HEAVEN DESTINEY

Butch Queens Up in Pumps McGill-Queen's Press - MQUP

Part of the four-book Queens of the Resistance series, saluting some of the most beloved boss ladies in Congress: a celebration of Elizabeth Warren, the star senator from Massachusetts and 2020 presidential candidate All hail Queen Elizabeth! She's a "queen" but not a monarch who's spent her life fighting to create a more equal society. Now one of the most recognizable women in politics, Warren took a winding road to become the badass senator from Massachusetts—the first woman senator ever elected from the state. Day-to-day struggle to make ends meet? Check. Single motherhood? Check. Law degree? Check. Tenured Harvard Law professor? You bet! And oh, she created a whole new government agency to protect consumers from predatory businesses. This the story of Liz's hard-earned rise to the top of the game. With illustrations, deep research, and writing as

endlessly quotable as she is, Queens of the Resistance pays tribute to this phenomenal woman. About the series: Each book of the Queens of the Resistance series is a celebration of the rebellion against the oppression of women and an embracement of the new in the United States government. The series is adorned with sass, discernment, and the badassery of the present and future leadership. The Doomsday Clock is at a minute to midnight, and the patriarchal power grid that lights "the shining city on a Hill" is about to black out. It's time to yield to the alternative—the power of women.

The Beauty Queen of Jerusalem University of Michigan Press
An Elizabethan expert describes the court of Queen Elizabeth I, painting a vivid picture of the gossip, conspiracy, intrigue and romantic dalliances that surrounded the monarch and the daily lives of the women that attended her. 20,000 first printing.

The Queens of England HarperCollins
She rose from commoner to become the last reigning queen of India's Sikh Empire. In this

dazzling novel, based on true-life events, bestselling author Chitra Banerjee Divakaruni presents the unforgettable story of Jindan, who transformed herself from daughter of the royal kennel keeper to powerful monarch. Sharp-eyed, stubborn, and passionate, Jindan was known for her beauty. When she caught the eye of Maharaja Ranjit Singh, she was elevated to royalty, becoming his youngest and last queen—and his favorite. And when her son, barely six years old, unexpectedly inherited the throne, Jindan assumed the regency. She transformed herself from pampered wife to warrior ruler, determined to protect her people and her son's birthright from the encroaching British Empire. Defying tradition, she stepped out of the zenana, cast aside the veil, and conducted state business in public, inspiring her subjects in two wars. Her power and influence were so formidable that the British, fearing an uprising, robbed the rebel queen of everything she had, but nothing crushed her indomitable will. An exquisite love story of a king and a commoner, a

cautionary tale about loyalty and betrayal, a powerful parable of the indestructible bond between mother and child, and an inspiration for our times, Chitra Banerjee Divakaruni's novel brings alive one of the most fearless women of the nineteenth century, one whose story cries out to be told.

Resistance Macmillan
For fans of *Red Queen* and *Grave Mercy* comes the captivating sequel to the Renaissance France-inspired epic fantasy *The Queen's Rising*. Brienna is a mistress of knowledge and is beginning to settle into her role as the daughter of the once disgraced lord, Davin MacQuinn. Though she'd just survived a revolution that will return a queen to the throne, she faces yet another challenge: acceptance by the MacQuinns. But as Queen Isolde Kavanagh's closest confidant, she'll have to balance serving her father's House as well as her country. Then there's Aodhan Morgan, formerly known as Cartier Évariste, who is adjusting to the stark contrast between his pre-rebellion life in Valenia and his current one as lord of a fallen House. As he attempts to restore the Morgane

name, he let his mind wander—what if he doesn't have to raise his House alone? What if Brienna could stand by his side? But Brienna and Cartier must put their feelings aside, as there are more vital tasks at hand—the Lannons' trial, forging alliances, and ensuring that no one halts the queen's coronation. *Resistance* is rumbling among the old regime's supporters, who are desperate to find a weakness in the rebels' forces. And what makes one more vulnerable than love?

