NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

From the modern master of noir comes a novel based on the real-life Hollywood fixer Freddy Otash, the malevolent monarch of the 1950s L.A. underground, and his Tinseltown tabloid Confidential magazine. Freddy Otash was the man in the know and the man to know in ‘50s L.A. He was a rogue cop, a sleazoid private eye, a shakedown artist, a pimp—and, most notably, the head strong-arm goon for Confidential magazine. Confidential presaged the idiot internet—and delivered the dirt, the dish, the insidious ink, and the scurrilous skank. It mauled misanthropic movie stars, sex-soiled socialites, and putzo politicians. Mattress Jack Kennedy, James Dean, Montgomery Clift, Burt Lancaster, Liz Taylor, Rock Hudson—Frantic Freddy outed them all. He was the Tattle Tyrant who held Hollywood hostage, and now he’s here to CONFESS. “I’m consumed with candor and wracked with recollection. I’m revitalized and resurgent. My meshugenah march down memory lane begins NOW.” In Freddy’s viciously entertaining voice, *Widespread Panic* torches 1950s Hollywood to the ground. It’s a blazing revelation of coruscating corruption, pervasive paranoia, and of sin and redemption with nothing in between. Here is James Ellroy in savage quintessence. Freddy Otash confesses—and you are here to read and succumb.
