Multistate Guide to Sales and Use Tax Audits provides state-specific material for preparing for and handling an audit in all states that impose sales and use taxes. Readers will gain an increased

understanding of why their businesses or clients were selected for audit, how their audits will proceed, what the audit staff will be looking for, and how assessments are developed.

Annual Report of the Nebraska State Railway Commission to the Governor Jones & Bartlett Publishers

On a U.S. military base near Fallujah in war-torn Iraq, Col. John Folsom woke up one morning to the sound of a small, scruffy donkey tied up outside his quarters. He was charmed by this scrawny animal with a plaintive expression. Folsom and his fellow Marines took in the donkey, built him a corral and shelter, and escorted him on daily walks. One night, hanging out with the Marines as they relaxed after work, the donkey snatched someone's lit cigarette and gobbled it up, to the laughter of all. Suddenly, the donkey had a name: Smoke. More than a conversation topic for troops connecting with families back home, Smoke served as mascot, ambassador, and battle buddy. Smoke the Donkey recounts the strong

friendship between Colonel Folsom and this stray donkey and the massive challenges of reuniting Smoke with Folsom in the United States following Folsom's retirement. After being given to a local sheik, Smoke wandered the desert before Folsom rallied an international team to take him on a convoluted journey to his new home. The team won a protracted bureaucratic battle to move Smoke from Iraq to Turkey, only to face a tougher fight getting him out of Turkey. Once in the States, Smoke became a beloved therapy animal for both children and veterans. Smoke's story, while tinged with sadness, speaks to the enduring bond between a man and an animal, unbroken by war, distance, or red tape.

 Decision-Making in Nursing: Thoughtful
 Approaches for Leadership, Second Edition
 explores multiple decision-making
 approaches to enable nursing students
 and professionals to become insightful,
 critical, flexible, and confident decision
 makers in today's complex healthcare
 environment. With a reflective,
 multidimensional approach to decision-
 making, it examines the ways in which
 history, legal and ethical issues,
 spirituality, culture, family, the media,
 economics, technology, and health policy
 affect the way nurses make decisions.
 With a greater emphasis on leadership,
 teamwork, and intra- and inter-
 professional relationships, this new edition
 provides nurses and students the
 opportunity to see themselves as leaders

and feel comfortable making decisions as
 leaders. Important Notice: The digital
 edition of this book is missing some of the
 images or content found in the physical
 edition.
