WILSON OCONNELL

The Darkdeep Bloomsbury Publishing USA

Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful Bones series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a

devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that’s more than skin-deep. Flash and Bones Simon & Schuster
A complex and riveting tale of deceit and murder unfolds in this

repackage of the thirteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

Bones to Ashes Penguin

This book offers a collection of four short stories based on the Virals series from Sunday Times bestselling author, Kathy Reichs! Includes, *Swipe*, *Shift*, *Shock*, previously published as digital short stories. Fans of the Virals series will be thrilled with this companion volume that includes three short stories originally

published as digital short stories as well as an all-new, never-before-seen Virals adventure! *Shift*, *Swipe*, *Shock* and the new story *Spike* give further glimpses of the Virals' world as they work with Tory's famous great aunt, Temperance Brennan, to solve more mysteries, take a look at where it all started before they became Virals, and get to the bottom of an attempted sabotage at Kit and Whitney's wedding.

Cold, Cold Bones Simon and Schuster

#1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A

trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. “A complete success” (Booklist, starred review), “this is Kathy Reichs as you’ve never read her before” (David Baldacci).

Bones on Ice: A Novella Random House

Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs never fails to satisfy readers

looking for psychological suspense that’s more than skin-deep.

Trace Evidence Simon and Schuster

Public health care is one of the most important issues in America today. Now Robin Cook, the bestselling master of medical suspense, confronts this controversial subject with an all-too-possible scenario as powerful--and terrifying--as his groundbreaking blockbuster, *Coma*...With its state-of-the-art facility and peaceful Vermont setting, the Bartlet Community Hospital seemed like a dream come true. It offered doctors David and Angela Wilson new career opportunities, a chance to work within an enlightened system of “Managed care” --and a perfect place to raise their daughter, who suffered from cystic fibrosis. But then, one by one, their dreams turned to nightmares. And day by day, their patients began to die...

Deadly Decisions Penguin

One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist Temperance Brennan in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might have called in, but lucky for the local police she’s already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and

Detective Galiano, an old flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert, smart, with a taut energy, and this is her best plot and best writing ever.

Code Random House

From New York Times bestselling author Kathy Reichs, *Grave Secrets* is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are "the disappeared," twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.

Virals Penguin

Struggling with a lackluster teaching position at an archeology

field school in South Carolina, Tempe Brennan discovers a fresh skeleton among ancient bones and traces leads to a free street clinic where patients are going missing.

Code Puffin Books

Kathy Reichs' *Virals* series has been an enormous hit with Young adult and adult readers alike. In this collection of short stories, Kathy ties up all the loose ends in Tory's world. Fans of the *Virals* series will be thrilled with this companion volume that includes three short stories originally published as digital short stories as well as an all-new, never-before-seen *Virals* adventure! *Shift*, *Swipe*, *Shock* and the new story *Spike* give further glimpses of the *Virals'* world as they work with Tory's famous great aunt, Temperance Brennan, to solve more mysteries, take a look at where it all started before they became *Virals*, and get to the bottom of an attempted sabotage at Kit and Whitney's wedding.

Seizure Random House

#1 New York Times bestselling author Kathy Reichs's twentieth "brilliant" (Louise Penny) thriller featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. "This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense" (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health

authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn't register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, *The Bone Code* is “a murder mystery story that races across America at the speed of fright” (James Patterson).

Two Nights Simon & Schuster

Tory Brennan - great niece of Dr Temperance Brennan - and the Virals return for their most terrifying adventure yet. Life appears peaceful on Loggerhead Island - rescued from financial disaster, the research institute is flourishing once more. But the tranquility is quickly shattered when Tory Brennan and her technophile gang discover a mysterious box buried in the ground. A seemingly innocent treasure hunt soon turns into a nightmarish game of puzzles, as it becomes clear that one false move will lead to terrible, explosive consequences. The clock is ticking. Can Tory and the Virals crack the code in time to save the city - and their own lives?

Deja Dead Bantam

"This book left me breathless!" --R. L. Stine, #1 New York Times bestselling author of *Goosebumps* and *Fear Street* "Move over, *Stranger Things*. . . *The Darkdeep* will pull you into an irresistibly eerie world beyond your wildest dreams--and nightmares." --Melissa de la Cruz, #1 New York Times bestselling author of the *Descendants* series New York Times bestselling authors Ally

Condie and Brendan Reichs team up to co-author this thrilling first book in a darkly suspenseful middle grade series. Everyone in *Timbers* knows Still Cove is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into Still Cove's icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.

Nemesis Simon and Schuster

Lost treasure. Perilous adventures. Deadly foes. Tory and her friends are just starting to get a handle on their super-heightened wolf-like capabilities—contracted during a medical experiment gone horribly wrong—when they find out funding is being pulled

from the institute where their parents work. The pack now faces its greatest fear—separation. So when Tory stumbles across ancient lore hinting at a lost pirate treasure, the Virals devise a risky plan that pits them against fiendish traps, headless corpses, and deep underground tunnels. But they're not the only ones looking, and the competition could be lethal. They'll need to work as one mystery-solving canine force if they hope to uncover the lost fortune, save the institute, and stick together!

