**Les anges de l'abondance** Hay House, Inc

De tout temps, le tarot a été un outil divinatoire mystérieux, utilisé en catimini pour protéger celles et ceux qui, dotés de pouvoirs spirituels, étaient capables de décrypter les messages du ciel. Lire les tarots a donc été considéré pendant longtemps comme un art mystérieux, dérangent, voire une

menace pour les non-initiés, dès lors que les cartes livraient des messages troublants. Le Tarot des anges gardiens a été conçu de manière à préserver les anciennes méthodes divinatoires tout en ayant exclusivement recours à des mots et des images au contenu positif, bienveillant et axé sur la vie quotidienne. Doreen Virtue et Radleigh Valentine l'ont conçu pour aider les personnes à la sensibilité exacerbée, qui questionnent leurs anges gardiens avec l'espoir d'obtenir des réponses précises, détaillées, empreintes de douceur et de réconfort.

You've never seen tarot cards quite like these. Imagine the celebrated "Rider Deck" infused with the horrors of Night of the Living Dead, and the result is The Zombie Tarot—a crazy, campy interpretation of a classic divination system. In this zombified parallel universe, wands become limbs, pentacles are biohazard symbols, and the Major Arcana is full of shambling corpses. Along with the 78-card deck, readers will receive instructions in a 96-page full-color book; its contents explain how to survive the zombie apocalypse and forecast your future using one of three different card layouts. The secrets of The Zombie Tarot await you!

Harvard-trained theologian Meggan Watterson marched out of her church at age ten. With little-girl clarity, she knew something tremendously crucial was missing...the voices of women. Watterson became a theologian and a pilgrim to the divine feminine to find the missing stories and images of women's spiritual voices. She knew women's voices had never been silenced, just buried. But what she truly sought was her own spiritual voice inside her—the one veiled beneath years of self-doubt. At a sacred site of the Black Madonna in Europe, Watterson had a revelation that changed her.

Rather than transcending the body, denying or ignoring it, being spiritual for her meant accepting her body as sacred. Only then, Watterson realized could she hear the voice of unfaltering love inside her- the voice of her soul. With passion, humor, and brutal honesty, Watterson draws on ancient stories and lesser-known texts of the divine feminine, like The Gospel of Mary Magdalene, making them modern and accessible to reveal the spiritual

process she went through. She suggests that being spiritual is simply about stripping down to the truth of who we really are. Through her extensive work with women, Watterson found that she was not alone. There are countless women who long for a spirituality that encourages embodiment rather than denies it, that inspires them to abandon their fears but never themselves, and to be led by the audacious and fiercely loving voice of truth inside them. No matter where you rest on the spectrum of spirituality; religious or secular, devout believer or chronic doubter, freelance mystic or borderline agnostic, this story is about the desire in all of us to want to shed everything that holds us back. Reveal provides what religions have left out—the spiritual voice of a woman who has claimed her body as sacred—a woman who has found the divine insider her. In essence, this is a manual for revealing your soul. "I have spent the majority of my life gathering stories of the divine feminine. Each time before getting my masters degrees in theology and divinity, I went on a pilgrimage to sacred sites of the divine feminine throughout Europe. The first one was with a group and the second was on my own... The stories of the divine feminine, of Christianity's Mary Magdalene, Catholicism's Black Madonna, Hinduism's Kali ma, and Buddhism's Green Tara for example, allowed me to begin to see that I wasn't as much of a spiritual misfit as I had thought. There was a red thread that became visible to me that ran through so many of the world religions, especially through their mystics, relating that the way to find the divine is to go within. And, that our potential to be transformed by going inward is exactly the same whether we are a man or a woman. The real barometer of our spiritual potential is not our sex, but the commitment of our desire to want to encounter the divine." Excerpt from Reveal

One of the most common ways in which angels speak to us is by showing us repetitive number sequences. Since the publication of her best-selling book Angel Numbers, Doreen Virtue has received even more information from the angels about the meaning of number sequences such as 111, 444, 1234, and so forth. Angel Numbers 101 clearly explains how to receive accurate messages from your angels and heavenly loved ones whenever you see repetitive number sequences on telephone numbers, license plates, receipts, clocks, and such. Every message is completely updated for increased accuracy in understanding your angels' messages. This handy reference guide is small enough to fit into a purse or desk drawer so you'll always know what your angels are saying.

[Magical Messages from the Fairies Oracle Cards](#) ReadHowYouWant.com

Guide to Working and Healing with Divinities and Deities. Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."
