The Style Diary of a  
Bollywood Diva Jaico  
Publishing House  
Secret Wars is the first  
book to systematically  
analyze the ways powerful  
states covertly participate  
in foreign wars, showing a  
recurring pattern of such  
behavior stretching from  
World War I to U.S.-  
occupied Iraq.

Investigating what  
governments keep secret  
during wars and why,  
Austin Carson argues that  
leaders maintain the  
secrecy of state  
involvement as a  
response to the persistent  
concern of limiting war.  
Keeping interventions  
“backstage” helps control  
escalation dynamics,  
insulating leaders from  
domestic pressures while  
communicating their  
interest in keeping a war

contained. Carson shows  
that covert interventions  
can help control  
escalation, but they are  
almost always detected  
by other major powers.  
However, the shared  
value of limiting war can  
lead adversaries to keep  
secret the interventions  
they detect, as when  
American leaders  
concealed clashes with  
Soviet pilots during the  
Korean War. Escalation  
concerns can also cause

leaders to ignore covert interventions that have become an open secret. From Nazi Germany's role in the Spanish Civil War to American covert operations during the Vietnam War, Carson presents new insights about some of the most influential conflicts of the twentieth century. Parting the curtain on the secret side of modern war, *Secret Wars* provides important lessons about how rival state powers collude and compete, and the ways in which they avoid outright military

confrontations. [Mumbai, where Dreams Don't Die](#) Om Books International "Mary Ellen Mark first published her portrait of the prostitutes on Bombay's Falkland Road in 1981. This new edition includes previously unpublished photographs along with a new afterword by Mark." "In 1978, Mary Ellen Mark convinced *Geo* magazine to send her on assignment to Falkland Road. During her three-month stay, she was able to earn the trust and

acceptance of its people: prostitutes, madams, children, and customers." "For this expanded edition the Marianne Boesky Gallery and the Yancey Richardson Gallery, both in New York City, will mount an exhibition of Cibachrome prints. A special edition of dye-transfer prints will be exhibited at the Fahey/Klein Gallery in Los Angeles."--BOOK JACKET. [American Geography](#) Harper Collins India's top Bollywood biographer tells the uncensored story of

Sanjay's roller-coaster life stems from the tragic deaths of both his mother and his first wife to the time he smuggled heroin into the US and from the painful rehab he had to go through to his curious phone calls to gangster Chhota Shakeel.

Since his childhood; Arun has secretly been in love with Susanna; his dangerously alluring neighbour; who becomes his friend despite the wide

difference in their ages. But Susanna has a weakness for falling in love with the wrong men. Over the years; Arun watches as Susanna becomes notorious as the merry widow who flits from one marriage to another; leaving behind a trail of dead husbands. It is only a matter of time before he too begins to wonder if there is any truth to the slanderous gossip surrounding the woman he is in love with. In this gripping new novella of love and death; Bond revisits his

previously published short story of the same name; included here in an appendix. This edition also features the screenplay Saat Khoon Maaf; based on this novella and written by award-winning film-maker Vishal Bhardwaj and Matthew Robbins. [Screening Culture](#), [Viewing Politics](#) Hachette India

A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006,

Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her “ribald . . . memorable

and highly relevant” (The Daily Beast) reflection is “both a eulogy and a paean to the freaks and misfits who have long given their souls to the city” (Matthew Gallaway, author of *The Metropolis Case*). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When

Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it’s a “sharp, sweetly personal . . . fascinating and honest” narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of *Pale Horse Rider*). [Laughing Matters](#) Insta Publishing  
One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer

par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in

mainstream super-hits like *Johny Mera Naam*, *Jugnu*, *Andaz*, *Seeta Aur Geeta*, *Sholay* and, more recently, *Baghban*, she received critical acclaim for her performances in *Lal Patthar*, *Khushboo*, *Kinara*, *Meera*, *Ek Chadar Maili Si* and *Razia Sultan*. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her

relationships to her religious beliefs and her recent tryst with singing, *Hema Malini: Beyond the Dream Girl* covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

*The Last of the Live Nude Girls* Penguin UK

An ethnography of urban women television viewers in India, and their

reception of particular shows, especially in relation to issues of gender and nation. *Secret Wars* Cambridge University Press  
 In Sach Kahun Toh, actor Neena Gupta chronicles her extraordinary personal and professional journey-from her childhood days in Delhi's Karol Bagh, through her time at the National School of Drama, to moving to Bombay in the 1980s and dealing with the struggles to find work. It details the big milestones in her life, her

unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. A candid, self-deprecating portrait of the person behind the persona, it talks about her life's many choices, battling stereotypes, then and now, and how she may not be as unconventional as people think her to be. **A Dictionary of the Principal Languages Spoken in the Bengal Presidency** Shakti Press  
 "Offers unique insight into the working progress of the celebrated agency's

photographers over the past seven decades--their approach to taking and editing their pictures as well as their idiosyncratic relationships with the contact sheet." --TIME  
**Songs of Lalon** Motilal Banarsidass Publishe  
 In Western countries, twenty-five percent of women and thirteen percent of men have been victims of sexual abuse by adults before they reach the age of seventeen. Their abusers were family members, loved ones, clergy and often esteemed members of the

community. Over the course of eight years, Lorena Ros built close relationships with the survivors in this book. They shared their private world, recalling the traumatic experiences that took place many years ago. In many cases, survivors invited her to photograph the actual places where the abuse occurred; at other times she photographed elements that triggered their memories such as an object or a place that related to their childhood trauma. The

circumstances of the abuse vary and the survivors are of different ages and come from many countries including Spain - Ros' homeland. Child sex-abuse is a crime without borders. A child's socio-economic status or cultural background offers no protection. Even though this abuse is so widespread, speaking about it remains a taboo in Western societies. There is a great deal of shame surrounding child sexual abuse and victims are silenced and often re-traumatized. What

bonded these survivors to each other was shame and a conviction instilled in them by the perpetrator that what happened to them should never be spoken of ...

