## BRENDAN JOSIAH

*The Gold Standard* Univ of California Press  
 You are at the right place. You will know why if you read until the end. Do you want to study less, remember more and top your exams with minimal efforts? You had been struggling all this while because you were taught wrong principles about studying. The hidden secrets used by toppers are finally revealed. The way you were forced to study, requires a lot of willpower which is a limited resource. You struggle to study because you are using your willpower and finding motivation for studying. After a tiring day, sitting down to study instead of playing feels like the most dreaded chore. What if studying can be made to feel as enjoyable as playing? In the first block, you will learn how to have fun with studies. The way you study is full of unscientific methods which makes the entire process feel like drudgery. What if someone taught you how to study just once the right way without any distractions and still remember and recollect everything? The second block teaches you the hacks to study effectively with minimal efforts. The way you write exams makes the entire difference. You being a knowledge treasure house is useless if you don't master the art of reproducing it in the exam. Block 3 preps you to be a champion at writing the exams. Once you learn the secret behind topping an exam, you can't stop at one. You need to make it your identity. Block 4 teaches you how to be a topper forever.

 "Sexy, telegraphic, edgy, and rapt. . . . Exquisitely visual, cuttingly witty, Moore's poems are at once cool and searing."—Booklist

**Catwoman** Doubleday Books

*The Buddha and His Dhamma* was B.R. Ambedkar's last work. Published posthumously, it presented a radical reorientation of Buddhist thought and literature, aptly called *navayana*. It deals with Ambedkar's conceptualization of Buddhism and the possibilities it offered for liberation and upliftment of the Dalits. It presents his reflections on the life of the Buddha, his teachings, and the spread of Buddhism by interweaving anecdotes with detailed analyses of the religion's basic tenets. The author also includes important elements of the Buddhist canon and tradition to make the teachings more accessible. In the first critical and annotated edition of this work, the editors address the on-going debate on Ambedkar's interpretation of the Buddha's dhamma by focusing on the accuracy of his citations and providing missing sources. They also discuss Ambedkar's modification of source materials. The introduction contextualizes the scholarly work

related to the text.

True religion is the one that unites Humans with the common bond of Humanity! This book, first of "Religion of Humanity" series answers the most important questions necessary to understand the religious confusion that is playing a significant role in dividing Humanity: Why so many religions exist in the world today? What are the core beliefs of those religions? Why and how people follow religions in the first place? How so-called spiritual and religious leaders are the biggest culprits of destroying Humanity? The book inspires us to do a litmus test of truth by answering perplexing questions so that we can find our way out of this religious confusion: What is the difference between Religious cult Vs Eternal Religion - Dharma or righteousness? How do I know what is truth and how can I follow it? How can one separate truth from falsehood? What should be the test of truth? Book answers the most fundamental questions on the religion of humanity - which ever existed and will always exist. What is the eternal religion of Humanity? What are the core tenets of this religion? How can one start following it? What benefits one would get?

**Brain Wave** HarperCollins

Ari Gold is known for his ruthless approach to deal-making and client relationships that made him one of, if not the, most powerful and sought-after agents in Hollywood until he retired in 2011. In his new book *THE GOLD STANDARD*, Gold will illuminate, for the first time, his unique, effective and, some would say, outrageous philosophies on running a successful business, client management, employee motivation, keeping a happy home life, and other keys to his many successes. Brash, emphatic, instructive and always wise, Gold's book will rival business and leadership bestsellers the world over. In his own words and with his trademark enthusiasm, Gold's tome will be the only book anyone wanting to make something of him or herself will ever need. Ari Gold says: "In my humble opinion, if you want to run a successful business this is the only book you'll ever have to read. And my humble opinion is never wrong."

**Hema Malini** Oxford University Press

A darkly comic tale by the actor, artist and author of Pao Alto is told in the style of *Alcoholics Anonymous* 12-step testimonials, scripts, letters, diary entries and other forms that explore the nature and purpose of acting while sharing moving and satirical portraits of actors who did not achieve fame.

**Hickory, Dickory, Dock** Brookings Institution Press

In this remarkable debut novel, a boy's bittersweet passage to maturity and sexual awakening is set against escalating political tensions in Sri Lanka, during the seven years leading up to the 1983 riots. Arjie Chelvaratnam is a Tamil boy growing up in an extended family in Colombo. It is through his eyes that the story

unfolds and we meet a delightful, sometimes eccentric cast of characters. Arjie's journey from the luminous simplicity of childhood days into the more intricately shaded world of adults - with its secrets, its injustices, and its capacity for violence - is a memorable one, as time and time again the true longings of the human heart are held against the way things are.

**The First 20 Hours** Prabhat Prakashan

"This documents violence experienced by sex workers in South Africa, and their difficulties in reporting crimes and creating safe places to work. Sex workers also reported being sexually exploited by police and forced to pay bribes to officers."-- Publisher website, viewed August 20, 2019.

