A Novel Scholastic UK  
SINNER is the book that every Maggie Stiefvater and paranormal romance fan has been waiting for! SINNER is a companion book to the #1 bestselling SHIVER, LINGER and FOREVER trilogy. You thought it ended with FOREVER, but there's another story to tell - the one of Cole and Isabel...

and this time they're in LA. There will be wolves, and there will be yearning. But most importantly there will be love. And no one does love like Maggie. Getting Played HarperCollins  
6 Starred Reviews and a New York Public Library Best Book of 2017! New York Times bestselling author Jodi Lynn Anderson's epic tale—told through three unforgettable points of

view—is a masterful exploration of how love, determination, and hope can change a person's fate. 2065: Adri has been handpicked to live on Mars. But weeks before launch, she discovers the journal of a girl who lived in her house more than a hundred years ago and is immediately drawn into the mystery surrounding her fate. 1934: Amid the fear and uncertainty of the Dust Bowl, Catherine's family's situation is

growing dire. She must find the courage to sacrifice everything she loves in order to save the one person she loves most. 1919: In the recovery following World War I, Lenore tries to come to terms with her grief for her brother, a fallen British soldier, and plans to sail from England to America. But can she make it that far? While their stories span thousands of miles and multiple generations, Lenore, Catherine, and Adri's fates are entwined in ways both

heartbreaking and hopeful. In Jodi Lynn Anderson's signature haunting, lyrical prose, human connections spark spellbindingly to life, and a bright light shines on the small but crucial moments that determine one's fate. "Deft, succinct, and ringing with emotion without ever dipping into sentimentality, Anderson's novel is both intriguing and deeply satisfying."—Kirkus (starred review) "Each character's resilience and independence shines brightly, creating a thread

that ties them together even before the intersections of their lives are fully revealed. Anderson's piercing prose ensures that these remarkable women will leave a lasting mark on readers."—Publishers Weekly (starred review) "With quietly evocative writing, compellingly drawn characters, and captivating secrets to unearth, this thought-provoking, lyrical novel explores the importance of pinning down the past before launching into the mystery of the

future.”—Booklist (starred review) “Anderson ...allows her characters to shine through, with each distinct, nuanced, and memorable.”—BCCB (starred review) “Anderson deftly tackles love, friendship, and grief in this touching exploration of resilience and hope. A must-have for all YA collections.”—School Library Journal (starred review) “In *Midnight at the Electric*, Jodi Lynn Anderson weaves a shining tale of hope in the face of adversity. ” —Shelf

Awareness (starred review) *The Lottery Plus One* Sourcebooks, Inc. The fourth and final installment in the spellbinding series from the irrepressible, #1 New York Times bestselling author Maggie Stiefvater. All her life, Blue has been warned that she will cause her true love's death. She doesn't believe in true love and never thought this would be a problem, but as her life becomes caught up in the strange and sinister world of the Raven Boys, she's

not so sure anymore. In a starred review for *Blue Lily, Lily Blue*, Kirkus Reviews declared: “Expect this truly one-of-a-kind series to come to a thundering close.” [The Faerie Queen's Deception](#) North Star Editions, Inc. The third installment in the captivating series from the irrepressible, #1 New York Times bestselling author Maggie Stiefvater, in paperback. Blue Sargent has found things. For the first time in her life, she has friends she can trust, a group to

which she can belong. The Raven Boys have taken her in as one of their own. Their problems have become hers, and her problems have become theirs. The trick with found things, though, is how easily they can be lost. Friends can betray. Mothers can disappear. Visions can mislead. Certainties can unravel. In a starred review, *The Bulletin* called *The Dream Thieves*, the previous book in *The Raven Cycle*, "a complex web of magical intrigue and heart-stopping action."

Now, with *Blue Lily, Lily Blue*, the web becomes even more complex, snaring readers at every turn.

Lament Ballantine Books  
From acclaimed and New York Times bestselling YA authors Maggie Stiefvater, Tessa Gratton, and

Brenna Yovanoff comes *The Curiosities: A Collection of Stories*. ? A vampire locked in a cage in the basement, for good luck. ? Bad guys, clever girls, and the various reasons why the guys have to stop breathing. ? A world where fires never go out (with references to vanilla ice cream). These are but a few of the curiosities collected in this volume of short stories by three acclaimed practitioners of paranormal fiction. But *The Curiosities* is more than the stories. Since

2008, Maggie, Tessa, and Brenna have posted more than 250 works of short fiction to their website [www.merryfates.com](http://www.merryfates.com). Their goal was simple: create a space for experimentation and improvisation in their writing?all in public and without a backspace key. In that spirit, The Curiosities includes the stories and each author's comments, critiques, and kudos in the margins. Think of it as a guided tour of the creative processes of three acclaimed authors.

Growing Up in Turkey  
Simon and Schuster  
From the #1 New York Times bestselling author of The Raven Boys, a mesmerizing story of dreams and desires, death and destiny. The dreamers walk among us . . . and so do the dreamed. Those who dream cannot stop dreaming - they can only try to control it. Those who are dreamed cannot have their own lives - they will sleep forever if their dreamers die. And then there are those who are drawn to the dreamers. To use

them. To trap them. To kill them before their dreams destroy us all. Ronan Lynch is a dreamer. He can pull both curiosities and catastrophes out of his dreams and into his compromised reality. Jordan Hennessy is a thief. The closer she comes to the dream object she is after, the more inextricably she becomes tied to it. Carmen Farooq-Lane is a hunter. Her brother was a dreamer . . . and a killer. She has seen what dreaming can do to a person. And she has seen

the damage that dreamers can do. But that is nothing compared to the destruction that is about to be unleashed. . .

