Trumpet Chops Apprentice is the fourth book in the Trumpet Chops series. This is a daily trumpet routine written specifically for trumpet players with a range up to B flat above the staff. It is part of the One Range system of exercise books, but can be used as a stand alone routine. It is a great intermediate book for helping students expand their range from G above the staff to the high C.

[Trumpet Folk Fill in the Blank](#) CreateSpace

This is the first book of its kind! What began as a fun activity for my trumpet students has turned into a wonderful resource to improve their trumpet playing. Trumpet Folk Fill in the Blank is a book of thirty folk songs and nursery rhymes. Each song is presented first in an easy key, like C, F or G. Then it is transposed to other keys and certain strategic notes are left out. Those notes are replaced by question marks. The students are to practice the first version of the song until they get the sound of the melody in their ears. After they master the first version, then they are ready to play the "fill in the blank" versions of the songs in other keys. We use a total of seven key signatures in this book, up to three flats and three sharps. Any student who knows their scales up to three flats and three sharps should have a lot of fun playing these "fill in the blank" songs. Benefits of playing the "fill in the blank" songs

include ear training, finger technique, sight reading, phrasing and tone.

Sing along and worship with your child and open their eyes to God's amazing grace. Synced with the lyrics of the traditional hymn "Amazing Grace" by John Newton, the images tell the story of a little girl lost in the woods. As she follows the sound of music through the forest, she uses her faith and imagination to overcome her fears. She is eventually reunited with her parents and carried home. This story, put together by youth minister, Mark Restaino, will grab your heart and give your child the hope and security in Christ that they need to get through life's many dangers, toils, and snares. Sing God's praise and grab a copy today!

Mix and match with other string, woodwind and brass editions of "Thirty Famous Patriotic Duets" to create mixed ensembles of different instruments. The choice of keys was determined by our desire to make this book compatible with the woodwind and brass books.

Therefore, some of the songs are in flat keys that might be too challenging for the younger string player. For all songs that have two or more flats in the key signature, we included a second version in a more string friendly key in the back of the book. If you mix and match violin, viola, and cello, you may wish to use the sharp keys in the back for a mixed string group. Selections include Amazing Grace, My Country Tis of Thee, America the Beautiful, American Patrol, Anchors Aweigh, Battle Cry of Freedom, The Battle Hymn of the Republic, Bugle Calls, Bunker Hill, Cassions Go Rolling Along, Chester, Columbia, The Gem of the Ocean, Darling Nelly Gray, Dixie, Eternal Father, Strong to Save, Faith of Our Fathers, Hail, Columbia, Hail to the Chief, Liberty Song, The Marine's Hymn, The Maryland, Maryland Oh! Susanna, Over There, Star Spangled Banner, The Stars and Stripes Forever, There'll Be a Hot Time, When Johnny Comes Marching Home, Yankee Doodle, Yankee Doodle Boy, Yellow Rose of Texas, and You're a Grand Old Flag.

One Range, from the pedal tones to the notes above the dreaded double C. One Range is a strategy guide for trumpet players to help them grow their strength in a way that maintains all of their current abilities. One Range is not an exercise book. There are no high note exercises on these pages. There are no exercises at all. The book is 100% text. Instead of gaining a better range through pounding your chops with high note drills, One Range helps you build that range in a more natural manner. You can even use the exercises you are already practicing with slight modifications.
