibility that they begin and end with you?

Romy and Michelle's High School Reunion meets *Night of the Living Dead* in this laugh-out-loud debut YA novel by Emmy Award-nominated TV writer E. Van Lowe Principal Taft's 3 Simple Rules for Surviving a Zombie Uprising: Rule #1: While in the halls, walk slowly and wear a vacant expression on your face. Zombies won't attack other zombies. Rule #2: Never travel alone. Move in packs. Follow the crowd. Zombies detest blatant displays of individuality. Rule #3: If a zombie should attack, do not run. Instead, throw raw steak at to him. Zombies love raw meat. This display of kindness will go a long way. On the night of her middle

school graduation, Margot Jean Johnson wrote a high school manifesto detailing her goals for what she was sure would be a most excellent high school career. She and her best friend, Sybil, would be popular and, most important, have boyfriends. Three years later, they haven't accomplished a thing! Then Margot and Sybil arrive at school one day to find that most of the student body has been turned into flesh-eating zombies. When kooky Principal Taft asks the girls to coexist with the zombies until the end of the semester, they realize that this is the perfect opportunity to live out their high school dreams. All they have to do is stay alive.... "An unabashedly silly send-up of paranormal romance novels." - *Strange Horizons* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Satisfaction can be yours, but it might look different than you thought. Like a lot of young women, Tiffany Smiling had been assured that the path to fulfillment looked like the one she'd seen in her favorite movies: She'd be swept away by a soul mate, live in a southern estate, and start a family. But Tiffany's story unfolded quite differently. Weeks after serving on her high school's homecoming court, while doctors operated to remove the brain tumor that was killing her, Tiffany suffered a paralyzing stroke. In the nick of a scalpel she lost her beauty and most of her physical ability. Returning to high school in a wheelchair, head half-shaved and face distorted, Tiffany vowed to be normal and live the dream. And for a season, she did. But just when the fairytale was within reach, God surprised Tiffany. Wooing her heart, God convinced her that there was something even better in

store for her. . . .And He has something better in store for you, too. Read *Your Dream. God's Plan.* and see how the Lord wants to use the broken pieces of your life for His greater plan for you. Smiling's story will help you see the ways God is writing your own amazing story—designed for His glory and your fulfillment.

Estela HarperCollins

"Inventive . . . Cantor's 'what-if' story combines historical fiction with mounting suspense and romance, but above all, it is an ode to the adoration and competition between sisters." —O, the Oprah Magazine A story of sisters that imagines Anne Frank's sister Margot survived World War II and was living in America, from the author of *The Lost Letter* and *The Hours Count* Anne Frank has long been a symbol of bravery and hope, but there were two sisters hidden in the annex, two young Jewish girls, one a cultural icon made famous by her published diary and the other, nearly forgotten. In the spring of 1959, *The Diary of Anne Frank* has just come to the silver screen to great acclaim, and a young woman named Margie Franklin is working in Philadelphia as a secretary at a Jewish law firm. On the surface she lives a quiet life, but Margie has a secret: a life she once lived, a past and a religion she has denied, and a family and a country she left behind. Margie Franklin is really Margot Frank, older sister of Anne, who did not die in Bergen-Belsen as reported, but who instead escaped the Nazis for America. But now, as her sister becomes a global icon, Margie's carefully constructed American life begins to fall apart. A new relationship threatens to overtake the young love that sustained her during the war, and her past and present begin to collide. Margie is forced to come to terms with Margot, with the people she loved, and with a life swept up into the course of history.

After living off the grid for more than a decade, a teenage girl must play a dangerous game—and face the shadows of her past—to save the world from a dangerous dark force. A chilling technothriller for fans of *Black Mirror* and #MurderTrending. After ten years of living on an isolated, tech-free ranch with her mother, sixteen-year-old Hedda is going back to the world of the Glare -- her word for cell phones, computers, and tablets. Hedda was taught to be afraid of technology, afraid that it would get inside her mind and hurt her. But now she's going to stay with her dad in California, where she was born, and she's finally ready to

be normal. She's not going to go "off-kilter," like her mom says she did when she was just a little kid. Once she arrives, Hedda finally feels like she's in control. She reunites with old friends and connects with her stepmom and half-brother. Never mind the terrifying nightmares and visions that start trickling back -- they're not real. Then Hedda rediscovers the Glare: the real Glare, a first-person shooter game from the dark web that scared her when she was younger. They say if you die thirteen times on level thirteen, you die in real life. But as Hedda starts playing the so-called "death game" -- and the game begins spreading among her friends -- she realizes the truth behind her nightmares is even more twisted than she could have imagined. And in order to stop the Glare, she'll have to first confront the darkness within herself.

My Life with the Saints (10th Anniversary Edition) Artisan Books
In this richly layered debut novel, Cate Campbell introduces the wealthy Benedict family and takes us behind the grand doors of their mansion, Benedict Hall. There, family and servants alike must face the challenges wrought by World War I--and the dawn of a new age brimming with scandal, intrigue, and social change. Seattle in 1920 is a city in flux. Horse-drawn carriages share the cobblestone streets with newfangled motor cars. Modern girls bob their hair and show their ankles, cafés defy Prohibition by serving dainty teacups of whisky to returning vets--and the wartime boom is giving way to a depression. Even within the Benedicts' majestic Queen Anne home, life is changing--above and below stairs. Margot, the Benedicts' free-spirited daughter, struggles to succeed as a physician despite gender bias--and personal turmoil. The household staff, especially longtime butler Abraham Blake, have always tried to protect Margot from her brother Preston's cruel streak. Yet war has altered Preston too--not for the better. And when a chance encounter brings a fellow army officer into the Benedict fold, Preston's ruthlessness is triggered to new heights. An engineer at the fledgling Boeing company, Frank Parrish has been wounded body and soul, and in Margot, he senses a kindred spirit. But their burgeoning friendship and Preston's growing wickedness will have explosive repercussions for everyone at Benedict Hall--rich and poor, black and white--as Margot dares to follow her own path, no matter the consequences.