Ketamine for Treatment-Resistant Depression
BRILL

A McGill University history professor provides a comprehensive account of the German opposition's struggle against Hitler, covering all the serious attempts to overthrow or assassinate him leading up to the failed attempt of 20 July 1944. First published in West Germany in 1969 by R. Piper and Co. as *Widerstand, Staatsstreich, Attentat*, this volume first appeared in English, published by Macdonald and Jane's and MIT Press, in 1977. Annotation copyrighted by Book News, Inc., Portland, OR
Queens of the Resistance:

Nancy Pelosi Penguin
Asking, How could they do it? about the many ordinary people who have been perpetrators and those who resist extensive evils—genocide, human trafficking, endemic sexualized violations of females, economic exploitation—the book delves into historic, contemporary, national, and international examples. The author, a moral philosopher, draws also on literature, psychology, economics, journalism, pop culture. Reversing Arendt's banality of evil, she finds that mind-deadening banality, thoughtless conventionality, ambition, greed, status-seeking enable the evil of banality.

Games of Discontent
Penguin

In *The Excommunication of Elizabeth I*, Aislinn Muller examines the excommunication and deposition of Queen Elizabeth I of England by the Roman Catholic Church, and its political afterlife during her reign.
The Excommunication of Elizabeth I William Morrow Paperbacks
As police racism unsettles Britain's tolerant self-image, Black resistance to British policing details the

activism that made movements like Black Lives Matter possible. Elliott-Cooper analyses racism beyond prejudice and the interpersonal – arguing that black resistance confronts a global system of racial classification, exploitation and violence. Imperial cultures and policies, as well as colonial war and policing highlight connections between these histories and contemporary racisms. But this is a book about resistance, considering black liberation movements in the 20th century while utilising a decade of activist research covering spontaneous rebellion, campaigns and protest in the 21st century. Drawing connections between histories of resistance and different kinds of black struggle against policing is vital, it is argued, if we are to challenge the cutting edge of police and prison power which harnesses new and dangerous forms of surveillance, violence and criminalisation.

Queens of the Resistance: Alexandria Ocasio-Cortez McGill-Queen's Press - MQUP
Finalist for the Book Club category of the 2016 National Jewish Book

Awards. The #1 International Best Seller, *The Beauty Queen of Jerusalem* is a dazzling novel of mothers and daughters, stories told and untold, and the ties that bind four generations of women. Gabriela's mother Luna is the most beautiful woman in all of Jerusalem, though her famed beauty and charm seem to be reserved for everyone but her daughter. Ever since Gabriela can remember, she and Luna have struggled to connect. But when tragedy strikes, Gabriela senses there's more to her mother than painted nails and lips. Desperate to understand their relationship, Gabriela pieces together the stories of her family's previous generations—from Great-Grandmother Mercada the renowned healer, to Grandma Rosa who cleaned houses for the English, to Luna who had the nicest legs in Jerusalem. But as she uncovers shocking secrets, forbidden romances, and the family curse that links the women together, Gabriela must face a past and present far more complex than she ever imagined. Set against the Golden Age of Hollywood, the

dark days of World War II, and the swinging '70s, *The Beauty Queen of Jerusalem* follows generations of unforgettable women as they forge their own paths through times of dramatic change. With great humor and heart, Sarit Yishai-Levi has given us a powerful story of love and forgiveness—and the unexpected and enchanting places we find each.

