## ESCOBAR STERLING

*Civil War* Reaktion Books

THE HILARIOUS AND WILDLY POPULAR INSTAGRAM COMIC ABOUT A WORLD WITH NO MEN With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers, updated biweekly with each installment earning an average of 25,000 likes. Now, readers everywhere will delight in the print edition as Dhaliwal seamlessly incorporates feminist philosophical concerns into a series of perfectly-paced strips that skewer perceived notions of femininity and contemporary cultural icons. D+Q's edition of *Woman World* will include new and previously unpublished material. When a birth defect wipes out the planet's entire population of men, *Woman World* rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. For the most part, *Woman World's* residents are focused on their struggles with unrequited love and anxiety, not to mention that whole "survival of humanity" thing. *Woman World* is an uproarious and insightful graphic novel from a very talented and funny new voice.

[Myth and Magic: Queer Fairy Tales](#) St. Martin's Press

*Amazons of Bluebelle Valley, Giantess Collector's Edition* is phenomenally entertaining and massive - all twenty marvelous episodes of the original series. Included, for your viewing pleasure, in this big, wide, tall, heavy 474-page volume are all the original covers presented as art and without titles. This huge book is the perfect coffee-table gift for the man who dreams (probably secretly) of being enthusiastically loved by magnificent vigorous amazons of superlative proportions. Kind of expensive for a book - but you wanted highest quality and a fun unique experience for your valuable time. Here it is for the price of a good theater ticket. So pull up a seat, my friend. In the specific genre of mini

giantess and small man, *Amazons of Bluebelle Valley* stands as a grand and unique achievement. It is a celebration of the dominant Goddess, a joyous ode to voluptuous, tall, gorgeous, amorous, and sexy women in the extreme. Surprisingly, these thoroughly smashing-good-time erotic adventures comprise an unexpected spiritual journey you can be proud to witness. Thoroughly indulge yourself and be properly uplifted at the same time: now that's the win-win we've been looking for! Be 21 years old (if not 31) to read the sexually explicit content that permeates these super sexy, XXX-rated, and adult-only adventure stories. This is the Hero's adventure as never seen before, looking up at sexually impossible odds. Each Episode fulfills the promise to be dependably engaging, heartfelt, clever, humorous, and of course sexually perilous for our unlikely little protagonist, Richie Greenfield. We cast aside all unhealthy shame to rejoice and claim this particular sexual fantasy and proclivity. Step into the extraordinary life of our little avatar, our champion, humbly doing his best to be a true man as he lives with, works for, loves under, and is munificently smothered by the Amazons and Giantesses of Bluebelle Valley. "The style is exceptionally easy to read. Each bodacious romp in the juicy fantasy land moves along like a fun amusement park ride. The characters are ultimately open and generous and therefore their world, while edgy and sexually dangerous, seems kind and oddly sweet. The paradox is that so much outrageous crushing sex could be so uplifting." J.E. - San Francisco

[Salt to the Sea](#) Dark Horse Comics

The Turtles' final battle with Shredder begins here! This book will take us inside the minds of key characters in the TMNT universe, revealing the epic moments that have led to the present, as well as setting the stage for the biggest storyline yet with all new material!

**The Goddess** Fantagraphics Books

The road to Teenage Mutant Ninja Turtles' 100th issue begins! New York City has just erupted into war as Splinter battles Karai for control of the Foot Clan with the Turtles caught in the middle! Find out how the Turtles got to this point as they battle some of their fiercest foes in this special FCBD offering!

**The Puttermesser Papers** Virago Press

With dashing originality and in prose that sings like an entire choir of sirens, Cynthia Ozick relates the life and times of her most compelling fictional creation. Ruth Puttermesser lives in New York City. Her learning is monumental. Her love life is minimal (she prefers pouring through Plato to romping with married Morris Rappoport). And her fantasies have a disconcerting tendency to come true - with disastrous consequences for what we laughably call "reality." Puttermesser yearns for a daughter and promptly creates one, unassisted, in the form of the first recorded female golem. Laboring in the dusty crevices of the civil service, she dreams of reforming the city - and manages to get herself elected mayor. Puttermesser contemplates the afterlife and is hurtled into it headlong, only to discover that a paradise found is also paradise lost. Overflowing with ideas, lambent with wit, *The Puttermesser Papers* is a tour de force by one of our most visionary novelists. "The finest achievement of Ozick's career... It has all the buoyant integrity of a Chagall painting." -San Francisco Chronicle "Fanciful, poignant... so intelligent, so finely expressed that, like its main character, it remains endearing, edifying, a spark of light in the gloom." -The New York Times "A crazy delight." -The New York Time Book Review