**The Buddha and His Dhamma** W. W. Norton & Company  
 Rudyard Kipling's tale of a young boy lost in the jungles of India introduces young children to the magic of the original classic tale. *The Jungle Book: Mowgli's Adventures* adapts Rudyard Kipling's timeless tale of a young boy lost in the jungles of India for young children. This delightfully written and illustrated book focuses on the magic of the jungle and the one-of-a-kind characters and fantastical situations that Mowgli finds himself in. *The Jungle Book: Mowgli's Adventures* tells the simple story of Mowgli, who is raised by Mother and Father Wolf and taught the ways of the jungle by Baloo the bear. While this is a faithful introduction to the classic, it doesn't attempt to cover all the action from the original story and its adaptations-the story focuses on the parts children will understand and enjoy. *The Jungle Book: Mowgli's Adventures* is a magical introduction children will recall when they are older and ready for the original work.

**Actors Anonymous** Raintree

An illustrated collection of more than twenty familiar nursery rhymes, such as "Hickory, Dickory, Dock," "Jack and Jill," and "Pat-A-Cake."

**Madhushala** Universal Law Publishing Co

Everything you wanted to know about sex and love in Islam, but were hesitant to ask about: polygamy, contraception allowed by Sharia, oral and group sex, homosexual marriages and also the relationship with jinns, masturbation and mysteries of martial relations - all that is allowed and all that is prohibited in sexual relations in this noble and pure religion. Many people both in the West and Russia continue to have a mistaken illusion that love, sex and variability of relations between man and woman are either suppressed in Islam or in contrary exceed all norms of decency. The book is an insight into this matter. The Muslim man is perceived as an ideal type of an always ready sexual partner. *Love and Sex in Islam* lifts the veil covering the delicate theme, in which the phenomena seeming incompatible turn out to be good neighbors.

Drawing on in-depth interviews with families and experts and her own personal and professional experience, April Martin takes the reader through the many issues involved in forming and nurturing a lesbian or gay family, including the decision to parent, different options for creating a family - from artificial insemination to adoption - the many legal considerations, relationships and communications within the family and with extended family members, friends and one's community, the special circumstances of relationship break-ups and other crises and the needs of children over time.

*McGraw-Hill's Math Grade 8* Black Belt Communications

Catwoman: Nine Lives of A Feline Fatale is a thrilling celebration of one of the most popular female icons of all time. Since her inception in 1940, Catwoman has evolved from a simple cat burglar into a complex character who has played the role of both villain and heroine. An entertaining volume that spans the entire career of Batman's most alluring nemesis, this book reprints nine of Catwoman's most significant adventures, including her first felonious appearance as well as her most memorable battle with the Dark Knight.

Open wide! Dentists care for people's teeth. Give readers inside information on what it's like to be a dentist. Readers will learn what dentists do, the tools they use and how people get this exciting job.

*Yogi Adityanath* B. Jain Publishers

Forget the 10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll

have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

**Chanakya Neeti Hindi** V&S Publishers

"Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue \* Marie Claire \* Glamour \* Essence \* Oprah Daily \* Entertainment Weekly \* Bustle \* PopSugar \* CrimeReads \* and more! An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be "the one" (perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her "urban vibe." Her husband thinks they're trying for a baby. She's not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition,

culture, and betrayal, *Wahala* (trouble) is an unforgettable novel from a brilliant new voice.

*Love and Sex in Islam* Booktango

Why run after the West when we already have the best? Join Shilpa Shetty Kundra and Luke Coutinho as they tell you just how nutritious your locally grown and sourced ingredients are and that there's no need to look beyond borders to tailor the perfect diet. The book touches upon various food categories and not only tells you how to take care of your nutritional intake but also how to burn fat in the process. The combined experience of a professional nutritionist and an uber-fit celebrity who swears by the diet will open your eyes to why Indian food is the best in the world.

**Study Less, Study Smart** Penguin

"This Amar Chitra Katha collection brings together a sample of the Indian literary tradition down the years. It starts with the works of Kalidasa, moving to Sanskrit romances of the Gupta Age, and ancient Tamil Sangam literature which was influenced by Jain and Buddhist thought. As language and literature evolved, each region in the country began to develop its own special modes of writing and story-telling. By the nineteenth century, India was home to not one but a multitude of literatures, each borrowing from, referring to, and overlapping with the others.

**Great Indian Classics** SLACK Incorporated

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like *Johny Mera Naam*, *Jugnu*, *Andaz*, *Seeta Aur Geeta*, *Sholay* and, more recently, *Baghban*, she received critical acclaim for her performances in *Lal Patthar*, *Khushboo*, *Kinara*, *Meera*, *Ek Chadar Maili Si* and *Razia Sultan*. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, *Hema Malini: Beyond the Dream Girl* covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.