Cultures of Resistance

Rutgers University Press
In this epic debut fantasy, inspired by Renaissance France, an outcast finds herself bound to a disgraced lord and entangled in his plot to overthrow the king. Perfect for fans of *Grave Mercy* and *Red Queen*! Brienna desires only two things: to master her passion and to be chosen by a patron. Growing up in Valenia at the renowned Magnalia House should have prepared her. While some are born with a talent for one of the five passions—art, music, dramatics, wit, and knowledge—Brienna struggled to find hers until she chose knowledge. However, Brienna's greatest fear comes true: she is left without a patron. Months later, her life takes an unexpected

turn when a disgraced lord offers her patronage. Suspicious of his intent, she reluctantly accepts. But there is much more to his story, for there is a dangerous plot to overthrow the king of Maevana—the rival kingdom of Valenia—and restore the rightful queen, and her magic, to the throne. With war brewing, Brienna must choose which side she will remain loyal to: passion or blood. Plus don't miss the thrilling sequel, *The Queen's Resistance!* [Queens of the Resistance: Elizabeth Warren](#) Red Letter Press

A mysterious illness appears in Scotland while a reporter searches for the truth in this graphic novel by the bestselling author of the Karen Pirie series. The first graphic novel from Britain's "Queen of Crime" (Scotsman) and gorgeously illustrated by up-and-comer Kathryn Briggs, *Resistance* is a chilling but incredibly moving and inspiring story of individuals pressed to rise above their station, first to nail down the truth of a looming pandemic, and later to try to fight it. Journalist Zoe Meadows has taken a break from hard-hitting investigative

reporting to spend more time with her family, which is how she finds herself doing celebrity Q&As at an outdoor music festival near the Scottish border. She and her friends, who run a food truck, head north, along with 150,000 festivalgoers for a weekend of music and camping. Then, some of the food truck's customers begin to fall ill, and many point to food poisoning. But when the festival ends and the attendees scatter across England, more people begin to get sick and die. What's worse, it is spreading fast and baffles doctors, resisting all efforts to contain or cure it. With time running out, Zoe is compelled to fight for the truth, even as she loses that which she holds most dear. Please note this thriller is in graphic novel, or comic book, format. Praise for International #1 Bestselling Author Val McDermid "Fascinating . . . Val McDermid is one of the most skilled of crime writers and she has gone a step beyond killing by writing with crisp authority on the facts that lie behind gruesome events." —Washington Times on Forensics "McDermid continues to dazzle us with the range

and depth of her creative imagination." —New York Times bestselling author Sara Paretsky *History of the German Resistance, 1933-1945* Disney Lucasfilm Press Ethnographies about transgressing social expectations of the body *Lives of the Queens of England, from the Norman Conquest* Routledge

In 1882, Robert Koch identified tuberculosis as an infectious bacterial disease. In the sixty years between this revelation and the discovery of an antibiotic treatment, streptomycin, the disease was widespread in Canada, often infecting children within their family homes. Soon, public concerns led to the establishment of hospitals that specialized in the treatment of tuberculosis, including the Toronto sanatorium, which opened in 1904 on the outskirts of the city. Situated in the era before streptomycin, *Building Resistance* explores children's diverse experiences with tuberculosis infection, disease, hospitalization, and treatment at the Toronto sanatorium between 1909 and 1950. This early sanatorium era was defined by the principles of resistance building, recognizing that

the body itself possessed a potential to overcome tuberculosis through rest, nutrition, fresh air, and sometimes surgical intervention. Grounded in a rich and descriptive case study and based on archival research, the book holistically approaches the social and biological impact of infection and disease on the bodies, families, and lives of children. Lavishly illustrated, compassionate, and informative, *Building Resistance* details the inner dimensions and evolving treatment choices of an early modern hospital, as well as the fate of its young patients.

The Vanished Queen
Manchester University Press

In 1897, as a white oligarchy made plans to allow the United States to annex Hawai'i, native Hawaiians organized a massive petition drive to protest. Ninety-five percent of the native population signed the petition, causing the annexation treaty to fail in the U.S. Senate. This event was unknown to many contemporary Hawaiians until Noenoe K. Silva rediscovered the petition in the process of researching this book.