It's no secret that certain social groups have predominated India's business and trading history, with business traditionally being the preserve of particular 'Bania' communities. However, the past four or so decades have seen a widening of the social

base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book ? acclaimed for being the first social history to document and understand India?s new entrepreneurial groups ? Harish Damodaran looks to answer who the new `wealth creators? are, as he traces the transitional

entry of India?s middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India?s New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia.

**Sach Kahun Toh** Harper Collins

In Colour These tiny treasures of metaphysical and mythological knowledge serve as enlightening rubrics for understanding Indian

tradition and theology. Exquisitely illustrated, this series serves as a contemporary matrix for illuminating our human experience and offers insightful access into Eastern spirituality. In India, statues of Ganesh are placed at the inner-gates of many temples, symbolizing his role as a keeper of sacred spaces. Here, pilgrims and passersby pay homage and seek his blessings. It is this symbolic presence at the entrance of our most holy places that makes Ganesh such a

vital figure in our lives. Stationed at the threshold of sacredness and awareness, mediating between the possibility of the profound and our often habitual, mundane perception of the world, Ganesh is the guiding force behind this very moment of experience - where desire meets possibility. Ganesh: Removing the Obstacles offers practical and meaningful interpretations of folk narratives and sacred texts concerning the larger-than-life elephant-

headed god, Ganesh. James H. Bae is a practitioner of both Hindu and Buddhist yoga systems. For years Bae has lived in India investing himself in his spiritual study and training as a monk. His primary areas of study include Oriental medicine, Hindu and Buddhist art, and Eastern philosophy and culture. *The Tribes and Castes of Bengal* Penguin UK From the #1 New York Times bestselling author of milk and honey and the sun and her flowers

comes her greatly anticipated third collection of poetry. rupi kaur constantly embraces growth, and in home body, she walks readers through a reflective and intimate journey visiting the past, the present, and the potential of the self. home body is a collection of raw, honest conversations with oneself - reminding readers to fill up on love, acceptance, community, family, and embrace change. illustrated by the author, themes of nature and nurture, light and

dark, rest here. i dive into the well of my body and end up in another world everything i need already exists in me there's no need to look anywhere else - home

Documents the two years

Arthur spent

photographing Saudi

Arabian women.

Guns & Thighs Juggernaut

Books

With more than 300

illustrations, this

spectacular, full-color

visual companion reveals

how a movie of gigantic

scope and complexity is made—especially one shot in modern-day China and Montreal with sets to replicate 200 B.C. China and 1946 Shanghai and London. Director Rob Cohen's introduction offers a fascinating glimpse into the moviemaking process as he describes how he worked with the producers, screenwriters, crew, and cast to prepare the movie for production. Additional sections cover the remarkable sets, action sequences, creatures, and costumes,

all highlighted by photographs, storyboards, drawings, and commentary from the film's cast and crew, especially production designer Nigel Phelps. This is a must-have volume for all movie buffs.

Ganesh Penguin UK

Saudi Arabia is a wealthy

and powerful country

which wields influence in

the West and across the

Islamic world. Yet it

remains a closed society.

Its history in the twentieth

century is dominated by

the story of state

formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign

documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia. *Jeddah Diary* DIANE Publishing  
Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one's sexuality—this renowned University of

Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways

that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians

think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank,

positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.

**Saris** Popular Prakashan Describes recent reforms adopted in some jurisdictions, such as protecting the anonymity of the victim & allowing complainants to report sexual assault even when the victim chooses not to press charges. Law enforcement officials & district attorneys have worked to support

compensation for victims & also have created victim-witness advocate positions to help victims navigate the criminal justice process & speed their recovery. Contains a glossary, resources, & tables.

**Encyclopaedia of Hindi Cinema** Rupa

Publications India  
In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company.

Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media.

Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it. **Home Body** Princeton University Press  
This interesting and authoritative book includes essential facts

about the various forms of Japanese music and musical instruments and their place in the overall history of Japan. Japanese Music and Musical Instruments has three main orientations: The history of Japanese music Construction of the instruments Analysis of the music itself. The book

covers in a lucidly written text and a wealth of fascinating photographs and drawings the main forms of musical expression. Many readers will find the useful hints on purchasing instruments, records, and books especially valuable, and for those who wish to pursue the matter further

there is a selected bibliography and a guide to Tokyo's somewhat hidden world of Japanese music. It will be found an invaluable aid to the understanding and appreciation of an important, but little-known, and fascinating aspect of Japanese culture.
