## WARREN BLAINE

---

Polyglot Reader, and Guide for Translation  
 Pearson Educación

Every year, the Bibliography catalogues the most important new publications, historiographical monographs, and journal articles throughout the world, extending from prehistory and ancient history to the most recent contemporary historical studies. Within the systematic classification according to epoch, region, and historical discipline, works are also listed according to author's name and characteristic keywords in their title.

Historia genealógica de la Casa de Silva (2

tomos) Routledge

Tropical Gothic examines Gothic within a specific geographical area of 'the South' of the Americas. In so doing, we structure the book around geographical coordinates (from North to South) and move between various national traditions of the gothic (Mexico, Argentina, Brazil, etc) alongside regional manifestations of the Gothic (the US south and the Caribbean) as well as transnational movements of the Gothic within the Americas. The reflections on national traditions of the Gothic in this volume add to the critical body of literature on specific languages or particular nations, such as Scottish Gothic, American Gothic, Canadian Gothic, German Gothic, Kiwi Gothic, etc. This is significant because, while the Southern

Gothic in the US has been thoroughly explored, there is a gap in the critical literature about the Gothic in the larger context of region of 'the South' in the Americas. This volume does not pretend to be a comprehensive examination of tropical Gothic in the Americas; rather, it pinpoints a variety of locations where this form of the Gothic emerges. In so doing, the transnational interventions of the Gothic in this book read the flows of Gothic forms across borders and geographical regions to tease out the complexities of Gothic cultural production within cultural and linguistic translations. Tropical Gothic includes, but is by no means limited to, a reflection on a region where European colonial powers fought intensively against indigenous populations and against each

other for control of land and resources. In other cases, the vast populations of African slaves were transported, endowing these regions with a cultural inheritance that all the nations involved are still trying to comprehend. The volume reflects on how these histories influence the Gothic in this region.

*Boletín* Editorial MAXTOR

Kyla ha sido «reiniciada»: le han borrado la memoria y sus recuerdos se han perdido para siempre. Han hecho de ella una persona nueva, supuestamente porque era una terrorista y el Gobierno pretende darle así una segunda oportunidad. Pero un día empieza a recordar ecos del pasado, y Kyla descubre que nada es lo que parece ¿ni siquiera ella misma? y que alguien miente. ¿En quién podrá confiar para alcanzar la verdad? Llega la primera parte de una trilogía distópica que puede ser escalofriantemente real.

**Letras hispánicas en la gran pantalla** iUniverse

Though he was haunted by the shadow of his legendary father and devastated by alcoholism, Lon Chaney, Jr., carved out a very successful film career as Universal's leading horror star in the 1940s, and later as a leading character actor in Westerns, dramas, and on television. While rightly focused on the career of the underrated actor, this study also explores his life and times.

**Jurisprudencia de los tribunales de la provincia de Santa Fe** Bib. Orton IICA / CATIE

In addition to a substantial introduction to the life and works of Federico García Lorca—avant-garde poet, playwright, and soul of Spain's "Generation of '27"—this collection features vibrant new English translations of four of his plays. The legacy of a dramatic, religious, and social iconoclast whose death made him a martyr of the left in Civil-War Spain and who today is embraced as a gay icon shines through in Michael Kidd's stage-worthy renderings of *Yerma*, *Blood Wedding*, *The House of Bernarda Alba*, and a more experimental play, *The Audience*, a kaleidoscopic exploration of sexual identity and theater.

*Something to read - A cocktail of life / Algo para leer - El cóctel de la vida* Taylor & Francis

Highly practical in approach, this book introduces learners to the fundamental notions of structured programming and software engineering. KEY TOPICS It covers the full C language, key library functions, object-oriented programming in C++ and Java, and event-driven GUI programming in Java. For individuals begin their mastery

of C Programming.

**Reiniciados, 1. Sin memoria** Hackett Publishing

'La voz de esta mujer es excepcional, rompe los moldes de toda escuela de canto como rompe los moldes de toda música construida'. Las palabras de Federico García Lorca justifican por sí solas la realización de un libro sobre la Niña de los Peines, la mayor y más reconocida cantaora de flamenco y que ningún escritor abordó hasta hoy. El especialista en este cante jondo, Manolo Bohórquez, tras una exhaustiva investigación en la que ha dejado dinero, tiempo y esfuerzo, superó todas las trabas de un personaje tan complejo y la admiración sirvió para escribir este minucioso y cuidado libro donde la Niña de los Peines es de nuevo la protagonista indiscutible del Cante Jondo;

Historia de Cárlos Eduardo, último Príncipe de la casa de Estuardo Signatura Ediciones

