Strengthen relationships, build more resilient communities, and develop a stronger emotional toolbox Explaining power and privilege and the links between individual safety and community safety, Cristien Storm shows readers how to set emotional boundaries that build vibrant social movements and a better world for all. As there have been increases in violence against women, people of color, immigrants, and LGBTQI-identified people, there has been a corresponding demand for individual and community self-defense, boundary setting, and bystander trainings. Boundary setting can be used not just as a means for personal safety but as form of solidarity, resistance, and inspiration. From saying no to a boss who always asks you to work late, to setting a boundary with a loved one, to navigating an uncomfortable situation at the bus stop, Cristien Storm offers a new approach to verbal boundary setting that is accessible for all bodies and identities. Practical in scope, the book includes tools, tips, and strategies from Storm's decades of experience leading boundary-setting workshops. Grounded in resiliency and trauma-informed theory, Storm pays particular attention to the experiences of women, people of color, immigrants, and LGBTQI-identified people, making this necessary reading for anyone looking to create healthier relationships and build stronger communities.

This is the story of a little girl who just wanted to go, even when others tried to stop her. Jennifer Keelan was determined to make a change--even if she was just a kid. She never thought her wheelchair could slow her down, but the way the world around her was built made it hard to do even simple things. Like going to school, or eating lunch in the cafeteria. Jennifer knew that everyone deserves a voice! Then the Americans with Disabilities Act, a law that would make public spaces much more accessible to people with disabilities, was proposed to Congress. And to make sure it passed, Jennifer went to the steps of the Capitol building in Washington DC to convince them. And, without her wheelchair, she climbed. ALL THE WAY TO THE TOP!

Fight Like a Man HarperCollins

A kick-ass practical guide that packs a major punch ... without even throwing one! Self-defense lecturer and no-nonsense blonde bombshell Lori Gervasi lays out simple actions and important decisions women must make BEFORE they find themselves in physical danger to eliminate surprise and

panic. It's an unfortunate reality that women are susceptible to random acts of aggression, from sexual harassment and stalking to physical assaults, domestic violence, date rape and worse. But women can learn how to protect and defend themselves -- with this groundbreaking guidebook. Let martial arts black belt and accomplished journalist Lori Hartman Gervasi walk you through easy-to-follow, everyday steps for taking charge of your personal safety, training your reflexes, and -- if and when the time comes -- using force. Her program consists of 26 potentially life-saving decisions that every woman must make, including: DECIDE TO BELIEVE IN YOUR FIGHT – Battles are waged from the inside out. Your conscience, intelligence, and guts must be committed to the cause. You and those you love are the things worth fighting for. DECIDE TO DEVISE A STRATEGY – Create a one-way ticket out of every imaginable circumstance, from back-door escape routes to getaways in public places. Think "what-if...?", plan for the unexpected, and be ready for anything! DECIDE TO RECOGNIZE THE THREAT OF THE INITIAL ATTACK – When practicing awareness, you can detect danger before it happens. The bad guy will take steps to get close to you. Watch carefully and identify these for what they are—the preludes to an attack. DECIDE TO MOVE – If an attacker strikes, don't freeze—get moving! Break through your fear with instant mobility. You have limitless options and any movement works as long as it leads to your safety. DECIDE TO ACT ON YOUR INSTINCTS – Your intuition is your guide, but you must respond physically in order to be successful. When something isn't right, take action, change plans, redirect yourself, and control your destiny! ...along with Defense Do's And Don'ts, inspiring "Power Points," and other survival tactics that can help you to be prepared, stay strong, and FIGHT LIKE A GIRL...AND WIN

Nearly every day there's another news story or pop cultural anecdote related to feminism and women's rights. #YesAllWomen, conversations around consent, equal pay, access to contraception, and a host of other issues are foremost topics of conversation in American (and worldwide) media right now. Today's teens are encountering these issues from a different perspective than any generation has had before, but what's often missing from the current discussion is an understanding of how we've gotten to this place. *Fight Like a Girl* will familiarize readers with the history of feminist activism, in an effort to celebrate those who paved the way and draw attention to those who are working hard to further the cause of women's rights. Profiles of both famous and lesser-known feminists will be featured alongside descriptions of how their actions affected the overall feminist cause, and unique portraits (artist's renderings) of the feminists themselves. This artistic addition will take the book beyond simply an informational text, and make it a treasure of a book.

