 Sometimes dreams—called figments—escape the dreamer's mind. And it's Daher's job to track them down. When she finds herself caught up in the dreams of politically powerful family, Daher discovers secrets about the origins of figments. WHAT HAPPENS WHEN A DREAM ESCAPES? When a dream entity known as a figment emerges from a dreamer's mind, it's Daher's job as an IJ to track them down and make the call: reinsert the figment, or grant them agency in our world. After an especially powerful figment escapes the dreams of an even more powerful politician's son, Daher is pulled headlong into an investigation that traces all the way back to the incident that sent dreams, even nightmares, spilling into our reality. Collects the complete five issue series.

 Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of Together Tea and Calendar Girls. Every woman has a secret life .

. . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

The Superior Foes of Spider-Man Volume 1 Marvel

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

Doctor Strange Omnibus Vol. 1 Marvel

The action of the saga takes place at the end of the tenth century, at about the time Scandinavia was converting from worship of Norse gods to Christianity. A masterpiece of medieval literature, the story focuses on two families — that of Hoskuld, a prominent farmer with several sons, and that of Gudrun, the most beautiful woman ever born in Iceland.

Three Poems Penguin UK

An unprecedented historical account of undivided Punjab, from the death of Aurangzeb to the Partition. For centuries, the fertile land of five rivers in the north of the Indian subcontinent was coveted by numerous empires and invaders. In this, the first major account of undivided Punjab, award-winning historian, biographer and scholar, Rajmohan Gandhi, gives us its history during its most tumultuous phase from the death of Aurangzeb, in the early eighteenth century, to its brutal partition in 1947, coinciding with the departure of the British. Relying on fresh sources as well as previous accounts provided from opposing perspectives, the author fashions a compelling narrative about the great events of the time in the region - the battles and tragedies that routinely disrupted the lives of ordinary Punjabis, the sacking of iconic cities like Lahore, Amritsar, Multan and Jalandhar by a succession of conquerors, the ravages wrought by invaders like Nadir Shah, the rise of the Sikhs culminating in the storied reign of Maharaja Ranjit Singh, Britain's successful wars against the Sikh kingdom, the Great Rebellion of 1857 and its effect on Punjab, imperialist machinations, the influence on the people by leaders of the independence movement like Mahatma Gandhi, Muhammad Ali Jinnah and Lala Lajpat Rai, as also key regional figures such as Fazl-i-Husain, Master Tara Singh, Sikander Hayat Khan and Khizr Hayat Tiwana, the devastation of Partition - and much else besides. Believing that modern India and Pakistan cannot be understood without comprehending the Punjab that was, the author also delves into the idea of Punjabiyaat - Punjabiness - the literature and poetry of creative

giants like Bulleh Shah, Waris Shah, Iqbal, Amrita Pritam and Saadat Hasan Manto, the spiritual teachings of the Sikh Gurus and Sufi saints and, above all, the testimonials and narratives of ordinary Punjabis, to create an unforgettable portrait of a place - undivided Punjab - that continues to fascinate us (even though it broke up more than six decades ago) and of its hard-tested and resilient people, Hindu, Muslim and Sikh.

Our Moon Has Blood Clots Grand Central Publishing

From Betty Smith, author of the beloved American classic *A Tree Grows in Brooklyn*, comes an unsentimental yet radiant and powerfully uplifting tale of young love and marriage. In 1927, in Brooklyn, New York, Carl Brown and Annie McGairy meet and fall in love. Though only eighteen, Annie travels alone halfway across the country to the Midwestern university where Carl is studying law—and there they marry. But Carl and Annie's first year together is much more difficult than they anticipated as they find themselves in a faraway place with little money and few friends. With hardship and poverty weighing heavily upon them, they come to realize that their greatest sources of strength, loyalty, and love, will help them make it through. A moving and unforgettable story, *Joy in the Morning* is "a glad affirmation that love can accomplish the impossible." (Chicago Tribune)

Fifteen years after founding Vice, Gavin McInnes has poured his creative juices into a new endeavor: StreetCarnage.com. Growing in size and influence at an alarming rate, the site's main feature is the new and improved version of Gavin's "DOs and DON'Ts," now tantalizingly called Street Boners. These Boners have been polished and compounded into a book that takes the best of the site and adds hundreds more gems! With 1,312 photos, hilarious captions, and a harsh new rating system-from one to 10 kitten faces-STREET BONERS makes sure no glorious fashion statement goes unnoticed. Innocent citizens are either damned to hell or relentlessly exalted into heaven. Chloe Sevigny, Debbie Harry, Fred Armisen, and Tim & Eric also contribute their scathing wit to the book, and the end result is a New York fashion bible no bathroom should be without.

Accidents Like Love and Marriage Universe Publishing(NY)

The story of Tapti Gaina is intimately linked with the lives of two men, her husband and his brother. Exploring caste, student politics, the freedom struggle and the Emergency, *Brothers* traces the history of the Gaina family, beginning with their village origins across the emerging metropolis of Ajmer and ending at the height of political power in Jaipur. It is a masterful portrayal of ambition, desire, betrayal and anguish, enacted against the

shifting terrain of family dynamics.