Desde *Cualquier Punto de Vista* Desde *Cualquier Punto de Vista* es una mirada audaz a Santiago de Chile. Con una prosa rápida, un constante cambio de narrador y una irreverencia que no se le conoca en textos anteriores, Biggs aborda los problemas de la vida cotidiana en una historia que pudo ser la suya. El relato central, es el de un ejecutivo exitoso (Carlos Sims) que estando en la cima de su carrera, enfrenta un sorpresivo despido, con todo lo que ello implica: pérdida del automóvil de la empresa, del chofer y de mil prebendas que crea que serán para siempre. El tema no es menor, cuando va acompañado del relato de personajes como el junior de la oficina, (Pablo Carreo), quien junto a su amigo Sebastin (con una ambigüedad sexual el primero y una abierta homosexualidad el segundo), organizan una Brigada de Asalto cuyo financiamiento en una primera etapa está a cargo de una fábrica de condones que ellos mismos han montado. Personajes como la madre de Sebastin (Mara Elena Lillo) antigua combatiente del VOP, de la secretaria (Melinda) que es capaz de cualquier cosa con tal de no fallarle a su jefe, o del sub gerente (Claudio Valds Fonk) quien con un currículo cínico y sin frontera aspira al cargo máximo, se armonizan en forma sinfónica con la suegra del protagonista, que es víctima del terrible mal de Alzheimer, y de su esposa, una mujer de clase quien, desde su soledad pasiva, ve transformarse su entorno sin tener recursos ni respuestas para enfrentar el derrumbe del mundo en que creció. La novela transcurre con una velocidad abismante con una serie de otros personajes tan reales como los que construye Biggs los que van relatando una

historia lineal y transversal a la vez, desde su personal punto de vista. Desde *Cualquier Punto de Vista* (From Any Point of View) is an audacious look at Santiago de Chile. With fast prose, a constant change of narrator and with an irreverence that we didn't see in his previous books, Biggs faces the problems of everyday life in a story that could be your own. The central plot involves a very successful executive (Carlos Sims) who, at the peak of his career, is unexpectedly fired, hence, facing all the losses—the company car, the chauffeur, and thousands of other perks he thought would last forever. This theme is knit with the story of a sexually ambiguous junior executive (Pablo Carreo) and his homosexual friend Sebastin, who together decide to organize a Brigade of Assault, financed by a condom factory. The story is filled with rich characters like Sebastin's mother (Mara Elena Lillo), a former V.O.P. Militant (an armed leftist group in Chile during the sixties); Melinda, the secretary who is ready to do anything for her boss; or the assistant manager, (Claudio Valds Fonk) who's trying to claw his way to the top of the Company with a lack of scruples and a cynical attitude. Woven into this rich tapestry is Carlos' mother-in-law, a victim of Alzheimers; his wife, a woman with class who, from her passive loneliness, sees her world fall apart without having means or answers to face the destruction of the world she grew up in. Biggs has created a novel of breathless speed with a series of other characters that tell the story in a lineal and transversal way, from their own point of view.

Lecciones elementales de economía política. Dadas en la escuela de jurisprudencia de México en.

A New Pronouncing Dictionary of the Spanish and English Languages Bib. Orton IICA / CATIE

*Letras Hispánicas en la Gran Pantalla* is an innovative textbook for advanced students of Hispanic studies, which merges the studies of canonical literary works and their film adaptations. Students are guided through key literary masterpieces spanning from the Renaissance to the present day while, at the same time, interpreting their film versions. This parallel approach encourages students to develop their analytical skills as they master the terminology of contemporary studies in literature and cinema. Exploring complete works by both male and female authors and directors from Argentina, Chile, Colombia, Costa Rica, Mexico, and Spain, *Letras Hispánicas en la Gran Pantalla* allows students discover the

astounding diversity of the Spanish-speaking world, in a unique and engaging way.

*The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture* Editorial Dunken  
The Routledge Hispanic Studies Companion to Early Modern Spanish Literature and Culture introduces the intellectual and artistic breadth of early modern Spain from a range of disciplinary and critical perspectives. Spanning the sixteenth and seventeenth centuries (a period traditionally known as the Golden Age), the volume examines topics including political and scientific culture, literary and artistic innovations, and religious and social identities and institutions in transformation. The 36 chapters of the volume include both expert overviews of key topics and figures from the period as well as new approaches to understudied questions and materials. This invaluable resource will be of interest to advanced students and scholars in Hispanic studies, as well as Renaissance

and early modern studies more generally. *Gaceta de los tribunales* Editorial Bruño  
According to the author, Something to Read is, precisely, "Something to read in the toilet", in those moments of silent reflection and free time which the loo allows. It is not, however, an entirely broad-minded text. It has got much of that typical British humour -which causes a silent smile rather than raucous laughter. Furthermore, it has elements of a travelogue, and much of British popular lore. In its pages, readers will find themselves faced with a collection of anecdotes which can be taken as a legacy for generations to come. As in a cocktail, these ingredients are mixed to obtain a refreshing and unique flavour. A decir de su autor, Algo para leer es, precisamente, "Algo para leer en el baño", en esos momentos de silenciosa reflexión y tiempo muerto que el toilette permite. Hay mucho del característico humor inglés -ese que produce una sonrisa "interna" más que una estentórea carcajada. Hay, también, elementos de un travelogue (diario de viajes), y bastante del saber popular

inglés. En sus páginas el lector se hallará frente a un anecdotario que puede tomarse como legado para generaciones futuras. Como en un cóctel, estos ingredientes se mezclan para lograr un sabor único y refrescante.

*Tercera Parte de la Tragicomedia de Celestina* Editorial MAXTOR  
Carefully and judiciously edited by Barrick, the Tercera Celestina is a rare piece of Spanish prose fiction, a literary masterpiece, and a mine of linguistic and proverbial materials.