An incendiary debut taking the world by storm, *Fight Like a Girl* is an essential manifesto for feminists new, old and soon-to-be. Online sensation and fearless feminist heroine, Clementine Ford is a beacon of hope and inspiration to thousands of women and girls. In the wake of Harvey Weinstein and the #MeToo campaign, Ford uses a mixture of memoir, opinion and investigative journalism to expose just how unequal the world continues to be for women. Personal, inspiring and courageous, *Fight Like a Girl* is an essential manifesto for feminists new, old and soon-to-be. The book is a call-to-arms for women to rediscover the fury that has been suppressed by a society that, despite best efforts, still considers feminism to be a threat. Urgently needed, *Fight Like a Girl* is a passionate, rallying cry that will awaken readers to the fact they are not alone and there's a brighter future where men and women can flourish equally – and that's something worth fighting for.

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It is the first book in *The Time Quintet*, which consists of *A Wrinkle in Time*, *A Wind in the Door*, *A Swiftly Tilting Planet*, *Many Waters*, and *An Acceptable Time*. *A Wrinkle in Time* is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. An honest and practical handbook that reveals important insights into relationships between men and women and work, *Play Like a Man, Win Like a Woman*, is a must-read for every woman who wants to leverage her power in the workplace. Women make up almost half of today's labor force, but in corporate America they don't share half of the power. Only four of the Fortune 500 company CEOs are women, and it's only been in the last few years that even half of the Fortune 500 companies have more than one female officer. A major reason for this? Most women were never taught how to play the game of business. Throughout her career in the super-competitive, male-dominated media industry, Gail Evans, one of the country's most powerful executives, has met innumerable women who tell her that they feel lost in the workplace, almost as if they were playing a game without knowing the directions. In this book, she reveals the secrets to the playbook of success and teaches women at all levels of the organization--from assistant to vice president--how to play the game of business to their advantage. Men know the rules because they wrote them, but women often feel shut out of the process because they don't know when to speak up, when to ask for responsibility, what to say at an interview, and a lot of other key moves that can make or break a career. Sharing with humor and candor her years of lessons from corporate life, Gail Evans gives readers practical tools for making the right decisions at work. Among the rules you will learn are: • How to Keep Score at Work • When to Take a Risk • How to Deal with the Imposter Syndrome • Ten Vocabulary Words That Mean Different Things to Men and Women • Why Men Can Be Ugly, and You Can't • When to Quit Your Job

Black Like Me Harper Collins

AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

A blueprint for the next generation of feminist activists *Fight Like a Girl* offers a vision of the past, present, and future of feminism. With an eye toward what it takes to create actual change and a deep understanding of women's history and the key issues facing girls and young women today, Megan Seely offers a pragmatic introduction to feminism. Written in an upbeat and personal style, *Fight Like a Girl* offers an overview of feminism, including historical roots, myths and meanings, triumphs and shortcomings. Sharing personal stories from her own experience as a young activist, as a mother, and as a teacher, Seely offers a practical guide to getting involved, taking action, and waging successful events and campaigns. The second edition addresses more themes and topics than before, including gender and sexuality, self-esteem, reproductive health, sexual violence, body image and acceptance, motherhood and family, and intersections of identities, such as race, gender, class, and sexualities. *Fight Like a Girl* is an invaluable introduction to both feminism and activism, defining the core tenets of feminism, the key challenges both within and outside the feminist movement, and the steps we can take to create a more socially just world.

