Neo-noir knows its past. It knows the rules of the game - and how to break them. From Point Blank (1998) to Oldboy (2003), from Get Carter (2000) to 36 Quai des Orfèvres (2004), from Catherine Tramell to Max Payne, neo-

noir is a transnational global phenomenon. This wide-ranging collection maps out the terrain, combining genre, stylistic and textual analysis with Marxist, feminist, psychoanalytic and industrial approaches. Essays discuss works from the US, UK, France, Japan, South Korea, Hong Kong and New Zealand; key figures, such as David Lynch, the Coen Brothers, Quentin Tarantino and Sharon Stone; major conventions, such as the

femme fatale, paranoia, anxiety, the city and the threat to the self; and the use of sound and colour.

The Divide By: Paul Brenner Harlan

Wyatt operates a prosperous elk guiding and outfitting service on the Western Slope of Colorado, but is still haunted by his role in exterminating the grizzly bear from the Colorado Rockies back in the 1950s. As Harlan enters his final year on the Divide and prepares to pass the business on to his son, Harlan's plans for a smooth transition are disrupted by a poacher, the long-time rancher on the mountain, the United States Forest Service, the local game warden, a female newspaper reporter and a record-setting bull elk on the loose within the

permit area. Harlan Wyatt's final season at the helm of Wyatt Outfitters proves anything but ordinary.

Dead End in Norvelt is the winner of the 2012 Newbery Medal for the year's best contribution to children's literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, Dead End in Norvelt is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is "grounded for life" by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jack's way once his mom loans him out to help a feisty old neighbor with a most unusual chore—typewriting obituaries filled with stories about the people who founded

his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

The 1950s was a time of optimism. America had recently celebrated victory in World War II, industry was booming, and the humankind was looking ever forward into the future and into space. It was during this time of prosperity and hope that Jack Goodman came of age. As a young man, Jack is a model of success with a college education, a beautiful wife and daughter, a home of his own, and a prestigious and fulfilling engineering career. From all outward appearances, his life seems perfect, an object of envy among Saint Louis's up and coming. But inside of it are the seeds of disappointment, pain, greed, and

betrayal, and even honorable adherence to a life of doing what is right and good can't protect Jack from the dark side of the American dream, calling into question everything he once held to be true about his world and his destiny.

The Divide Simon and Schuster

It takes a lot to rattle Jack Irish but, as Melbourne descends into a cold, wet winter, his mood is on the same trajectory. The woman in Jack's life has reconnected with an old love-object. He has just seen a massive plunge lost, a champion horse put down. Worst of all, hijackers have robbed and brutally beaten one of the gambling team. So it's not surprising that Jack's mind is not fully on the job he's being paid to do: find Robbie Colburne, occasional barman. But when Jack does get serious,

he finds that the freelance drink-dispenser is of great interest to some powerful people, people with very bad habits and a distinct lack of respect for the criminal justice system... Any lapse in concentration could prove fatal.

The Secret Life of Stories Simon and Schuster

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage

significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

Lord of the Flies Macmillan

From award-winning author S. Usher Evans comes a brilliant urban fantasy series about a demon hunter struggling to reclaim the man he once was and the demon who might just save him. Fans of Jim Butcher and Kim Harrison will enjoy this unique take on overcoming demons - both real and imagined. Demons are real - and walk amongst us every day. At the International Coalition for Demon Management, agent Jack Grenard knows this better than most. The scion of a demon hunting family, his career was on an upward trajectory until demons brutally murdered his wife. Three years later, he's restarting his life in Atlanta with his partner Cam, dealing with low-

level demonic lords and keeping the peace. But looming in the distance is Demon Spring, the breaking of the barrier between our world and the demonic one that occurs every four years. No one knows when or where it will occur exactly, but the unlucky city will be ravaged for a fortnight by monsters and mayhem. Jack has it on good authority that the schism will occur far from Atlanta - that is, until he comes across a human-saving demon who seems to be keeping a secret. She's enigmatic and dangerous, but Jack is inexplicably drawn to her. But as the days tick closer to Demon Spring, Jack wonders if she's simply a distraction or something much more deadly. Get swept away in an intricate world of monsters and mayhem that RT Reviews calls, "a

