The need to outgrow one's childhood influences and establish an individual identity is common to us all, but for Christopher Milne it was an especially difficult experience in view of the unique problems he faced as the son of A. A. Milne. In this warm, honest, and often amusing autobiography, he traces the path which, after several wrong turnings, ultimately led him and his wife, Lesley, to establish the successful Harbour Bookshop in Dartmouth - a path which led not to spectacular achievements, but to modest success and contentment. Wise, humble, and philosophical, The Path Through the Trees is Christopher Milne's search as a young man for his own place in life, told with the same sincerity and vividness that distinguished his first book, The Enchanted Places. '. . . it is readily, and with the utmost pleasure, I give this alpha-plus.' Bookseller '. . . it has great charm, and is most enjoyable.' Daily Telegraph 'An irresistibly attractive candour informs this book.' Economist

The Path I Took, and Where It Led Me Forgotten Books

A riveting new biography of America's greatest all-around athlete by the bestselling author of the classic biography When Pride Still Mattered. Jim Thorpe rose to world fame as a mythic talent who excelled at every sport. He won gold medals in the decathlon and pentathlon at the 1912 Stockholm Olympics, was an All-American football player at the Carlisle Indian School, the star of the first class of the Pro Football Hall of Fame, and played major league baseball for John McGraw's New York Giants. Even in a golden age of sports celebrities, he was one of a kind. But despite his colossal skills, Thorpe's life was a struggle against the odds. As a member of the Sac and Fox Nation, he encountered duplicitous authorities who turned away from him when their reputations were at risk. At Carlisle, he dealt with the racist assimilationist philosophy "Kill the Indian, Save the Man." His gold medals were unfairly rescinded because he had played minor league baseball. His later life was troubled by alcohol, broken marriages, and financial distress. He roamed from state to state and took bit parts in Hollywood, but even the film of his own life failed to improve his fortunes. But for all his travails, Thorpe did not succumb. The man survived, complications and all, and so did the myth. Path Lit by Lightning is a great American story from a master biographer.

The New York Times bestselling and critically acclaimed memoir from cultural icon and culinary standard bearer Alice Waters

recalls the circuitous road and tumultuous times leading to the opening of what is arguably America's most influential restaurant. When Alice Waters opened the doors of her "little French restaurant" in Berkeley, California in 1971 at the age of 27, no one ever anticipated the indelible mark it would leave on the culinary landscape—Alice least of all. Fueled in equal parts by naiveté and a relentless pursuit of beauty and pure flavor, she turned her passion project into an iconic institution that redefined American cuisine for generations of chefs and food lovers. In Coming to My Senses Alice retraces the events that led her to 1517 Shattuck Avenue and the tumultuous times that emboldened her to find her own voice as a cook when the prevailing food culture was embracing convenience and uniformity. Moving from a repressive suburban upbringing to Berkeley in 1964 at the height of the Free Speech Movement and campus unrest, she was drawn into a bohemian circle of charismatic figures whose views on design, politics, film, and food would ultimately inform the unique culture on which Chez Panisse was founded. Dotted with stories, recipes, photographs, and letters, Coming to My Senses is at once deeply personal and modestly understated, a quietly revealing look at one woman's evolution from a rebellious yet impressionable follower to a respected activist who effects social and political change on a global level through the common bond of food.

Path Without Destination Pan Macmillan

This powerful collection of spiritual writings will change your life by guiding you through inspiration and new perspectives for facing life's challenges and living a life in joy. Drawing from the teachings of Paramhansa Yogananda (author of the classic *Autobiography of a Yogi*), "Touch of Joy" shares practical tools, instructive stories, and right attitudes to help you learn to tap the wellsprings of joy within you. Joy is an aspect of God, and is at the heart of our own soul nature. It is not to be found in outer fulfillments or gratifications, but exists without any cause. Swami Kriyananda, a direct disciple of Yogananda and spiritual teacher of the authors, once said, "Joy is the solution, not the reward." To learn to live with joy under all circumstances, and not to wait only until conditions are to our liking, is the secret of a happy life. Jyotish and Devi Novak are celebrated lecturers who have inspired many thousands around the world. They know from experience that these teachings can improve all aspects of life—health, business, success, creativity, marriage, family, education, and spiritual development. The authors, having studied for nearly fifty years with Swami Kriyananda, are Spiritual Directors of Ananda Worldwide and live in Nevada City, California.

The Jeweled Path Delhi Open Books

It's 1970. A dark Wisconsin night. A once-shy farm boy, now in his twenties, stands on a bridge over a river. He's left the farm, studied for the clergy, and done a stint in the air force. He's a proofreader now. He's seen faraway places, but tonight he's in Wisconsin overlooking the dark water. He's about to see the face of God, to become a God-Realized man. From this momentous

turning point, Harold Klemp's life would never be the same. His incredible experience that night was simply a prelude to a time of testing, humbling, cleansing, yet blessed experience with the Light and Sound of God. He would emerge as the spiritual leader and modern-day prophet of Eckankar. This is his spiritual autobiography. "This book," he says, "is about God-Realization and the myths that surround the highest state of spiritual realization known to mankind. The first and greatest illusion is that once God-Realization is attained, the battle for higher consciousness is forever won. This oversimplifies things. . . . "The hard part came after God-Realization. Now I had to return to the problems of life and confront them. The specter of God's haunting love was always with me. . . . It carried me beyond the pleasant cooing of belief and faith, thrusting me into a brilliant world of light shorn of all illusion." If a shy Wisconsin farm boy can master his spiritual destiny, why can't we? According to Gallup, 82% of those polled in America alone want to experience spiritual growth. Believe it or not, it is your destiny to discover your godlike nature, your spiritual greatness. "Tucked away in the hidden places of this book are clues as to how you too may reach the glories of God," says Klemp. "Now come with me on my journey."

Mind, body, spirit.

Autobiography of a Modern Prophet Oxford University Press, USA I called this book "The Path Between the Thorns" because for me, the 18 years since I became a priest where a constant fighting and struggle against inner and outer obstacles placed in my way by my own delusions as well as proponents of wrong views. I am happy to say that despite all these, I have never lost my Path, and although the thorns sometimes hurt my feet, I always knew the right direction to take as Amida Buddha and the true teaching of Shakyamuni and the lineage Masters were always my guiding light.

Path Without Destination is the account of the extraordinary life of Satish Kumar. Spurred to action, Satish undertook an eight-thousand-mile peace pilgrimage - walking from India to America without money and through deserts, mountains, storms, and floods. His inspiring journey, recounted in this memoir, led him to settle in England, where he became one of the leaders with E. F. Schumacher of the "small is beautiful" movement and was the guiding spirit behind a number of ecological, spiritual, and educational ventures. Today he is the editor of *Resurgence* magazine and he travels and lectures worldwide. His is a call to each of us to embrace human scale, strong communities, and ecological awareness.

Julius Evola was a renowned Dadaist artist, Idealist philosopher, critic of politics and Fascism, 'mystic,' anti-modernist, and scholar of world religions. Evola was all of these things, but he saw each of them as no more than stops along the path to life's true goal: the realisation of oneself as a truly absolute and free individual living one's life in accordance with the eternal doctrines of the Primordial Tradition. Much more than an autobiography, *The Cinnabar Path* in describing the course of Evola's life illuminates how the traditionally-oriented individual might avoid the many pitfalls awaiting him in the modern world. More a record of Evola's thought process than a recitation of biographical facts, one will here find the distilled essence of a lifetime spent in pursuit of wisdom, in what is surely one of his most important works.
