Soldier Girls in Action Carolrhoda Lab ®

Plague, Michael Grant's fourth book in the bestselling Gone series, will satisfy dystopian fans of all ages. It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by so many battles, power struggles, and angry divides, there is a momentary calm in Perdido Beach. But enemies in the FAYZ don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize Perdido Beach. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love? “Grant’s sf-fantasy thrillers continue to be the very definition of a page-turner.” —ALA Booklist Read the entire series: *Gone Hunger Lies Plague Fear Light Monster Villain Hero*

Monster Clarkson Potter

The first in New York Times bestselling author Michael Grant's breathtaking dystopian sci-fi saga, *Gone* is a page-turning thriller that invokes the classic *The Lord of the Flies* along with the horror of Stephen King. In the blink of an eye, everyone disappears. Gone. Except for the young. There are teens, but not one single adult. Just as suddenly, there are no phones, no internet, no television. No way to get help. And no way to figure out what's happened. Hunger threatens. Bullies rule. A sinister creature lurks. Animals are mutating. And the teens themselves are changing, developing new talents—unimaginable, dangerous, deadly powers—that grow stronger by the day. It's a terrifying new world. Sides are being chosen, a fight is shaping up. Townies against rich kids. Bullies against the weak. Powerful against powerless. And time is running out: on your birthday, you disappear just like everyone else. . . . “A potent mix of action and thoughtfulness—centered around good and evil, courage and cowardice—renders this a tour de force that will leave readers dazed, disturbed, and utterly breathless.” —ALA Booklist (starred review) Read the entire series: *Gone Hunger Lies Plague Fear Light Monster Villain Hero*