Spider Bones Penguin

In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

The Bone Code Simon and Schuster

In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound, hands to feet, and there's something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, *206 Bones* describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.

Deja Dead Simon and Schuster

A collection of four short stories based on the Virals series from New York Times bestselling authors, Kathy Reichs and Brendan Reichs! Fans of the Virals series will be thrilled with this companion volume that includes three short stories originally published as eSpecials as well as an all-new, never-before-seen Virals adventure! Shift, Swipe, Shock and the new story Spike

give further glimpses of the Virals' world as they work with Tory's famous great aunt, Temperance Brennan, to solve more mysteries, take look at where it all started before they became Virals, and get to the bottom of an attempted sabotage at Kit and Whitney's wedding.

Break No Bones Simon and Schuster

Tory's great aunt, Temperance Brennan, visits just in time to investigate a robbery at the Loggerhead Island Research Institute. As a renowned forensic anthropologist, Tempe is obviously qualified to figure out whodunit, but Tory and her Virals pack want to crack the case on their own. Yet the crime is puzzling. Who could have accessed the labs at LIRI, and how could they have gotten the equipment off the island? It's Brennan vs. Brennan in this short story that gives readers a brand new insight into the world of the Virals.

A Conspiracy of Bones Random House

NEW YORK TIMES BESTSELLER • A standalone thriller featuring a “tough-talking, scarred heroine”* from the author of the Temperance Brennan series, the basis for the hit TV show *Bones*. Meet Sunday Night, a woman with physical and psychological scars, and a killer instinct. . . . Sunnie has spent years running from her past, burying secrets and building a life in which she needs no one and feels nothing. But a girl has gone missing, lost in the chaos of a bomb explosion, and the family needs Sunnie's help. Is the girl dead? Did someone take her? If she is out there, why doesn't she want to be found? It's time for Sunnie to face her own demons—because they just might lead her to the truth about what really happened all those years ago. *Publishers Weekly Praise for Two Nights “Reichs' newest heroine, the polar opposite

of cerebral Temperance Brennan, is fueled by a well-nigh uncontrollable rage in her thrilling, violent search for a missing girl so much like herself.”—Kirkus Reviews “Brennan fans should appreciate Sunday [Night] . . . the star of this fast-paced series launch from bestseller Reichs. [The finale] seems designed for the big screen.”—Publishers Weekly “The writing is crisp and vivid. . . . The story is cleverly plotted. . . . Reichs' legion of fans should be encouraged to check out this one.”—Booklist Praise for Kathy Reichs “I love Kathy Reichs—always scary, always suspenseful, and I always learn something.”—Lee Child “Kathy Reichs continues to be one of the most distinctive and talented writers in the genre. Her legion of readers worldwide will agree with me when I declare that the more books she writes, the more enthusiastic fans she'll garner.”—Sandra Brown “Nobody does forensics thrillers like Kathy Reichs. She's the real deal.”—David Baldacci “Kathy Reichs writes smart—no, make that brilliant—mysteries.”—James Patterson “Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic.”—Entertainment Weekly

Faking a Murderer Simon and Schuster

Featuring a preview of the highly anticipated new thriller *Speaking in Bones*, this eBook original novella showcases #1 New York Times bestselling author Kathy Reichs at the peak of her powers. In *Bones on Ice*, forensic anthropologist Temperance Brennan gets wrapped up in the ultimate cold case: a death on Mount Everest. It is called the “death zone”: the point on Everest, nearly five miles high, above which a climber cannot be rescued. More than 250 souls have lost their lives there. Most of the bodies remain, abandoned, frozen in place. When an earthquake leads

to a miraculous recovery, Dr. Temperance Brennan is hired to identify the frozen mummified human corpse. The victim is the daughter of a wealthy Charlotte couple who never got the chance to say goodbye. But far from offering solace and closure, Tempe's findings only provoke more questions. What happened on Mount Everest? Was the young woman's death an accident? Why aren't the other climbers talking? And how far will those hiding the truth go to make sure the past stays buried? Praise for Kathy Reichs and the Temperance Brennan series "A genius at building suspense."—New York Daily News "Kathy Reichs writes smart—no, make that brilliant—mysteries that are as realistic as

nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross."—James Patterson "Reichs, a forensic anthropologist, makes her crime novels intriguingly realistic."—Entertainment Weekly "One of the most distinctive and talented writers in the genre."—Sandra Brown "Every minute in the morgue with Tempe is golden."—The New York Times Book Review "Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last."—Lisa Scottoline "Reichs always delivers a pulse-pounding story."—Publishers Weekly "I love Kathy Reichs—always scary, always suspenseful, and I always learn something."—Lee Child
