Co-written by Joseph Stiglitz, winner of the Nobel Prize for his research on imperfect markets, and Carl E. Walsh, one of the leading monetary economists in the field, Economics is the most modern and accurate text available.

Suspiciously Obedient (Obedient #2)(BBW romance)(Billionaire romance) DK Publishing (Dorling Kindersley)  
Winner of a

"Discovery"/The Nation Award Winner of the 1999 PEN/Joyce Osterweil Award for Poetry Some Ether is one of the more remarkable debut collections of poetry to appear in America in recent memory. As Mark Doty has noted, "these poems are more than testimony; in lyrics of ringing clarity and strange precision, Flynn conjures a will to survive, the buoyant motion toward love which is sometimes all that saves us. Some Ether resonates in the imagination long after the final poem; this is a startling, moving debut." *Spirit-Filled Preaching in the 21st Century* UW-Madison Libraries Parallel Press

'One of the most

entertaining and profound philosophical novels ever written' Washington Post  
On a cold night in Holland two men meet and change each other's lives forever. Max Delius - a hedonistic, yet brilliant astronomer who loves fast cars, nice clothes and beautiful women - picks up Onno Quist, a cerebral chaotic philologist who cannot bear the ordinariness of everyday life. Despite their differences, they fast become great friends. And when they learn they were conceived on the same day, it is clear that their meeting is no coincidence. As the pair fall into and out of love with the same woman - Ada - so their lives become further intertwined. For all three are on a mysterious journey destined to shape human history. The Discovery of Heaven is internationally recognized as a masterpiece. Rich in philosophical, psychological, historical and theological enquiry, it is an extravagant, bold and satisfying novel of ideas. 'Sparkling, irresistible . . . you'll learn a lot from this novel' The Times 'Anyone who reads The Discovery of Heaven will come away enlightened, challenged

and entertained' Wall Street Journal 'Written carefully and ingeniously by a novelist who is also a poet' John Updike, New Yorker

Learn the secrets of communication that win elections, promotions, and customers, from Roger Ailes, media consultant to Presidents Ronald Reagan and George H.W. Bush, and the founder of Fox News. When you communicate with others, everything that makes you unique comes into play. From your appearance to your voice, from your beliefs to your life experience, you're

constantly sending signals about the kind of person you are. All of these signals, such as your facial expressions, your body movements, your vocal pitch, and more, are powerful and important in convincing others of your message. In *You Are the Message*, Roger Ailes argues that each and every one of us has the tools within us to persuade and influence others. And in this practical, sensible and entertaining book, you'll learn how to present a message so compelling that even your most stubborn detractor will see the merit of your ideas.

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and

supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Centurions were the guardians of Rome. At the height of the Roman Republic there were over five thousand qualified Roman Centurions in the Legions. To be a Centurion required that, in a mostly illiterate society, one be able to read and write clearly, to be able to convey and create orders, to be capable of not only performing every skill of a Roman soldier but teach every skill of a Roman soldier. Becoming a Centurion required intense physical ability, courage beyond the norm, years of sacrifice and a total devotion to the philosophy which was

Rome. When Rome fell to barbarian invaders, there were less than five hundred qualified Centurions. Not because Rome had fewer people but because it had fewer willing to make the sacrifices. And the last Centurions left their shields in the heather and took a barbarian bride . . . We are . . . The Last Centurions. At the publisher's request, this title is sold without DRM (Digital Rights Management).

In every major city, there exists a complex exchange between urban space and the institution of the theatre. City Stages is an interdisciplinary and materialist analysis of this relationship as it has existed in Toronto since 1967. Locating theatre companies ? their sites and practices ? in Toronto?s urban environment, Michael McKinnie focuses on the ways in which the theatre

has adapted to changes in civic ideology, environment, and economy. Over the past four decades, theatre in Toronto has been increasingly implicated in the civic self-fashioning of the city and preoccupied with the consequences of the changing urban political economy. City Stages investigates a number of key questions that relate to this pattern. How has theatre been used to justify certain forms of urban development in Toronto? How have local real estate markets influenced the ways in which theatre companies acquire and use performance space? How does the analysis of theatre as an urban phenomenon complicate Canadian theatre historiography? McKinnie uses the St. Lawrence Centre for the Arts and the Toronto Centre for the Performing Arts as case studies and considers theatrical companies such as Theatre Passe Muraille, Toronto Workshop Productions, Buddies in Bad Times, and Necessary Angel in his analysis. City Stages combines primary archival research with the scholarly literature emerging from both the humanities and social sciences. The result is a

comprehensive and empirical examination of the relationship between the theatrical arts and the urban spaces that house them.

Born in Blackburn in 1907, A. Wainwright left school at the age of thirteen. A holiday at the age of 23 kindled a life-long love affair with the Lake District. He devoted every spare minute of his days to researching and compiling the original seven pictorial guides. *Grob's Basic Electronics* Simon and Schuster  
Walter McCloud is a boy with dreams unlike most. Introduced as a child to the genius of Balanchine and the lyricism of Tchaikovsky, Walter has always aspired to be a dancer. As he grows older, it becomes clear that despite his desire, he lacks the talent, and he faces the painful knowledge that his more gifted friends have already surpassed him. Soon, however, that pain is overshadowed when his older brother, Daniel, finds a strange lump on his neck and Walter realizes that a happy family can change overnight. The year that follows transforms the McClouds, as they try to

hold together in the face of the fearful consequences of Daniel's illness, and Walter makes discoveries about himself and his friendships that will change him forever. Decades later, after Walter has left home and returned, he must come to terms with the memories of that year, and grapple once and for all with the challenge of carving out a place for himself in this all-too-familiar world. A moving story of the torments of sexuality and the redemptive power of family and friendship, *The Short History of a Prince* confirms Jane Hamilton's place as a preeminent novelist of our time.

*The Culture of Fear* Baen Publishing Enterprises  
In the age of 9/11, the War on Terror, financial collapse, and around-the-clock coverage of child abductions, our society is

defined by fear. Glassner shows that it is our perception of danger that has increased, not the actual level of risk, and he exposes the price we pay for social panic.

Divorce Sucks Kensington Publishing Corp.

Using the credit card and identity of a handA-cuffs salesman, professional failure Tyndale Corbett arrives in Miami for a law-enforcement conference to discover the joys of luxury hotels and above all the delight of being someone else, someone successful. Feeling his previous lack of success might be due to insufficient ambition, Tyndale decides on a new money-making scheme.

He will up the ante substantially, exponentially, and pretend to be someone really important and successful: God. His mission to convince the citizenry of Miami that he is, despite appearances, the Supreme Being results in him taking over the Church of the Heavily Armed Christ. His duties there involve him in forming a private army, hiring call girls, trafficking coke, issuing death threats, beating off church-jackers and sorting out (as almightily as possible) various

problems his parishioners are having with pets. All the while he is working on his grand project, the clincher miracle, dying and coming back to life...

**When Madeline Was Young** Graywolf Press

Jane Hamilton, award-winning author of *The Book of Ruth* and *A Map of the World* brings us a rich and loving novel about a non-traditional family in the aftermath of a terrible accident. When Aaron Maciver's beautiful young wife, Madeline, suffers a head injury in a bicycle crash, she is left with the mental capabilities of a six-year-old. In the years that follow, Aaron and his second wife care for Madeline with deep tenderness and devotion as they raise two children of their own. Inspired in part by Elizabeth Spencer's *Light in the Piazza*, Hamilton offers an honest and exquisite portrait of how a family tragedy forever shapes the boundaries of love.