**Damned** Penguin

The moon of LV-223--resting place of the doomed Prometheus expedition, enigmatic source of all organic life, and nightmarish source of ultimate destruction. Now a new generation of explorers hopes to uncover the mysteries of this strange and dangerous world, but what they find may lead to humanity's undoing. Collects *Prometheus: Fire and Stone #1-#4*, *Aliens: Fire and Stone #1-#4*, *Alien vs. Predator: Fire and Stone #1-#4*, *Predator: Fire and Stone #1-#4*, *Prometheus: Fire and Stone--Omega one shot*

[Cultural Legacies of Old Norse Literature](#) Vintage

As a young adult, Sandy Allen was named by the Guinness Book of World Records as the Tallest Woman in the World: seven-feet-seven-and-a-quarter inches tall. Sandy tried to find some normalcy in a life which was hardly normal. She visited Indiana schools with a message of tolerance. This novelized version of her life, written with her approval, presents Sandy's message loud

and clear: it's OK to be different.

**Teenage Mutant Ninja Turtles: Casualty of War** Author House

Koschei the Deathless is to Russian folklore what devils or wicked witches are to European culture: a menacing, evil figure; the villain of countless stories which have been passed on through story and text for generations. But Koschei has never before been seen through the eyes of Catherynne Valente, whose modernized and transformed take on the legend brings the action to modern times, spanning many of the great developments of Russian history in the twentieth century. Deathless, however, is no dry, historical tome: it lights up like fire as the young Marya Morevna transforms from a clever child of the revolution, to Koschei's beautiful bride, to his eventual undoing. Along the way there are Stalinist house elves, magical quests, secrecy and bureaucracy, and games of lust and power. All told, Deathless is a collision of magical history and actual history, of revolution and mythology, of love and death, which will bring Russian myth back to life in a stunning new incarnation. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*In the Country of Others* Zubaan

The award-winning, #1 internationally bestselling new novel by the author of *The Perfect Nanny* that "lays bare women's intimate, lacerating experience of war" (The New York Times Book Review) After World War II, Mathilde leaves France for Morocco to be with her husband, whom she met while he was fighting for the French army. A spirited young woman, she now finds herself a farmer's wife, her vitality sapped by the isolation, the harsh climate, and the mistrust she inspires as a foreigner. But she refuses to be subjugated or confined to her role as mother of a growing family. As tensions mount between the Moroccans and the French colonists, Mathilde's fierce desire for autonomy parallels her adopted country's fight for independence in this lush and transporting novel about race, resilience, and women's empowerment.

**The Shrinking and Tiny Man Collection** Penguin

Myth, magic, and monsters—the stuff of childhood dreams (or nightmares) and adult fantasies. Delve into these classic fairy tales retold with a queer twist and surrender to the world of seductive spells and dark temptations.

Giantess Globalist Sperm War Cranky Nell Books

The year is 1937 and Andorra Kelsey – 7'11 and just over 320 pounds – is on her way to Hollywood to become a star. Hoping to escape both poverty and the ghost of her dead husband, she accepts an offer from the wily Rutherford Simone to star in a movie about the life of Anna Swan, the Nova Scotia giantess who toured the world in the 19th century. Told in parallel, Anna Swan's story unfurls. While Andorra is seen as a disgrace by an embarrassed family, Anna Swan is quickly celebrated for her unique size. Drawn to New York, Anna becomes a famed attraction at P.T. Barnum's American Museum even as she falls in love with Gavin Clarke, a veteran of the Civil War. Quickly disenchanted with a life of fame, Anna struggles to prove to Gavin – and the world – that she is more than the sum of her measurements. Both meticulously researched and resounding with the force of myth, Joel Fishbane's *The Thunder of Giants* blends fact and fiction in a sweeping narrative that spans nearly a hundred years. Against the backdrop of epic events, two extraordinary women become reluctant celebrities in the hopes of surviving a world too small to contain them.

*Messages in a Bottle* Bold Strokes Books Inc

The cultural and literary legacy of medieval Iceland, with its roots in Norse heathen religion, heroic literature, and Viking Age history, is the focus of this volume. Its chapters examine the history and reception of a particular text or topic within this remarkable tradition. They treat a number of topics, including the legendary dragon-slayer Sigurd, the many personas of the mysterious god Odin, aspects of the ancient mythology of gods and giants, the early settlement of Iceland, the defiant Viking warriors known as the "Sworn Brothers", the entrepreneurial role of cloth production in medieval Scandinavia, the codicology and book history of key literary works, the many references to medieval Nordic lore in modern fiction and poetry, and the cultural position of islands such as Iceland in relation to the ebb and flow of religions, institutions and empires. Reconsidering these areas of Old Norse-Icelandic literary culture reveals the striking resilience and adaptability of its traditions, through a startling variety of transformations.

