Ever dream of starting  
your own business?

According to USA Today,  
more than 47 million  
people want to own their  
own businesses and over  
20 million actually do. In  
How to Make Big Money in  
Your Own Small Business,  
bestselling business  
author Jeffrey Fox offers  
sound rules to succeeding  
in small business, whether  
you're running a  
bookstore, consulting  
business, or restaurant. In  
short chapters that range  
from administration and

cash flow to marketing  
and hiring, Fox reminds  
entrepreneurs what's  
important and what's not,  
what makes a business  
succeed, and what causes  
it to fail.

30 Things I Love About  
Myself Tin House Books  
Exposes the downside of  
America's penchant for  
positive thinking, which  
the author believes leads  
to self-blame and a  
preoccupation with  
stamping out "negative"

thoughts on a personal level, and, on a national level, has brought on economic disaster. *Hero* Ballantine Books

The hip break-out novel from 2016 Man Booker Prize winning author, Paul

Beatty, about a disaffected Los Angeles DJ who travels to post-Wall Berlin in search of his transatlantic doppelganger. Hailed by the New York Times and the Los Angeles Times as one of the best writers of his generation, Paul Beatty turns his creative eye to man's search for meaning and identity in an increasingly chaotic world. After creating the perfect beat, DJ Darky goes in search of Charles Stone, a little know avant-garde jazzman, to play over his sonic

masterpiece. His quest brings him to a recently unified Berlin, where he stumbles through the city's dreamy streets ruminating about race, sex, love, Teutonic gods, the prevent defense, and Wynton Marsalis in search of his artistic-and spiritual-other. Ferocious, bombastic, and laugh-out-loud funny, *Slumberland* is vintage Paul Beatty and belongs on the shelf next to Jonathan Lethem, Colson Whitehead, and Junot Diaz.

Are you trying to find love – and beginning to suspect you're not looking

in the right place? This wise, hip guide gives you a new map for the journey to happiness in relationships of all kinds, starting in your own heart. Told from the alternating vantage points of authors Meggan Watterson and Lodro Rinzler, *How to Love Yourself (and Sometimes Other People)* reminds us that love isn't something we have to earn. All of us are deeply and intrinsically worthy of love - not only the love we hope to receive from others, but the love we give to ourselves - and

this book offers the insight and practical tools we need to stay firmly grounded in self-love as we ride out the natural (and often stormy) cycles of relationships. Meggan and Lodro's unique perspectives as teachers and scholars of Christian mysticism and Buddhism respectively make for a rich and lively dialogue that draws on wisdom sources like the Gospel of Mary Magdalene and the Four Noble Truths, along with funny, revealing stories from their own love lives and their deep

friendship with each other. You'll find guidance for embracing single life, dating with an open heart, and thriving in lasting love; meditations and practices for calm abiding, "disciplined hope," and connecting to the source of love within you; and tips on everything from sex, self-worth, and nourishing friendships to navigating breakups and learning to truly love yourself. Ultimately, you'll be able to see your ideal partner in a new light - not as someone who "completes" you, but as

someone who mirrors back to you your own wholeness.

**Cosmogenesis** Hunter House  
With a new introduction by Karen Russell, the 40th anniversary edition of *The Changeling* is a visionary fairy tale and a work of mythic genius by one of our best writers. Forty

years later, *The Changeling* is no less haunting and no less visionary than the day it was published, but it has only become clearer that Joy Williams is a virtuosic stylist and a singular thinker—a genius in every sense of the word. When we first meet Pearl—young in years but advanced in her drinking—she's on the lam, sitting at a hotel bar in Florida, throwing back gin and tonics with her infant son cradled in the crook of her arm. But her escape is brief, and the

relief she feels at having fled her abusive husband, and the Northeastern island his family calls home, doesn't last for long. Soon she's being shepherded back. The island, for Pearl, is a place of madness and pain, and her round-the-clock drinking spurs on the

former even if it dulls the latter. And through this lens—Pearl's fragile consciousness—readers encounter the horror and triumph of both childhood and motherhood in a new light. With language that flits between exuberance and elegy, the plainspoken and the poetic, Joy Williams has

blended, as Rick Moody writes, "the arresting improbabilities of magic realism, with the surrealism of the folkloric revival . . . and with the modernist foreboding of *Under the Volcano*," and created something entirely original and entirely consuming.