With few exceptions, histories of Hawai'i have been based exclusively on English-language sources. They have not taken into account the thousands of pages of newspapers, books, and letters written in the mother tongue of native Hawaiians. By rigorously analyzing many of these documents, Silva fills a crucial gap in the historical record. In so doing, she refutes the long-held idea that native Hawaiians passively accepted the erosion of their culture and loss of their nation, showing that they actively resisted political, economic, linguistic, and cultural domination. Drawing on Hawaiian-language texts, primarily newspapers produced in the nineteenth century and early twentieth, Silva demonstrates that print media was central to social communication, political organizing, and the perpetuation of Hawaiian language and culture. A powerful critique of colonial historiography, *Aloha Betrayed* provides a much-needed history of native Hawaiian resistance to American imperialism. *Shakespeare and the Resistance* Grove Atlantic
The year 1968 was ablaze

with passion and mayhem as protests erupted in Paris and Prague, throughout the United States, and in cities on all continents. The Summer Olympic Games in Mexico were to be a moment of respite from chaos. But the image of peace – a white dove – adopted by organizers was an illusion, as was obvious to a record six hundred million people watching worldwide on satellite television. Ten days before the opening ceremony, soldiers slaughtered hundreds of student protesters in the capital. In *Games of Discontent* Harry Blutstein presents vivid accounts of threatened boycotts to protest racism in the United States, South Africa, and Rhodesia. He describes demonstrations by Czechoslovak gold medal gymnast Věra Čáslavská against the Soviet-led invasion of her country. The most dramatic moment of the Olympic Games was Tommie Smith and John Carlos's black power salute from the podium. Blutstein furnishes new details behind their protest and examines how this iconic image seared itself into historical memory, inspiring Colin Kaepernick and a new

generation of athlete-activists to take a knee against racism decades later. The 1968 Summer Games became a microcosm of the discord happening around the globe. Describing a range of protest activities preceding and surrounding the 1968 Olympics, *Games of Discontent* shines light on the world during a politically transformative moment when discontents were able, for the first time, to globalize their protests.

The Queen's Resistance
Penguin

Part of the four-book *Queens of the Resistance* series, saluting some of the most beloved boss ladies in Congress: a celebration of AOC, the youngest woman ever to serve in Congress and its newest superstar Not long ago, no one could even imagine a twenty-eight-year-old Latina upstart running for Congress representing Queens and the Bronx: It required facing the city's nearly all-white, all-male political machine. But since Alexandria Ocasio-Cortez graced the scene in all her bartending, tweet-talking, mold-breaking glory, the face of politics in the twenty-first century has changed. Today,

Ocasio-Cortez is a foremost advocate for progress, whipping up support among her colleagues and gaining the secret admiration of her foes. She's jousting with an outrageous president and a conservative media sphere that place her under relentless attack. Why? Because they fear her gift for speaking truth to power. With illustrations, deep research, and writing as endlessly quotable as she is, *Queens of the Resistance* pays tribute to this phenomenal woman. About the series: Each book of the *Queens of the Resistance* series is a celebration of the rebellion against the oppression of women and an embracement of the new in the United States government. The series is adorned with sass, discernment, and the badassery of the present and future leadership. The *Doomsday Clock* is at a minute to midnight, and the patriarchal power grid that lights "the shining city on a Hill" is about to black out. It's time to yield to the alternative—the power of women.

[Lives of the Queens of England](#) McGill-Queen's Press - MQUP

What do the recent urban resistance tactics around the world have in common? What are the roles of public space in these movements? What are the implications of urban resistance for the remaking of public space in the "age of shrinking democracy"? To what extent do these resistances move from anti- to alter-politics? *City Unsilenced* brings together a cross-disciplinary group of scholars and scholar-activists to examine the spaces, conditions, and processes in which neoliberal practices have profoundly impacted the everyday social, economic, and political life of citizens and communities around the globe. They explore the commonalities and specificities of urban resistance movements that respond to those impacts. They focus on how such movements make use of and transform the meanings and capacity of public space. They investigate their ramifications in the continued practices of renewing democracies. A broad collection of cases is presented and analyzed, including *Movimento Passe Livre* (Brazil), Google Bus