The Fabulous Feminist Orbit

Bernard Krigstein began his career as an unremarkable journeyman cartoonist during the 1940s and finished it as a

respected fine artist and illustrator — but comics historians know him for his explosively creative 1950s, during which he applied all the craft, intelligence and ambition of a burgeoning "serious" artist to his comics work, with results that remain stunning to this day. Krigstein's legend rests mostly on the 30 or so stories he created for the EC Comics, but dozens of stories drawn for other, lesser publishers such as Rae Herman, Hillman, and Atlas (which would become Marvel) showcase his skills and radical reinterpretation of the comics page, in particular his groundbreaking slicing and dicing of time lapses through a series of narrow, nearly animated panels. Greg Sadowski, who has previously written and designed a Harvey Award-winning biography of Krigstein, has assembled the very best of Krigstein's comics work, starting with his earliest creative rumblings, through his glory days at EC, to his final, even more brilliantly radical stories for Atlas Comics — running through every genre popular at the time, be it horror, science fiction, war, western, or romance (but no super-heroes).

*The Surreal Life of Leonora Carrington* IDW Publishing

Charlotte decides to spend time with Logan for old time's sake. The two of them have a trailer on the beach all to themselves for a whole weekend where they get to reignite their feelings for each other. The only problem is what will become of them after they go back to their normal lives. Mature Readers Only (18+)

The Thunder of Giants Marvel

Ulla is tall, very tall; in fact she may just be the tallest human being in history. She lives all alone on the fourth planet in the Shima star system. There is nothing there for her to do except wonder why this has happened to her, and cry. One day fate sends another soul her way. He is a young naval officer by the name of Max Worth. Can lonely Ulla make a relationship with this man? What will he think of the giantess of Shima 4?

Giantess Drawn & Quarterly

It was on a sabbatical in England in the late seventies that Suniti Namjoshi discovered feminism—or rather, she discovered that other feminists existed, and many among them shared her thoughts and doubts, her questions and visions. Since then, she has been writing—fables, poetry, prose autobiography, children's stories—about power, about inequality, about oppression, effectively using the power of language and the literary tradition to expose what she finds absurd and unacceptable. This new

collection brings together in one volume a huge range of Namjoshi's writings, starting with her classic collection, *Feminist Fables*, and coming right up to her latest work. Published by Zubaan.

Woman World Penguin

**Saints + Sinners: New Fiction from the Festival 2014** Bold Strokes Books Inc

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of *The Breakfast Club*, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of *Damned*, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her Swiss boarding

school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where *The English Patient* plays on repeat and roaming demons devour sinners limb by limb.

However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

**Amazons of Bluebelle Valley** Only RX

"In the Days of Giants: A Book of Norse Tales" by Abbie Farwell Brown. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten--or yet undiscovered gems--of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

*Njord and Skadi* Crown Books for Young Readers

In 2006 journalist Joanna Moorhead discovered that her father's

cousin, Prim, who had disappeared many decades earlier, was now a famous artist in Mexico. Although rarely spoken of in her own family (regarded as a black sheep, a wild child; someone they were better off without) in the meantime Leonora Carrington had become a national treasure in Mexico, where she now lived, while her paintings are fetching ever-higher prices at auction today. Intrigued by her story, Joanna set off to Mexico City to find her lost relation. Later she was to return to Mexico ten times more between then and Leonora's death in 2011, sometimes staying for months at a time and subsequently travelling around Britain and through Europe in search of the loose ends of her tale. They spent days talking and reading together, drinking tea and tequila, going for walks and to parties and eating take away pizzas or dining out in her local restaurants as Leonora told Joanna the wild and amazing truth about a life that had taken her from the suffocating existence of a debutante in London via war-torn France with her lover, Max Ernst, to incarceration in an asylum and finally to the life of a recluse in Mexico City. Leonora was one of the last surviving participants in the Surrealist movement of the 1930s, a founding member of the Women's Liberation Movement in Mexico during the 1970s and a woman whose reputation will survive not only as a muse but as a novelist and a great artist. This book is the extraordinary story of Leonora Carrington's life, and of the friendship between two women, related by blood but previously unknown to one another, whose encounters were to change both their lives.