A True Story of the Berlin Airlift and the Candy that Dropped from

the Sky. Life was grim in 1948 West Berlin, Germany. Josef Stalin blockaded all ground routes coming in and out of Berlin to cut off West Berliners from all food and essential supplies. Without outside help, over 2.2 million people would die. Thus began the Berlin Airlift, a humanitarian rescue mission that utilized British and American airplanes and pilots to fly in needed supplies. As one of the American pilots participating in the Airlift mission, Lt. Gail S. Halvorsen helped to provide not only nourishment to the children but also gave them a reason to hope for a better world. From one thoughtful, generous act came a lifelong relationship between Lt. Gail and the children of Berlin. This is the true story of a seven-year-old girl named Mercedes who lived in West Berlin during the Airlift and of the American who came to be known as the Chocolate Pilot. Artist Gijsbert van Frankenhuyzen's evocative paintings illuminate Margot Theis Raven's powerful story of hope, friendship and remembrance. About the Author: Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for thirty years. She has won five national awards, including an IRA Teacher's Choice award. Ms. Raven earned her degree in English from Rosemont College and attended Villanova University for theater study, and Kent State University for German language. Ms. Raven splits her time living in Concord, MA, Charleston, SC and West Chesterfield, NH. About the Illustrator: Born in the Netherlands, Gijsbert van Frankenhuyzen studied at the Royal Academy of Arts in Holland. He immigrated to the United States in 1976, and years later he became a children's book illustrator. Mercedes and the Chocolate Pilot is Nick's ninth children's book with Sleeping Bear Press.

Don't miss Just My Luck from #1 Sunday Times bestseller Adele Parks.

The Killer in Me Simon & Schuster Books for Young Readers

Segregated Charleston, SC, 1955: There are 62 official Little League programs in South Carolina -- all but one of the leagues is composed entirely of white players. The Cannon Street YMCA All-Stars, an all-black team, is formed in the hopes of playing in the state's annual Little League Tournament. What should have been a time of enjoyment, however, turns sour when all of the other leagues refuse to play against them and even pull out of the program. As the only remaining Little League team in the state, Cannon Street was named state winner by default, giving the boys a legitimate spot in the Little League Baseball World Series held in Williamsport, Pennsylvania. While the Cannon Street team is invited to the game as guests, they are not allowed to participate since they have not officially "played" and won their state's tournament. Let Them Play takes its name from the chant shouted by the spectators who attended the World Series final. Author Margot Theis Raven recounts the inspiring tales of the Cannon Street All-Stars as they arrived in Williamsport, PA and never got the chance to play for the title thanks to the bigotry and ignorance of the South Carolina teams. Winning by forfeit, the Cannon Streeters were subsequently not allowed to participate in Williamsburg because they had not "played" their way into the tournament. Let Them Play is an important civil rights story in American history with an even more important message about equality and tolerance. It's a tale of humanity against the backdrop of America's favorite pastime that's sure to please fans of the sport and mankind. This summer will mark the 50th year since the fans' shouts of Let Them Play fell on deaf ears and 14 boys learned a cruel lesson in backwards politics and prejudice. This book can help teach us a new lesson and assure something like this never happens again.

Roast Chicken and Other Stories Kensington Cozies

A heartwarming, funny and provocative memoir of a woman navigating clashing cultures during her decades-long friendship with an Orthodox Jewish family, new in paperback When 20-year-old student J. S. Margot took a tutoring job in 1987, little did she know it would open up an entire world. In the family's Orthodox Jewish household she would encounter endless rules - 'never come on a Friday, never shake hands with a man' - and quirks she had not seen before: tiny tubes on the doorposts, separate fridges for meat and dairy products. Her initial response was puzzlement and occasionally anger, but as she taught the children and

fiercely debated with the family, she also began to learn from them. Full of funny misunderstandings and unexpected connections, Mazel Tov is a heartwarming, provocative and disarmingly honest memoir of clashing cultures and unusual friendships - and of how, where adults build walls, sometimes only children can dissolve them.

God So Loved, He Gave Loyola Press

A reality cooking show known for roasting its contestants gets treated to murder in this cozy mystery by the author of Bleeding Tarts. Business at the bakery may have slowed down, but Valentine Harris isn't about to eat humble pie—not until a reality cooking show decides to whip her struggling shop, Pie Town, into shape. If Val can tolerate criticism from the infamously abrasive

show host, the free publicity will be sweeter than anything she could cook up on her own. But no one in San Nicholas has an appetite for dessert once murder steals the spotlight. After the show's bossy producer gets pushed to her death, Val and her flaky, septuagenarian pie crust expert, Charlene, follow crumbs in hopes of finding the killer. But with cameras still rolling and the shocking identity of the victim's replacement a guaranteed recipe for disaster, Val needs to stay cool long enough to solve the crime and keep Pie Town from rolling in dough. Includes pie recipes!