Pip Bartlett's Guide to Magical Creatures (Pip Bartlett #1) HMH Books  
For Young Readers  
Sixteen-year-old Deirdre Monaghan is a music prodigy, who's about to find out she can see faeries. Two mysterious (and cute) guys enter her life. Trouble is, Luke is a soulless faerie assassin and Aodhan is a dark faerie soldier. Their orders

from the Faerie Queen? Kill Deirdre.

*Shiver Trilogy (Shiver, Linger, Forever)*

Scholastic Inc.

James Morgan's gift for music has attracted Nuala, a soul-snatching faerie who feeds on the creative energies of exceptional humans until they die. While collaborating on a musical composition, James and Nuala unexpectedly fall in love. When James realizes that Nuala is being hunted, he plunges into a soul-scorching battle with the Faerie Queen.

From #1 New York Times  
bestselling author  
Brandon Sanderson,  
Stephen Leeds is back in  
a new, double-length  
novella that Library  
Journal says has "the  
pulse of a thriller and the  
hook of a fascinating hero  
balancing on the edge of  
psychosis." It's not his  
own genius that Stephen  
Leeds gets hired for.  
Clients want to tap into  
the imaginary experts  
that populate his  
mind—and it's getting a  
bit crowded in there. Now  
Stephen and his internal

team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have

used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

### **The Enchanted**

Scholastic Inc.

In 1892, America was obsessed with a teenage murderess, but it wasn't her crime that shocked the nation—it was her motivation. Nineteen-year-old Alice Mitchell had

planned to pass as a man in order to marry her seventeen-year-old fiancée Freda Ward, but when their love letters were discovered, they were forbidden from ever speaking again. Freda adjusted to this fate with an ease that stunned a heartbroken Alice. Her desperation grew with each unanswered letter—and her father's razor soon went missing. On January 25, Alice publicly slashed her ex-fiancée's throat. Her same-sex love was deemed insane by her

father that very night, and medical experts agreed: This was a dangerous and incurable perversion. As the courtroom was expanded to accommodate national interest, Alice spent months in jail—including the night that three of her fellow prisoners were lynched (an event which captured the attention of journalist and civil rights activist Ida B. Wells). After a jury of "the finest men in Memphis" declared Alice insane, she was remanded to an asylum, where she died under

mysterious circumstances just a few years later. Alice + Freda Forever recounts this tragic, real-life love story with over 100 illustrated love letters, maps, artifacts, historical documents, newspaper articles, courtroom proceedings, and intimate, domestic scenes.

The Foxes are a fractured mess, but their latest disaster might be the miracle they've always needed to come together

as a team. The one person standing in their way is Andrew, and the only one who can break through his personal barriers is Neil. Except Andrew doesn't give up anything for free and Neil is terrible at trusting anyone but himself. The two don't have much time to come to terms with their situation before outside forces start tearing them apart. Riko is intent on destroying Neil's fragile new life, and the Foxes have just become collateral damage. Neil's days are

numbered, but he's learning the hard way to go down fighting for what he believes in, and Neil believes in Andrew even if Andrew won't believe in himself.

Call Down the Hawk (The Dreamer Trilogy, Book 1)

Emma Chase, LLC

The bestselling author of the adult novel Room bursts onto the children's book scene with this cross between Little Miss Sunshine, Cheaper by the Dozen, and Modern Family. Sumac Lottery is nine years old and the self-proclaimed "good

girl" of her (VERY) large, (EXTREMELY) unruly family. And what a family the Lotterys are: four parents, children both adopted and biological, and a menagerie of pets, all living and learning together in a sprawling house called Camelottery. Then one day, the news breaks that one of their grandfathers is suffering from dementia and will be coming to live with them. And not just any grandfather -- the long dormant "Grumps," who fell out with his son so long ago that he hasn't

been part of any of their lives. Suddenly, everything changes. Sumac has to give up her room to make the newcomer feel at home. She tries to be nice, but prickly Grumps clearly disapproves of how the Lotterys live: whole grains, strange vegetables, rescue pets, a multicultural household... He's worse than just tough to get along with -- Grumps has got to go! But can Sumac help him find a home where he belongs? Shiver Series (Shiver, Linger, Forever, Sinner)  
Scholastic UK

Growing up on the Aegean Coast, Ozge loved the sea and imagined a life of adventure while her parents and society demanded predictability. Her dad expected Ozge, like her sister, to become an engineer. She tried to hear her own voice over his and the religious and militaristic tensions of Turkey and the conflicts between secularism and

fundamentalism. Could she be a scuba diver like Jacques Cousteau? A stage actress? Would it be possible to please everyone including herself? In her unpredictable and funny graphic memoir, Ozge recounts her story using inventive collages, weaving together images of the sea, politics, science, and friendship.

Blue Lily, Lily Blue Jimmy Patterson

Though she is from a family of clairvoyants, Blue Sargent's only gift seems to be that she makes other people's talents stronger, and when she meets Gansey, one of the Raven Boys from the expensive Aglionby Academy, she discovers that he has talents