Blockades San Francisco (USA), the Platform for Mortgage Affected People (PAH) (Spain), the Piqueteros Movement (Argentina), Umbrella Movement (Hong Kong), post-Occupy Gezi Park (Turkey), Sunflower Movement (Taiwan), Occupy Oakland (USA), Syntagma Square (Greece), Researchers for Fair Policing (New York), Urban Movement Congress (Poland), urban activism (Berlin), 1DMX (Mexico), Miyashita Park Tokyo (Japan), 15M Movement (Spain), and Train of Hope and protests against Academic Ball in Vienna (Austria). By better understanding the processes and implications of the recent urban resistances, *City Unsilenced* contributes to the ongoing debates concerning the role and significance of public space in the practice of lived democracy.

Queens of the Resistance: Elizabeth Warren Macmillan

When a country is held in thrall to a vicious, despotic king, it's up to one woman to take him down. Long ago, Queen Mirantha vanished. King Karolje claimed it was an assassination by a neighboring king, but everyone knew it was a

lie. He had Disappeared her himself. But after finding the missing queen's diary, Anza—impassioned by her father's unjust execution and inspired by Mirantha's words—joins the resistance group to overthrow the king. When an encounter with Prince Esvar thrusts her into a dangerous game of court politics, one misstep could lead to a fate worse than death. Esvar is the second son to an evil king. Trapped under his thumb and desperate for a way out, a chance meeting with Anza gives him the opportunity to join the resistance. Together, they might have the leverage to move against the king—but if they fail, their deaths could mean a total loss of freedom for generations to follow. Set in a world where resistance is as dangerous as it is important, *The Vanished Queen* is a tale of the courage and sacrifice it requires to take on a tyrant.

Embodied Resistance HarperCollins
Both newcomers and veterans, students and teachers, will benefit from this pithy booklet--a classic of the 1970s--which reviews the legacy of queer defiance and proposes bold strategies

for achieving the rights of lesbians/gays/bisexuals and transgender people. The authors pinpoint the origins of homophobia and tell the story of those who fought back: from German organizers in the 1860s, to the homophile pioneers of the 1950s Mattachine Society; from the youth and drag queens of the 1969 Stonewall Rebellion, to the Gay Liberation Front and the eruption of lesbian feminism in the 1970s. The role of lesbians and gays of color is acknowledged and the work of groundbreaking lesbian writers is discussed. The weakness and strengths of various campaigns for sexual freedom are evaluated. The book includes an introduction by University of Washington Associate Professor Roger Simpson, author of the history *An Evening at the Garden of Allah*. A wide-ranging bibliography points readers toward further information on the LGBT struggle.

A Kick in the Belly
Vanderbilt University Press

Part of the four-book *Queens of the Resistance* series, saluting some of the most beloved boss ladies in Congress: a celebration of the first

woman Speaker of the House and a trailblazer for generations to come, Nancy Pelosi Behold one of the toughest dealers in the political arena, a singularly shrewd operator who cut her teeth from deep within the ranks of the Democratic Party and climbed all the way to the top. Rising higher than any woman ever who came before, Madame Speaker created a blueprint that those after her could follow. And now, back to her rightful place

as Madame Speaker, she's prepared to take back power for the people . . . and at the end of it all, in characteristic class and style, she will pass on the gavel to the next generation of badass leaders. With illustrations, deep research, and writing as endlessly quotable as she is, Queens of the Resistance pays tribute to this phenomenal woman. About the series: Each book of the Queens of the Resistance series is a

celebration of the rebellion against the oppression of women and an embracement of the new in the United States government. The series is adorned with sass, discernment, and the badassery of the present and future leadership. The Doomsday Clock is at a minute to midnight, and the patriarchal power grid that lights "the shining city on a Hill" is about to black out. It's time to yield to the alternative—the power of women.