Novel, 2000 It takes a lot to rattle Jack Irish but, as Melbourne descends into a cold, wet winter, his mood is on the same trajectory. The woman in Jack's life has reconnected with an old flame. He has gambled and lost massively and seen a champion horse put down. It's not surprising that Jack's mind is not fully on the job he's being paid to do: find Robbie Colburne, occasional barman. But when Jack does get serious, he finds the freelance drink-dispenser is of great interest to some powerful people, people with very bad habits and a distinct lack of respect for the criminal justice system...Any lapse in concentration could prove fatal. Peter Temple is the author of nine novels, including four books in the Jack Irish series. He has won the Ned Kelly Award for Crime Fiction

five times, and his widely acclaimed novels have been published in over twenty countries. The Broken Shore won the UK's prestigious Duncan Lawrie Dagger for the best crime novel of 2007 and Truth won the 2010 Miles Franklin Literary Award, the first time a crime writer has won an award of this calibre anywhere in the world. Temple's first two novels Bad Debts and Black Tide have been made into films with Guy Pearce starring as Jack Irish. They screened on the ABC in August, 2012. 'Another world-class crime novel from Peter Temple.' Canberra Times 'Temple writes...with enough insight and passion to make the reader ask exactly where the boundary lies between genre fiction and serious literary fiction.' Sydney Morning Herald 'Temple is as dark and mean, as cool

and as mesmerising, as any James Ellroy or Elmore Leonard with whom you might kill the small or sad hours.' Peter Craven, Age 'Temple's work is spare, deeply ironic; his wit, like the local beer, as cold as a dental anaesthetic.' Graeme Blundell, Australian 'It's clever, funny, exciting and exceedingly well written. The author weaves multi layers of plot, life, characters and emotions into an exceedingly satisfying narrative that grips from first to last page. If you haven't yet discovered Temple, track down his books. He's premier class.' Daily Examiner UK

A compelling account of how an understanding of intellectual disability can transform one's understanding of narrative. The author explains how ideas

about intellectual disability inform a wide array of narrative strategies, providing a new and startling way of thinking through questions of time, self-reflexivity, and motive in the experience of reading..

The Canadian Magazine of Politics, Science, Art and Literature eBookIt.com Emily Kate Boudreaux runs a restaurant located on a bayou in Texas, because it's what her family expects of her. She'd rather pursue her living as an artist. Then sexy chef Connor Rikeland walks into her life and turns it upside down. Soon, Emily Kate's restaurant is a roaring success, she has time to paint to her heart's content, there's a hunky guy warming her bed, and she's having visions of happily ever after. Connor Rikeland is used to women throwing

themselves at him, and he's been known to use relationships as a bargaining chip in his climb up the ladder. He wants a culinary career in the spotlight--and Cajun cooking isn't his ticket to fame even if Emily Kate is unlike anyone he's ever met. Not to mention Connor has a few secrets that have put him on the wrong side of her brother's FBI case. When the pieces of just why Connor is hanging out in a backwoods town begin to surface, Emily Kate must decide what's real, what's a lie, and what's worth risking her heart over. Because deception or not, life with Connor is delicious. Sensuality Level: Sensual [The Canadian Magazine](#) Lulu.com Candlelight dinners and sweet treats are the ingredients for love. These seven couples offer more than just a taste of

romance to whet your appetite. It's a full plate of fun, a few food fights, and a satisfying menu to fill your cravings for passion. *The Meatball Mistress*: Ryan Garridy is a diehard commitment phobe, struggling to keep his Italian restaurant afloat. The last thing he needs is to hire Cara Manzoni, a woman who skipped out on paying for her meal. Unless, that is, this secretive stunner can save more than just his livelihood. *A Sweet Deal*: Richard Morgan's father will sell the family business to a rival candy company unless Richard marries to secure the business he loves. This deal is the only thing standing between mergers and acquisitions rep Yvette Cruz and the promotion she desperately wants. Will a growing attraction between them be enough to sweeten even this

corporate rivalry? *Company Ink*: Violet Young fought hard to land her position with Wynne's Kitchen, New York City's world-renowned bakery at Rockefeller Center. Unfortunately, she's asked to train her new boss, sexy Ben Preston, who could cost her the next promotion she needs. Will Ben and Violet turn up the heat, or do their careers take the cake? *His Wicked Celtic Kiss*: It took just one teasing wink and a sexy Irish lilt from bad boy Lorcan Byrne to turn Julie Denison's world upside down faster than she could ice a cake in her bakery. The problem is, he's only in town for six months, and happily ever after isn't in this world traveler's vocabulary...unless Julie can help him learn a new language. *Acute Reactions*: The man with allergies never gets the girl, but that may change
