**Second Grade Rules! (Ready, Freddy! 2nd Grade #1)** Simon and Schuster  
The top-selling U.K. series for middle-grade readers now crosses the pond Meet Tom Gates. When his teachers don't have their beady eyes on him, he likes to draw pictures and write about stuff, like last summer's worst camping vacation ever (five merits ), or how much he hates sitting next to nosy Marcus Meldrew, the

most annoying boy at school. All Tom really wants is to score tickets to see the best band ever, Dude3, when they come to town, and to impress Amy Porter, who is very nice and smart (but is currently ignoring him). Tom's teachers think he is easily distracted and "lacks focus," but that's a bit harsh -- can he help it if his grumpy big sister, Delia, made him late for school (again), or that last night's homework had to be sacrificed to stave off a vicious dog attack? Master of excuses, creative storyteller, and middle-school comedian extraordinaire, Tom Gates is

guaranteed to get kids turning the pages - and keep them laughing.

To impress the popular girls on a high school trip to London, klutzy Callie buys real Prada heels. But trying them on, she trips?conks her head?and wakes up in the year 1815! There Callie meets Emily, who takes her in, mistaking her for a long-lost friend. As she spends time with Emily?s family, Callie warms to them?particularly to Emily?s cousin Alex, a hottie and a duke, if a tad arrogant. But can Callie save Emily from a dire engagement, and win Alex?s heart, before her time in the past is up? More Cabot than Ibbotson, Prada and Prejudice is a high-concept romantic comedy about finding friendship and love in the past in order to have happiness in the present.

But Moon is soon caught and entangled in a world he doesn't know or understand; he's become property of the government he has been avoiding all his life. Cricket Thompson's lifetime of overachieving has paid off: she's headed to Brown University in the fall, with a spot on the lacrosse team and a scholarship that covers almost everything. Who knew living in the dorm cost money? An Ivy League education seems to mean living at home for the next four years. When Cricket is offered the chance to earn enough cash to afford a real college experience, she heads back to Nantucket for the summer. But the faraway island challenges Cricket in ways she hadn't anticipated. It's hard to focus on earning money for next year, when she finds her world opening up in entirely new ways???to art, to travel, and, most unexpectedly, to a future completely different from the one she has been working toward her whole life. A friendship blossoms with Ben, the gorgeous surfer and bartender who encourages Cricket to be free, even as she smarts at the pain of seeing Zack, her first love, falling for her worst enemy. But one night, when Cricket

finally lets herself break all her own rules, she realizes she may have ruined her carefully constructed future with one impulsive decision. Cricket must dig deep to fight for her future, discovering that success isn't just about reaching goals, but also about listening to what she's been trying to ignore???her own heart.

Nikki Maxwell authors an advice column for the school newspaper in this fifth book of the New York Times bestselling Dork Diaries series. Nikki Maxwell develops a sudden interest in student journalism that may or may not (okay, definitely does)

But when Miss Know-It-All's inbox is suddenly overflowing with pleas for guidance, Nikki feels in need of some help herself. Fortunately she has BFFs Chloe and Zoey on her side—and at her keyboard!