"What is the U.S. Constitution? And what is it saying, exactly? Without this super-important document, we wouldn't have the rights, privileges and freedoms we cherish today. But how does the Constitution affect YOU, and what exactly are YOUR rights? This book aims to answer those questions -- and many more! Follow along as we cover the basics of how the Constitution came together, how it set up the United States government, and how it has changed over time with the addition of the Bill of Rights and the amendments. After reading this book, you'll have a better understanding of your unalienable rights of life, liberty, and the pursuit of happiness!" -- Back cover.

Fight Like a Mother Simon and Schuster

Women have been successfully fighting in combat roles since the beginning of time. During Michael G. Lewis's research, he discovered women warriors in nearly every century, country, and culture. Their differences are many - some were queens, some prostitutes, some fought for country, others for religion, while others were motivated by blind loyalty, bloodlust, fame, revenge, and even plain old fashioned greed. Yes, their differences are many, but they are more defined by striking similarities - all were smart, stubborn, almost supernaturally brave, and extraordinary. Their stories are inspiring but also chilling. Their exploits tragic, triumphant, awe inspiring, and even humorous. But their stories are unknown. These women warriors - these "Band of Sisters," as it were - had far reaching effects on the entire world, and their stories deserve to be told.

The Beauty of the Moment meets Exit, Pursued by a Bear. Award-winning thriller writer Sheena Kamal delivers a kick-ass debut YA novel that will have fans crying out for more. Love and violence. In some families they're bound up together, dysfunctional and poisonous, passed from generation to generation like eye color or a quirk of smile. Trisha's trying to break the chain, channeling her violent impulses into Muay Thai kickboxing, an unlikely sport for a slightly built girl of Trinidadian descent. Her father comes and goes as he pleases, his presence adding a layer of tension to the Toronto east-end townhouse that Trisha and her mom call home, every punch he lands on her mother carving itself indelibly into Trisha's mind. Until the night he wanders out drunk in front of the car Trisha is driving, practicing on her learner's permit, her mother in the passenger seat. Her father is killed, and her mother seems strangely at peace. Lighter, somehow. Trisha doesn't know exactly what happened that night, but she's afraid it's going to happen again. Her mom has a new man in her life and the patterns, they are repeating.

When 25-year-old Bella Michaels is brutally murdered in the small town of Strathdee, the community is stunned and a media storm descends.

Unwillingly thrust into the eye of that storm is Bella's beloved older sister, Chris, a barmaid at the local pub, whose apparently easygoing nature conceals hard-won wisdom and the kind of street-smarts that only experience can bring.

Shannon Watts was a stay-at-home mom folding laundry when news of the tragic shooting at Sandy Hook Elementary flashed across the television screen. In one moment, she went from outraged to engaged and decided to do something about it. What started as a simple Facebook group to connect with other frustrated parents grew into Moms Demand Action, a national movement with millions of supporters and a powerful grassroots network of local chapters in all 50 states. Shannon has been called "the NRA's worst nightmare"—and her army of moms have bravely gone up against the gun lobby, showing up in their signature red shirts, blocking the hallways of congress with their strollers, electing gun sense candidates and running for office themselves, proving that if the 80 million moms in this country come together, they can put an end to gun violence. *Fight Like a Mother* is the incredible account how one mother's cry for change became the driving force behind gun safety progress. Along with stories of perseverance, courage, and compassion, Watts shines a light on the unique power of women—starting with what they have, leading with their maternal strengths, and doubling down instead of backing down. While not everyone can be on the front lines lobbying congress, every mom is already a multi-tasking organizer, and Shannon explains how to go from amateur activist to having a real impact in your community and beyond. *Fight Like a Mother* will inspire everyone—mothers and fathers, students and teachers, lawmakers, and anyone motivated to enact change—to get to work transforming hearts and minds, and passing laws that save lives.
